PRICING NOTE:
While we have always stated that the prices in our catalogs are subject to change due to fluctuating market conditions, we have rarely implemented mid-year price increases. This year may be an exception due to increasingly volatile costs from tariffs being imposed on a variety of commodities. Utrecht is a leading art supplier in part because our prices are so competitive, and we ask for understanding if these extraordinary circumstances require price increases.

PRICES — ALL PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

We reserve the right to correct typographical errors in our catalogs. While we have always stated that the prices in our catalogs are subject to change due to fluctuating market conditions, we have rarely implemented mid-year price increases. This year may be an exception due to increasingly volatile costs from tariffs being imposed on a variety of commodities. Utrecht is a leading art supplier in part because our prices are so competitive, and we ask for understanding if these extraordinary circumstances require price increases.

What is MSRP? (aka "List Price")

MSRP stands for Manufacturer's Suggested Retail Price (also known as "List Price"). MSRPs are published by the manufacturer of each product. Unless a product is our own brand, we do not set or inflate the MSRP. We report it. For our Blick and Utrecht brand products, we establish MSRP based on those of third-party vendors whose products most closely resemble ours in quality and size.

Does a discount off the MSRP represent a sale price? Not necessarily. A typical example would be that a product has an everyday discount of 30% off the MSRP, but during promotional periods it may rise to 40% off the MSRP. Other products might be 40% and 50% off, respectively, and so on. Paint lines often use this type of model. Some products may never be promotionally priced. For more information about pricing, visit utrechtart.com/pricing-faq-g140t0.utrecht.

INTERNATIONAL SHIPPING — Shipping to 100+ Countries! We make international shopping fast and easy. Duties and taxes are calculated at checkout. Prices are displayed in local currency. Low international shipping rates. Visit Utrecht.com for more details.

TRUCK SHIPMENT

Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$110. For an additional \$35, a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional \$25, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call 800.223.9132.

CHECK POLICY

Upon receipt, your check may be converted into an electronic debit, and processed according to Federal Reserve rules. Receipt of the check will be deemed to be your authorization for an Automated Clearing House debit entry to your account, which likely will be posted to your account the following day. If your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a legal limit of a processing fee as per state law.
