## Critter match game

Cut out the 12 cards on the next 6 pages and play a critter match game.

$$
\frac{1}{2 c o s e c}
$$

## A fun folding game

Cut out the fortune teller on the next page and follow these steps:

1) Place the paper with the critter side facing up.

Fold the top right corner to touch the bottom left corner.

Crease the fold with your finger and then unfold the paper.

2) Take the top left corner and fold it over to the bottom right corner.

Crease the fold with your finger and then unfold the paper.

3) Fold the paper in half from each side by bringing the top edge of the paper to the bottom, creasing the fold, unfolding, and then repeat on the other side.

4) Place the paper with the critter side facing down.

With the fortune teller unfolded, bring each corner to the centre of the paper.

5) Flip the paper over and fold each corner to the centre of the paper again.

To play: Fold the fortune teller in half so the numbers are on the outside, then put your fingers underneath the numbered squares and have fun fortune telling!
