Sleek, Responsive Comfort

The iOO represents a pinnacle of evolution — a sleek, powerful product of generations of development and refinement born from our obsession with perfection. Its personalized ergonomics are adjustable, yet effortlessly simple and responsive to the user’s body. With all controls integrated into a single mechanism, the iOO adapts, overcomes, and excels.

Back Angle Adjustment
Sets back angle for personalized comfort in reclined position.

Waterfall Seat
Front of cushion slopes to reduces pressure on the back of the knees.

Two Piece Back Flex
Adapts to the spine’s natural flexing movements.

2.8” Ratchet Back Height Adjustment
Backrest easily adjusts up or down relative to seat for personalized lumbar region support and comfort.

Dynamic Lumbar
Responds to constant change and body activity.

8x Arm Adjustment
Swivel arms adjust across 8 dimensions including height, depth, and width, for proper ergonomic positioning.

Seat Depth Adjustment
Adjusts seat depth relative to back.

Tilt Lock
Locks out tilt function.

Tilt Tension Control
Recline rate adapts to weight of user.

Synchro-Tilt
Back reclines in a preset ratio to seat.
