

When it comes to setting new standards in the MC-game DV8 has been the man to watch from day one. This musician in the world of MC's brings the whole creative package, on stage and as a recording artist.

DV8 has shook up dancefloors all around the globe with instant classics like 'Nothing Else Matters' and 'Radioactive'. To hardstyle lovers across the globe the signature DV8-sound simply needs no further introduction.

On stage DV8's one of a kind voice has been the soundtrack of the biggest events in the scene, rocking mainstages at Defqon 1 (NL/AUS), Decibel Outdoor, Qlimax and Hard Bass. Connecting with crowds worldwide, DV8 has never ceased to innovate. Coming up with new ways to interact with the hardstyle family is just natural to him. No wonder DV8 introduced the infamous sitdown to the world of hardstyle back in 2010. And who hasn't seen the viral Power Hour-footage of 60.000 people causing an earthquake by going '8 STEPS LEFT AND 8 STEPS RIGHT'?

Words just fall short describing the huge footprint this legend left, but one thing is for sure. If you need your event to be LEGENDARY there's only one way to go: DV8.
