Holiday GIFT GUIDE!

FIND CREATIVE GIFTS FOR
EVERYONE ON YOUR LIST!

Season's Greetings from BLICK!

The things we make by hand are shaped by more than just materials. A painting asks for time. A drawing demands attention. A print asks you to ink, press, and try again. You can't wrap the hours, but you can give someone the materials to make the most of them. **This year's Holiday Gift Guide is full of ways to start.**

Inside, you'll find fresh brands and new arrivals alongside Blick innovations like our new **InkShield** and **exclusives from Soolla, Etchr, Raphaël**, and more. Remember: **if it's new, it's at Blick**. Visit us online to shop everything in these pages and much more, including new ways to make your gift one of a kind.

Now exclusively at DickBlick.com in the U.S., the new Caran d'Ache + Me Custom Pen Builder lets you design an 849 Ballpoint Pen that's uniquely theirs. And with **Blick Custom Printing, Framing, and Canvas Online**, it's easier than ever to turn original art into a professionally framed print or order a canvas built to their exact dimensions, all expertly made by hand in our Illinois facility.

Thank you, as always, for trusting Blick with the materials behind your work. Wishing you a joyful holiday season and a new year full of things worth making.

C Unison® Handmade Pastel Sets

UP TO 43% OFF LIST PRICE

John Hersey began producing handmade pastels by lightly rolling each pastel so that the pigment was softly compressed, resulting in fluid color unlike any other pastel. While other manufacturers add white or black to make up a color set, Unison uses pure pigments with a cycle of related hues and a very minimal amount of binder for intense, strong color. Sticks are approximately 2"L × 1/2"Dia.

PREMIER BELGIAN LINEN CANVAS
UP TO 50% OFF LIST PRICE

Luxurious, flax-based fibers and expertly applied oil primer are meticulously combined to create this ultimate oil painting surface. Extremely smooth, medium texture (4.5 oz) linen is prepared, picked, and pumiced by hand in Belgium. Each canvas is then hand-coated in the USA with three applications of an oil-based, lead-free primer to reach a 10 oz primed weight. Finally, the canvas is hand-stretched and back-stapled around high-density pine stretcher bars with reinforced tenon corners for added strength. It's premier quality at an affordable Blick price.

EXCEPTIONS: Additional shipping charges will be added to factory-direct (FOB) shipments; oversized or overweight orders that require a lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; all GBC Classiccut Ingento Cutters and Trimmers; the Blick 906 Model II Etching Press, the Blick 999 Model II Etching Press, the Blick Master Etch Model II Press, and all Blick Model II Benches; all kilns and pottery wheels; and some shelters. Some stocked furniture items will be shipped by truck and billed at an additional cost.

HANDLING CHARGE — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach a quantity of 10.

TRUCK SHIPMENT — Delivers your order to your curb or dock. The charge varies based on distance,weight, bulk, and other factors. While all carriers establish their own rates for delivery, our shipping department selects the best carrier based on service, price, and availability. A physical address and phone number are required for delivery. The minimum charge to a commercial address is approximately $200. For an additional $45 charge, a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For certain zip codes in NY and NJ, the lift gate fee is $75. For an additional $30 charge, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating and disposing of packing materials is not included. Questions? **Call 800.828.4548.**

SHIPPING METHODS
Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases, average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer in two business days and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

FOB FACTORY AND OVERSIZED ITEMS
Items that include **"MF"** in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. Additional shipping charges do apply for these items. If you have any questions, call **800.828.4548.** Please allow additional time for delivery. Some items shipped directly from the factory may not be available.

PRICES/AVAILABILITY — All prices are subject to change without notice. Blick is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored through 12/31/26. However, should vendors provide unanticipated price increases, we cannot guarantee printed prices in this catalog – all prices are subject to change without notice. As always, Blick reserves the right to typographical errors.

— What is MSRP? (aka "List Price")
MSRP stands for Manufacturer's Suggested Retail Price (also known as "List Price"). MSRPs are published by the manufacturer of each product. Unless a product is our own brand, we do not set or inflate the MSRP. We report it. For our Blick and Utrecht brand products, we establish MSRP based on those of third-party vendors whose products most closely resemble ours in quality and size.

— Does a discount off the MSRP represent a sale price?
Not necessarily. A typical example would be that a product has an everyday discount of 30% off the MSRP, but during promotional periods it may rise to 40% off the MSRP. Other products might be 40% and 50% off, respectively, and so on. Paint lines often use this type of model. Some products may never be promotionally priced. For more information about pricing, visit **DickBlick.com/customer-service/pricing-policy.**

CHECK POLICY
Upon receipt, your check may be converted into an electronic debit, and processed according to Federal Reserve rules. Receipt of the check will be deemed to be your authorization for an Automated Clearing House debit entry to your account, which likely will be posted to your account the following day. If your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a legal limit of a processing fee as per state law.

OUR 100% SATISFACTION GUARANTEE
Blick's guarantee policy dates back to 1911, and we have had no reason to change it. If you are not completely satisfied with the quality of the merchandise you receive, you are entitled to a full replacement or refund up to one year from time of purchase.
