

For numerous years, the renowned Dutch artist Dj Thera has been a force in the music scene. With an impressive discography consisting of 5 albums and over 250 single releases, this seasoned musician shows no signs of deceleration. Dj Thera's distinctive fusion of trance, techno, and hardstyle sets him apart, infusing dance music with unparalleled passion.

Renowned for infusing his music and sets with abundant energy and emotion, Dj Thera has graced stages across nearly every continent, from colossal festivals to intimate, offbeat clubs, where he always manages to get everyone as hyped as possible.

In 2023, Dj Thera introduced the "Tranceparency" mixtape series, a monthly showcase of his futuristic sound. Additionally, he unveiled his latest album, "From The Heart Part 3," in June, highlighting his versatility within the hardstyle genre.

Looking ahead to 2026, Dj Thera is poised to explore new horizons in the studio without any constraints. Festivalgoers can also anticipate electrifying performances featuring the craziest hardstyle classics from the founder of Theracords.

Always progressing with a positive and luminous spirit, Dj Thera continues to shape the future of music!
