### MEET PROCEDURES

Obtain a program and check your name against Event/s. If incorrect immediately see the Chief Recorder.

### ASSISTED SELF MARSHALLING

- Swimmers are responsible for being ready to take their position on the starting platform or in the water when whistled up by the Referee.
- Swimmers will have assisted self-marshalling at this meet. Check Starters will be available to assist, support and direct swimmers on the pool deck when requested by the swimmer. The Clerk of Course in the marshalling area will indicate when the next heat is required to move to the chairs behind the blocks.
- Swimmers are expected to know what event, heat and lane they will be swimming in from the published program.
- There will also be copies of the race sheets posted in the Marshalling area.
- For Heats, Swimmers will report to the chairs behind the blocks, for their event preferably via the marshalling area, as per the following process. The fastest heats will report first.
- In order to avoid congestion, please note that swimmers need only be available to enter the marshalling area or chairs behind the blocks four
  - (4) heats prior to their heat for 50m, 100m and 200m events.
  - For events 400m and more, two (2) heats prior to their event.
- The first heats of sessions should report 5 minutes prior to the scheduled start time.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.
- The first heats of sessions should report 5 minutes prior to the scheduled start time.
- There will be chairs behind the timekeepers at the start end.
- After the start of the previous heat, swimmers may progress to the next deck chair position without causing any interference to Technical Officials. Swimmers are expected to be at the chair ready for the whistles to start their heat.

### **ASSISTED SELF MARSHALLING (CONT'D)**

- Swimmers will not be prevented from swimming if they only make it to their seat one heat prior to their event (This is a guide only to allow the event to flow. Leniency will be employed by Referees whilst this process is initially implemented). If a swimmer misses their heat, they must alert a Technical Official and they will be placed in a spare lane if, it becomes available.
- The Referee will ultimately make decisions as to entitlement to swim.
- There will still be a Marshalling area setup with two (2) rows of chairs (In case there is a need revert to full Marshalling). Swimmers will have the option to either report directly to the row of chairs behind each lane or proceed through the Marshalling area to pool deck. We will have some Clerks of Course (Technical Officials) in the Marshalling area to assist swimmers if needed. These Officials will be available for Athletes, Team Managers and Coaches to find information on events, withdraw swimmers and make enquiries.
- Swimmers exiting the pool after events will move to the swim down pool via designated exits
- Where a swimmer has entered, but will not be in attendance for a day, or the whole meet, the Recorders should be advised prior to the commencement of the day's competition.

### **WITHDRAWALS**

Swimmers who fail to report to the Clerk of Course by the specified time shall be a withdrawal.

### **RELAYS**

Should you wish to make any changes to your relay team, an updated relay form must be submitted to the Chief Recorder on race day prior to the start of the session in which the event will be contested. If you are adding new swimmers, you must include their DOB. Relay forms are not required if you are not making any changes.

### **INCLUSIVE SWIMWEAR POLICY**

A swimmer wishing to wear modified or alternate swimwear is required to present that swimwear to the Technical Manager or Meet Referee prior to the swimmer's first session of competition. Further information in respect to this policy is available at <http://www.swimming.org.au/inclusion> and at NSW Rule GR19 General Swimwear Policy.

### POOL DECK & FIELD OF PLAY

- At all times during competition at this meet the pool deck must be kept clear of athletes & their equipment. Athletes are only permitted to be in the competition area if marshalling or competing or speaking to their coach.
- When athletes are not competing, they and their belonging must be located behind the barriers in the warmup area (but not obstructing access for Coaches and athletes using the warmup pool) or in the appropriate Grandstand.
- Only permitted persons (athletes, coaches, approved support staff and Technical Officials) will be permitted to be on pool deck and in the warmup area.
- Accordingly, the Swimming NSW Field of Play Policy will be strictly applied at this swim meet.

### TAPING

The following uses of tape are generally permitted in competition and advanced notification to the Technical Manager is recommended:

- a) Wound protection and closure.
- b) Band-Aids, dressings, “Butterfly” type, etc. are normally permitted with no advanced notification to the Technical Manager.
- c) When the tape to hold a dressing in place completely circles a major limb or the dressing is exceptionally large in size
  - Taping of no more than two (2) injured fingers or toes together.
  - Tape to secure medical alert bracelets and pendants, religious objects, etc.
  - Tape to secure medical devices such as insulin pumps, ostomy bags, etc.

In all other cases taping, including Kinesio Taping, Elastic Therapeutic Tape, taping intended to provide compression or support to muscles, ligaments, tendons or joints (except as stated above), the swimmer must provide advanced notification to the Referee by way of a medical certificate. The certificate must be signed and dated by a Medical Practitioner or Physiotherapist indicating credentials of the medical practitioner and incorporate the period taping is required.

Casts and splints supporting a broken bone or other injury, whether fibre glass, plastic or plaster, are not permitted in competition – irrespective of whether a Medical Practitioner’s note has been presented.

### STARTING INSTRUCTIONS

- When the swimmers have been placed behind the starting platforms, the Starter will announce the Event and Heat number, e.g. Event 4 Heat 3.
- On the long whistle from the Referee the swimmers shall step onto the Starting Platform and remain there, or for Backstroke swimming and Medley Relays, immediately enter the water. A second long whistle blast shall bring the swimmers immediately to the starting position.
- On the starter's command "Take your Marks" competitors will immediately take up their starting positions with at least one (1) foot at the front of the starting platform, and in the case of a Backstroke event, their position in the water and remain stationary.
- When all the competitors are stationary the Starter shall give the starting signal.
- Any swimmer starting before the starting signal has been given, shall be disqualified. If the starting signal sounds before the disqualification is declared, the race shall continue and the swimmer or swimmers shall be disqualified upon completion of the race. If the disqualification is declared before the starting signal, the signal shall not be given, but the remaining swimmers shall be called back, be reminded by the starter of the penalties, and start again.
- Swimmers must finish in the lane in which they start and will remain in the water in their lanes at the finish of the event. On the signal from the Referee, competitors are to leave the water.
- In an Individual Medley event the sequence of strokes is Butterfly, Backstroke, Breaststroke, Freestyle. In a Medley Relay event, the sequence of stroke is Backstroke, Breaststroke, Butterfly, Freestyle.

NOTE: If, because of the length of the programme "starting over the top" is used, swimmers from the proceeding heat are to move to the side of the lane, against the finishing wall, and remain still. When the next heat has started they should leave the pool by the sides as quickly as possible.

### WARM-UP GUIDELINES

In the interest of swimmers safety, the following general pool procedures for the Competition Pool must be observed throughout the meet:

All lanes in the Competition Pool, with the exception of lane 1 are NO DIVING, with entry to the lane “feet first, from a sitting position”. Swimmers can only push start, and should observe a “keep left” rule at all times.

Lane 1 (Start End) is reserved throughout the whole of the warm up period for dive sprints and walk backs. Swimmers must clear the lane immediately, and must use caution when doing a Backstroke start.

The usage of lanes 2 & 8 will change. Up until 15 minutes before the end of Warm Up they are reserved as a circle swimming lane. For the last 15 minutes they are reserved for dive sprints and walk backs and turn practice as per the Lane 1 instructions.

Lanes 3 to 7 are reserved throughout the whole of the warm up period as circle swimming lanes.

Warm-Up will end at 8:50am.
