

Toneshifterz, the project of Australian-born artist Elie Abwi, is one of the most established and forward-evolving names in global hard dance. With a career spanning over 15 years, he has played a key role in shaping the international hardstyle movement while continuously pushing his sound into new territory.

Performing on the world's biggest stages, including Defqon.1, Tomorrowland, Electric Daisy Carnival, Ultra Music Festival, I AM HARDSTYLE, and Knockout Outdoor Festival, Toneshifterz has built a global reputation for high-impact productions and emotionally driven performances. With over 150 million streams across his catalogue, alongside more than 1.7 million streams per month and over 600,000 monthly listeners, his music continues to resonate with audiences worldwide. His discography includes standout releases such as "Paradise", "Mortal Kombat", "Blah Blah", and "Clarity", alongside collaborations and remixes for leading artists including Brennan Heart, Darren Styles, Dimitri Vegas & Like Mike, Armin van Buuren, Timmy Trumpet, and Will Sparks.

A defining moment in his career came with the creation of two official Defqon.1 anthems, "Psychedelic Wasteland" (2011) and "Dragonblood" (2016), solidifying his place at the forefront of the scene. Known for crafting music that unites crowds on a massive scale, he has also contributed to anthem-level releases within the global hard dance movement, including work connected to Australia's flagship event, Knockout Outdoor, and the Harder Styles United movement, further cementing his role in shaping the sound and spirit of the scene.

From early releases on Fusion Records to becoming a core artist on Brennan Heart's I AM HARDSTYLE platform, with 3 albums under his belt, Toneshifterz has remained a consistent force within the harder styles for over a decade.

Now entering a new chapter, Toneshifterz is redefining his artistic direction by merging the nostalgia of early hardstyle and the power of modern hardstyle, the foundation of his career, with the energy and movement of modern hard techno, creating a new direction within hard dance music. This evolution comes to life in his latest album, *Ravers Revolution*, a forward-facing body of work that bridges rave heritage with a new, high-energy, dancefloor-driven sound.

With a renewed creative vision, a growing catalogue of forward-thinking releases, and a clear focus on the future of the scene, Toneshifterz is not just part of hard dance history, he is actively helping shape its next evolution.

**SHORT FORM BIO:**

Toneshifterz is a leading force in hard dance, with over 150 million streams and performances on major stages including Defqon.1, Tomorrowland, and EDC. Known for collaborations with Brennan Heart, Darren Styles, and Dimitri Vegas & Like Mike, he now enters a new era with his album *Ravers Revolution*, blending hardstyle roots with the energy of modern rave culture. With a renewed, dancefloor-driven sound, Toneshifterz continues to push the future of hard dance.

**1-LINE BRAND STATEMENT**

Toneshifterz is redefining hard dance by bridging hardstyle roots with the energy of modern rave culture.
