## OUR TEMPERA PAINT CARE & STORAGE TIPS

Tempera paints and poster paints that are intended for children and classroom use often contain organic binders that are subject to spoilage and degradation if not used or stored properly or used within the recommended period of time. While a slight odor is natural, a strong, very unpleasant odor indicates the paint has spoiled. It should be discarded.

### Proper Storage:

- Store paint in a cool, dry place.
- Extreme temperatures (above 90°F or below 32°F) can harm the paint.
- **Remove** the cardboard piece from the lid when storing, especially in hot or humid conditions.
- Date and rotate paint stock, using the oldest first.
- Open paint containers should be used within six months. Use unopened paint containers within two years.
- If paint is near its shelf life when opened, use it promptly.

### Prevent Contamination:

- Portion paint into smaller, resealable containers as needed.
- Avoid working directly from the original product container. Do not place brushes, hands, used pumps, used paint, or different types of paint in the original container.
- Do not dilute paint in the original container.
- Use clean utensils when handling paint.
- Tightly seal the cap between uses.

For any questions regarding the safety, quality, or best use of tempera paints or other products, please contact our Product Information Team at 800-933-2542 or email [info@dickblick.com](mailto:info@dickblick.com)

Speedball® Ceramic Underglazes  
Class Packs

Cone 06–10 (1855°–2381°F)

Bright, intense colors that are highly saturated for spectacular results, these underglazes are compatible with Speedball Earthenware Glazes, and can be used for a variety of decorating techniques. They may be applied to greenware or bisque and can be blended. The liquid, opaque colors will not move or bleed, making them perfect for detailed painting, design work, and sgraffito. Because they're lead-free and clean up easily with water, they're ideal for classroom use. These underglazes are dinnerware safe when used and fired as directed. However, tableware producers should have finished ware lab tested to determine dinnerware suitability due to firing variances and contamination.

If you are not completely satisfied with the quality of the merchandise you receive, you are entitled to a full replacement or refund up to one year from time of purchase. **The details and limitations of our full Return Policy can be found at [ClickBlack.com/customer-service/returns](http://ClickBlack.com/customer-service/returns) or by calling 800.723.2787.** Merchandise orders totaling \$69 or more ship freight-free via FedEx Economy whenever possible. Oversized or overweight orders will ship via a freight line. In those cases, the free freight offer includes curbside delivery only. Other services performed at the time of the delivery such as lift gate and inside delivery will incur additional charges. The average transit times will be extended for freight line deliveries and a delivery signature will be required. All other orders, see shipping charges below.

**EXCEPTIONS** — Additional shipping charges will be added to factory-direct (FOB) shipments, oversized, or overweight orders that require lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding; and any combination of wood, metal, and stone. Additional charges for specialty Cutters and Trimmers; the Black 906 Model III Etching Press, the Black 999 Model II Etching Press, the Black Master Etch Model II Press, and all Black Model II Benches; all kilns and pottery wheels; and some shelters. Some stocked furniture items will be shipped by truck and billed at an additional cost.

**Handling Charge** — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach a quantity of 10.

**Truck shipment** delivers items to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$240. For an additional \$45, a truck with a lift gate will lower your merchandise to the ground. For an additional \$30, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? **Call 800.447.8192.**

**PRICING/AVAILABILITY — All Prices Are Subject To Change Without Notice.** Blick is committed to doing our best to make the necessary sacrifices so that prices in this catalog can be honored throughout July 13, 2024. However, should vendors provide mid-year price increases, we cannot guarantee printed prices in this catalog — all prices are subject to change without notice. Further, continuing supply chain disruptions have made it difficult to stay in stock on select items, and unfortunately vendors can take longer than usual to fill back orders. We ask for your understanding in these unprecedented times. As always, Blick reserves the right to typographical errors.
