

A unique act from the start in 2011, Bass Chaserz is easily recognizable for his signature style with unique and catchy melodies, combined with his own touch of craziness. Watch Bass Chaserz perform and you never know what will happen next, but one thing is for sure: he is determined to continue sharing his majestic adventures throughout the Hardstyle community. He turned venues upside down already on big festivals like: Defqon.1 Weekend Festival, Decibel Outdoor festival, Tomorrowland, Mysteryland, Intents Festival and QAPITAL.

One of the many highlights of 2017 was reaching the #3rd spot in the Q-dance hardstyle top 100 with the track 'Renegades' ft. Frequencerz and number #92 with his solo track 'The Only Way Is Up'. Bass Chaserz also had the honor to create the 2017 Primal Outdoor Anthem and just released the 2018 Immortality Anthem.
