Comfort and style built to last

A chair that has evolved from sophisticated design, the Monterey is beautifully proportioned and extremely comfortable. A milestone in ergonomic seating, it not only conforms to individual body shapes and weights, but also to movement. The titanium frame and base make it built to last and designed to enhance any office space.

Height Adjustment
Pneumatically adjust height to always have feet flat on the floor.

Back Angle Adjustment
Set back angle for personalized comfort in 4 different angled positions.
