

Jay Reeve, the stage name of Juliën Raasing, is a Dutch DJ and producer who has become a prominent name in the Hardstyle music world. Known for his unique blend of euphoric melodies and energetic beats, Jay Reeve burst into the scene in 2015 with his breakthrough track, "The Blackbird," and has been a driving force in the melodic Hardstyle movement.

Jay Reeve's music is characterized by its infectious energy and euphoric melodies, evident in tracks like "Feel Good", "House Music", "RHTM" and "If You Believe" with Ecstatic. His successful collaborations, such as "Parachute" with Wasted Penguinz, and multiple tracks with Geck-o, demonstrate his ability to merge styles and create unforgettable Hardstyle tracks.

Beyond his studio work, Jay Reeve is a powerhouse on stage. Whether on the stages of major festivals like Defqon.1 and Decibel Outdoor or at intimate stages on smaller events, Jay Reeve's sets are known for their energy and emotional connection with the audience.

Juliën has firmly established himself as a key player in the euphoric and melodic Hardstyle community. His music resonates deeply with fans who crave emotional depth alongside the high-energy rhythms typical of Hardstyle. Melodic Madness, his signature event together with REBiRTH, is a testament to him bringing likeminded souls together, selling out within minutes! The OST of the first edition "Melodies are Forever", perfectly captured the essence of the event, creating a perfect blend of emotions and melodies.

As the genre continues to evolve, Jay Reeve will keep pushing the boundaries of what euphoric and melodic Hardstyle can achieve; If You Believe!
