Please note: Custom quote required.

Cabinet Modifications

Framed | Luna | Kona & Townsend Harbor Brown

Reduce Depth of a Wall Cabinet (min. depth 3”)

MOD# CUT-WALL

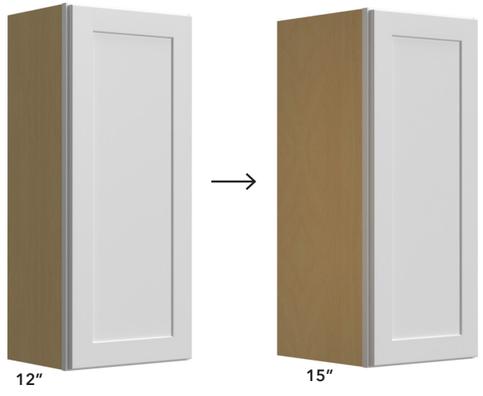

Wall cabinets have a standard depth of 12". Generally, modifications will be made in 3” increments, but can also be cut to custom sizes such as 5”, 5-1/4”, or 5-1/2” deep. Wall cabinets can be cut to any size, with a minimum depth of 3”.

Please note: For a No Door wall cabinet, wood shelves will be provided instead of glass shelves.

Available for Framed & Frameless Series cabinets.

Increase Depth of Wall Cabinet (max. depth 30”)

MOD# INCREASE-WALL

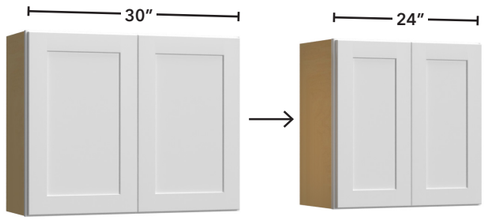

Fabuwood’s standard wall cabinet are 12” deep. Cabinet depth can be increased up to 30".

Please note: For a No Door wall cabinet, wood shelves will be provided instead of glass shelves.

Available for Framed & Frameless Series cabinets.

Reduce Width of a Wall Cabinet

MOD# CUT-WIDTH WALL

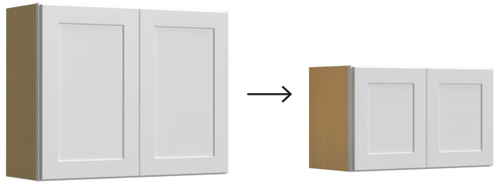

Please note: May require custom doors.

Available to enter via EZ-Pricing for Frameless Cabinets. Framed Cabinets requires Custom Quote.

Reduce Height of a Wall Cabinet

MOD# CUT-HEIGHT WALL

Please note: May require custom doors.

Custom quote required.

Available to enter via EZ-Pricing for Frameless Cabinets. Framed Cabinets requires Custom Quote.

Cut Height of RHA Hood

(suggested min. height 24”)

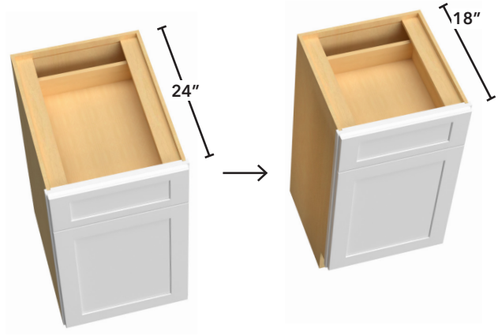

Please note: Requires custom doors. Custom quote required.

Available for Framed Allure Cabinets.

Reduce Depth of Base Cabinet (min. depth 12”)

MOD# CUT-BASE

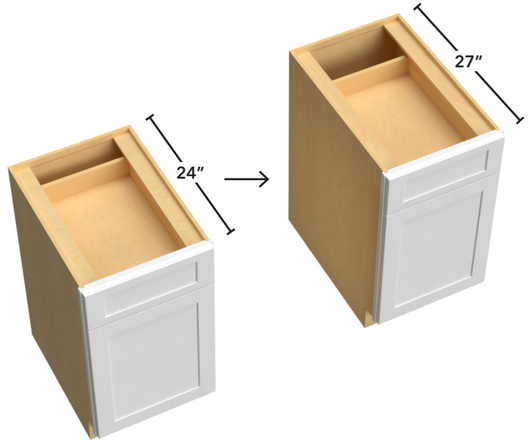

The standard depth of a base cabinet is 24” deep. Generally, customizations are done in 3” increments, but can also be done to any custom size, such as 16”, 17”, or even 17½” deep. Base cabinet must have a minimum depth of 12”. The drawer box will be cut to 3” less than the cabinet depth. To accommodate the drawer slides, the drawer box can only be cut in 3” increments.

Available for Framed & Frameless Series cabinets.

Increase Depth of Base Cabinet

MOD# INCREASE-BASE

Cabinet depth can be increased to any size. The drawer depth will remain 21”.

Available for Framed & Frameless Series cabinets.

Reduce Width of a Base Cabinet

MOD# CUT-WIDTH BASE

Available to enter via EZ-Pricing for Frameless Cabinets. Framed Cabinets requires Custom Quote.

Reduce Height of Base Cabinet

MOD# CUT-BASE HEIGHT

The height of a base cabinet can be cut right above the door, eliminating the drawer. Available on base cabinets with standard drawer front height.

The total height will be:

Framed 28-1/8″
Frameless Illume 27-11/16"H
Frameless Ovela 28"H
Value - Quest 28-1/2″

Available for Framed and Frameless Series Cabinets.

Reduce Toe Kick Height

MOD# CUT-TK

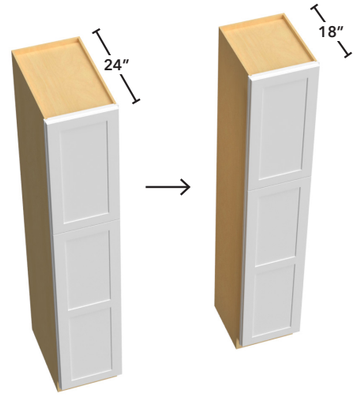

Fabuwood can reduce the height of the toe kick in 1/4" increments or remove the toe kick completely.

Please note: Cabinet is not designed to use as a wall hung cabinet.

Available to enter via EZ-Pricing for Framed & Frameless Series Ovela Cabinets.

Reduce Depth of a Tall Cabinet (min. depth of 4")

MOD# CUT-TALL

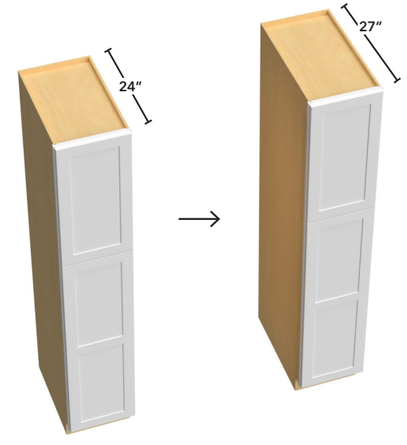

Tall cabinets are available in 12" and 24″ deep. Fabuwood can cut the depth of a tall cabinet to customer specifications with a minimun depth of 4".

Available for Framed & Frameless Series cabinets.

Increase Depth of Tall Cabinet (max. depth 30″)

MOD# INCREASE-TALL

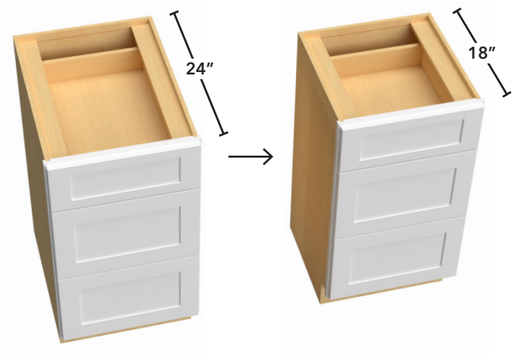

Fabuwood offers 12″D and 24″D tall cabinets. Fabuwood can increase the depth of any tall cabinet up to 30″D.

Available for Framed & Frameless Series cabinets.

Reduce Depth of Drawer Base Cabinet (min. depth 12″)

MOD# CUT-DBASE

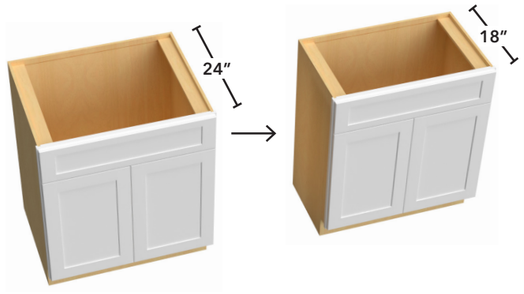

Fabuwood can cut the depth of a drawer base cabinet to customer specifications. Please note the depth of all three drawer boxes will be 3″ less than the cabinet box. For example, when a cabinet is cut to 18″ deep, the drawer boxes and slides will be 15″ deep.

Available for Framed & Frameless Series cabinets.

Reduce Depth of Sink Base Cabinet (min. depth of 4")

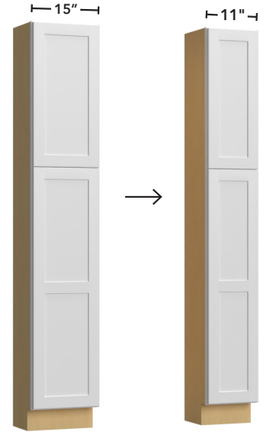

MOD# CUT-SBASE

Sink base cabinets can be cut to a minimum depth of 4″. Generally, customizations are done in 1/4" increments, but can also be modified to any custom size.

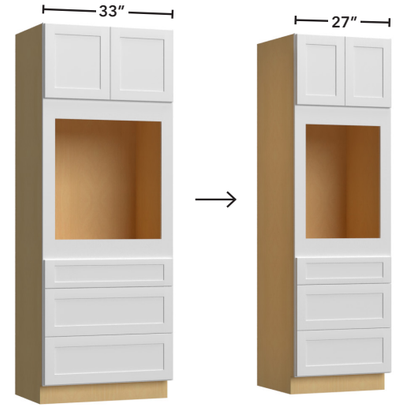

Available for Framed & Frameless Series cabinets.

Reduce Width of a Tall Pantry

Available only for Frameless Illume & Ovela Series door styles, Extended Door & Extended Side are available in two sizes:
¾" overhang or 1½" overhang

Matching Edge Band

MOD# EBAND-MATCH BOX & EBAND-MATCH SHELF

Edge band that blends in with the door color for a sleek, polished look that ties your whole space together.

Choose to matching edge band for the cabinet box, shelves, or both.

Available for Frameless Series cabinets

Push To Open (Tip-On)

MOD# PUSH TO OPEN DOORS & PUSH TO OPEN DRAWERS

The Push-To-Open system with BLUM Tip-On hardware offers a clean, handle-free look by allowing doors and drawers to open with a gentle press. It's a great option for modern, minimalist kitchens or spaces where sleek, uninterrupted surfaces are desired.

*Push To Open Doors/Drawers upgrades are not available for Cabinets with Pull-Out accessories.

Available for Frameless Series cabinets

Ovela Push-to-Open Drawer

MOD# PUSH TO OPEN DRAWERS

A gentle press activates the drawer, providing a smooth, hardware-free access.
Please note: Push-to-open drawers are available for cabinets with a minimum depth of 15".

Available for Frameless Series cabinets

Frameless I Ovela I Natural Elm & Hickory Rock

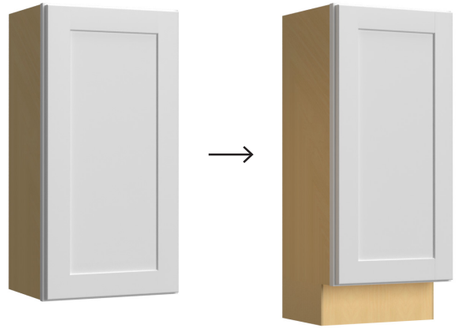

Product Customizations

Framed I Luna I Timber

Attach Toe-Kick on a Wall Cabinet

MOD# ATTACH-TK

Fabuwood can modify a wall cabinet into a base cabinet by applying a toe-kick.

Please note: Customer needs to specify exposed sides.

Available for Framed Series cabinets.

Close Open Section of a Blind Cabinet

MOD# CLOSE-BLIND

Fabuwood can close the open section of a blind wall or base cabinet by adding a 1/4" panel on the inside of the frame.

Please note: Fabuwood can order and install any accessory for a blind cabinet. Customer must provide the model number.

Available for Framed & Frameless Series cabinets.

Close the Panel Opening of an Oven Cabinet

MOD# CLOSE FRONT-OC

Fabuwood can close the open panel of a base microwave, base oven, tall oven, or a wall microwave cabinet by adding 3/4" plywood to the inside of the frame.

Available for Framed Series cabinets.

Create Base Microwave Cabinet from Drawer Base

MOD# CREATE-BMC

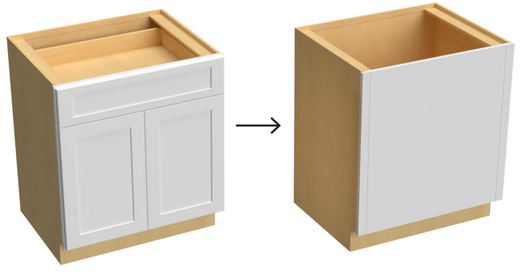

Fabuwood can modify a drawer base to create a microwave base. To fulfill this modification, Fabuwood will remove the top two drawers, install a support shelf on top of the bottom drawer, and apply a full flat panel to the front.

Please note: Full flat panel to be cut on the job site to accommodate the microwave.

Available for Framed & Frameless Series cabinets

Create Base Oven Cabinet from a Base Cabinet

MOD# CREATE-BOC

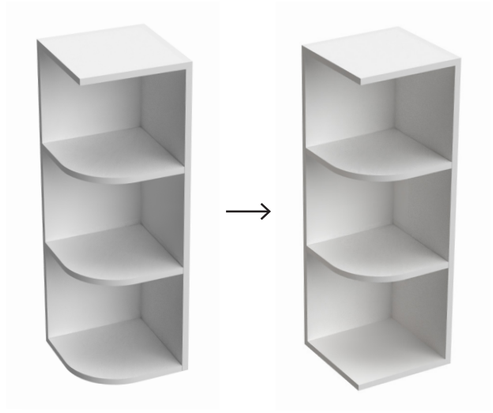

Fabuwood can modify a base to create an oven base. To fulfill this modification, the top drawer and doors are removed, a full flat panel is applied to the front.

Please note: Full flat panel to be cut on the job site to accommodate the oven.

Available for Framed & Frameless Series cabinets.

Create Square Bottom Shelf for Open End Cabinet

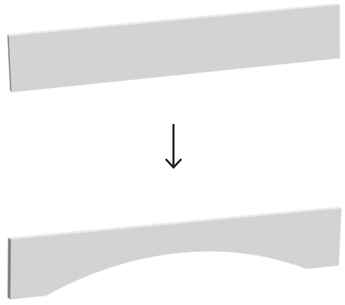

MOD# CREATE-SQ BOTTOM

Add a square bottom to an open end, to apply light rail molding.

Available for Framed Series Cabinets.

Create Arched Valance from a Filler

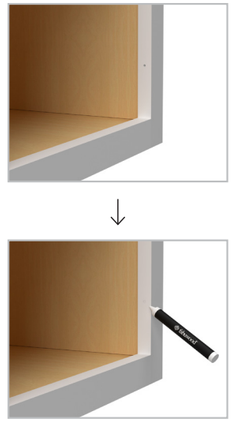

The valance will be 5-1/2" high and can be up to 96" long. This is also used for a base toe kick to create a furniture look. Please note: Custom quote required.

Available for Framed Series Cabinets.

Fill Hinge Holes with Touch-Up (seam will still be visible)

MOD# FILL HINGE SEAM

Please Note: Hinges will be removed; Door Set will ship loose.

Available for Framed Series Cabinets.

Flush Toe Kick of Cabinet

MOD# FLUSH-TOE KICK

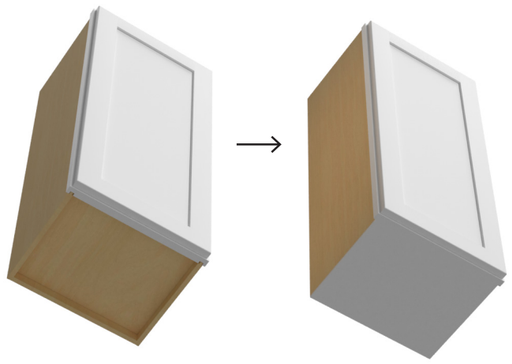

Fabuwood can modify the toe kick by bringing it forward to be flushed with the face frame.

Available for Framed & Frameless Ovela Series Cabinets.

Flush Bottom Panel of Wall Cabinet

MOD# FLUSH-WALL BOTTOM

Available for Framed Series Cabinets.

Create Full-Door Base Cabinet from Standard Base Cabinet

MOD# FULL-DOORS

Available for Framed Base, Sink Base cabinets 42 - 42 inches wide and Blind Base cabinets.

Please note: Custom Quote Required.

Install Door-Mounted Pull-Out Wood Hamper in Cabinet

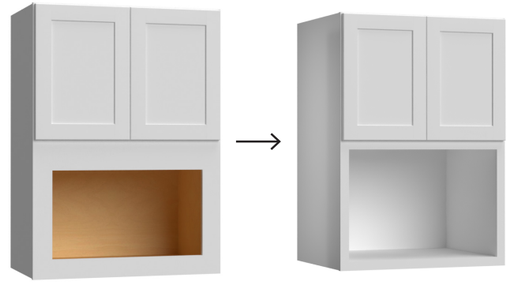

MOD# HAMPER

To create a hamper cabinet from a base cabinet, a door-mounted wood hamper is attached using undermount slides. Hamper is 18" high. This includes hamper box only, and does not include cloth liner or plastic bin accessories.

Available for Framed & Frameless Series Cabinets.

Full Cut-Out on Microwave Cabinet

Fabuwood can create a full cut out by cutting the full frame, leaving a 1-1/2" rather than 3" wide stiles and rails.

Please note: Customer needs to specify match-interior when ordering. Custom quote required.

Available for Framed Series Cabinets.

Recess Toe Kick on Base Cabinet

MOD# RECESS-TK

Fabuwood can recess the toe kick of any base cabinet by 3" increments from the following options: Left, Right, Back or a combination of all three.

Available on Framed Series & Frameless Ovela Series Cabinets.

Note: Corner cabinets can only be recessed on the left or right side. A back-only recess is not available.

Full Depth Shelf

Fabuwood can create a full depth shelf for any base or tall cabinet.

Please note: Available for Framed & Frameless Series cabinets. Custom quote required.

Custom Base Cabinets can now be entered with Full-Depth Shelf on EZ-Pricing Online

Insert Broom Divider

MOD# INSERT BROOM DIVIDER

Divide the lower section of a pantry to use as a broom closet. A cutout will be made in the center fixed shelf to allow space for the broomstick.

Broom portion to be 6" wide. Specify Left or Right Side.

Available for Framed Series cabinets.

Insert Tray Dividers in a Wall Cabinet

MOD# INSERT DIVIDER

Insert 1/2" vertical tray dividers in a standard wall from 9"W - 36"W.

Other configurations available through Custom Quotes.

Available for Framed Series cabinets.

Insert Tray Dividers in a Base Cabinet

MOD# INSERT DIVIDER

Insert 1/2" vertical tray dividers in a standard base cabinet from 9"W - 36"W.

Other configurations available through Custom Quotes.

Available for Framed Series cabinets.

Invert Base Cabinet Frame

MOD# INVERT FRAME-BASE

Using a standard base cabinet, Fabuwood can invert the frame featuring a door at the top and a drawer on the bottom. A fixed shelf with a front rail is also inserted above the drawer.

When your selected SKU in vanity depth is not available, an additional cut-base charge will apply.

Available for Framed Series cabinets.

Invert Tall Pantry Frame

MOD# INVERT FRAME-TALL

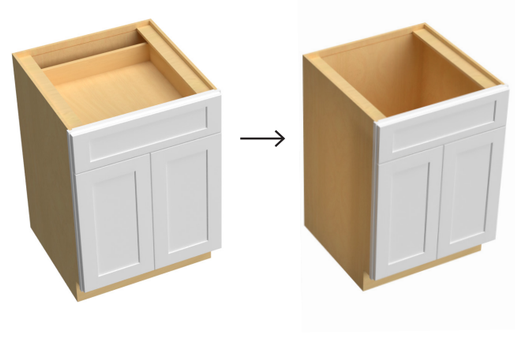

Using a standard tall pantry, Fabuwood can invert the frame and doors to have the tall door on the top and the short door on the bottom, using an added groove to adjust the fixed shelf height.

Available for Framed Series cabinets.

Create Sink Base Cabinet

MOD# REMOVE-DRAWER

Available for Framed & Frameless Series cabinets. To modify a base cabinet into a sink base, the drawer box and slides will be removed. The drawer front is then attached to the frame as a false drawer front.

Create Peninsula Cabinet

MOD# PEN-CABINET

A peninsula cabinet can be created from two wall and/or base cabinets.

Fabuwood will create a peninsula using any cabinets as long the peninsula side frame is the same size. If it is a full height door on the peninsula side, there will be a 7" apron to cover the drawer box.

Please note: For a No Door Wall Cabinet Peninsula, wood shelves will be provided instead of glass shelves.

Available for Framed Series cabinets.

Remove Floor of Cabinet

MOD# REMOVE-FLOOR

To remove the floor, the bottom panel, bottom rail, and toe kick (if applicable) are removed from frame. Bottom panel grooves are filled in and support is added for shipping.

Note: Cabinets with full center stile are not eligible for this modification.

Available for Framed Series Cabinets.

Install Roll-Out Drawers Side-by-Side in Cabinet

MOD# ROD-SPECIAL

Modify Double Door cabinets to have Roll-Out Drawers Installed Side-by-side. EZ-Pricing will apply this modification automatically for Framed Series 36" - 48" Base & Sink Base cabinets.

Please note: Custom quote required for additional sizes.

Available for Framed Series cabinets.

Stacked Cabinets

Please note:
Customer can specify any exposed sides to ensure skin application.
Custom quote required.

Available for Framed Series cabinets.

Create Blind Cabinet

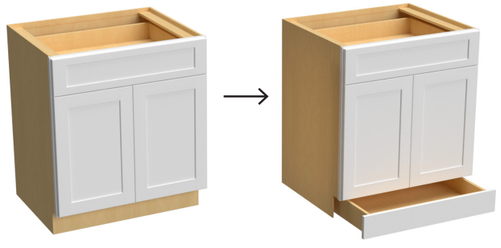

Fabuwood can create a blind cabinet by using any double door base or wall cabinet by removing one door and adding a wide center stile.

Please note: Custom quote required.

Available for Framed & Frameless Series cabinets.

Install a Drawer in the Toe-Kick of a Base Cabinet

MOD# TK DRAWER

Fabuwood can modify any base cabinet with a toe kick drawer allowing for additional storage.

Available for Framed & Frameless Series cabinets.

Create Curio Wall Cabinet

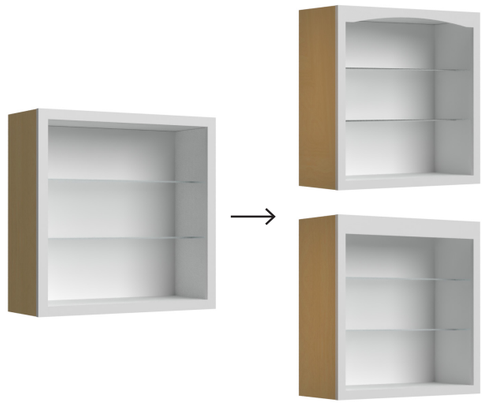

Fabuwood can create a curio cabinet by replacing a 12" wide face frame and mitering the front frame.

Please note:

- Glass doors can be added to the front and side of the cabinet and can be ordered separately.
- Customer to specify if they would like the Curio Side to be a fixed or working door.
- Custom quote required.

Available for Framed Series cabinets.

Create Wall Open Shelf from No-Door Wall Cabinet

Fabuwood can add an arched or straight valance to any wall cabinet. Hinge holes can be filled upon request.

Please note: Custom quote required.

Available for Framed Series cabinets.

Arched Toe Kick Valance

An arched flushed toe kick can be created upon request.

Please note: Custom quote required.

Available for Framed Series cabinets.

Finish Interior of Cabinet with Walnut

MOD# CHOOSE-INTERIOR

Fabuwood can finish the interior of a cabinet to Walnut Finish.

Available only for Framed Allure Series cabinets. Not available for WOS or WR/WC/WO cabinets

Choose Interior of Cabinet

MOD# CHOOSE-INTERIOR

Finish full interior of cabinet to selected color or stain. Customer can choose from Signature or Designer.

Available only for Framed Series cabinets. Not available for WOS, WR/WC/WO cabinets

Frameless Finished Ends

MOD# FINISHED-END

We've added a laminate skin to the left, right, or both sides of applicable cabinets. Finished ends will add less than 1/16" to the total width for a simple, clean, seamless look.

Please note: The front edge band will cover the skin on the sides only. The top and bottom edge band will remain white linen.

Paint/Stain Interior of Cabinet to Match Exterior

MOD# MATCH-INTERIOR

Fabuwood can finish the interior of any cabinet to match the exterior color.

Available for Framed & Frameless Series cabinets.

Matching Color Edge-Band

MOD# EBAND-MATCH BOX

Upgrade your Frameless Series cabinets with a Matching Color Edge-Band that matches your selected door finish for a seamless custom look.

Matching Color Edge-Band

MOD# EBAND-MATCH SHELF

Upgrade the adjustable shelves in Frameless Series cabinets with a matching edge-band for a cohesive finish.

Two Tone Hoods

Available for Framed Allure Series chimney-style hoods, including Euro, Farmhouse, Signature, and Curved Artisan.

The 2-Tone Finish modification lets dealers add an accent finish to the hood's base, chimney, moldings, & valance.

Create Two-Drawer Base from Three-Drawer Base

Available for Framed Series cabinets.

Relocate the horizontal rails. Add a full set of custom or stock sized doors.

Please note: Custom quote required.

Custom Drawer Base Cabinets are available to enter via EZ-Pricing Online for Framed Allure, Frameless Illume & Ovela Series cabinets.

Split Top Drawer of Drawer Base Cabinet

Fabuwood can customize a drawer base with two drawers on top, side by side by adding a center stile to the face frame.

Please note: Custom quote required.

Available for Framed & Frameless Series Cabinets.

Create Four-Drawer Base from Three-Drawer Base

Available for Framed Series Cabinets.

Add and relocate the horizontal rails. Add a full set of 2 drawer boxes and drawer fronts, and 1 set of slides.

Please note: Custom quote required.

Custom Drawer Base Cabinets are available to enter via EZ-Pricing Online for Framed Allure, Frameless Illume & Ovela Series cabinets.

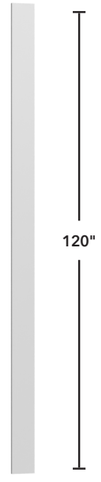

Create 42" Diagonal Sink Base

Fabuwood can create any custom size diagonal cabinet. To create a DSB42", the door set used is a B24 leaving the front angle to be 25-1/2".

Please note: Custom quote required.

Oversized Tall Filler

Fabuwood can create a 3" or 6" filler up to 120"H.

Please note: Custom quote required.

Available for Frameless Series Cabinets.

Create Farm Sink Base

Available for Framed & Frameless Series cabinets.

To create a farm sink base, a closed front panel will be added above the doors and a door set from an 18"H wall cabinet will be used.

Please note: Custom quote required.

Create Custom Knee Drawer

Available for Framed & Frameless Series Cabinets.

Fabuwood can create a single or double knee drawer upon request.

Please note: Custom quote required.

Oversized 1/2" or 3/4" Plywood Panel

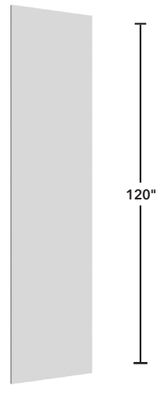

SKU# PLY-1/2 48X120, PLY-3/4 48X120

Create an oversized 1/4" panel in any size up to 48" x 120".

Available for Framed Series cabinets.

Oversized Refrigerator End Panel & Refrigerator Panel with Return

SKU# REP30120 , REP30120 X 1 1/2 , REP30120 X 3

Fabuwood can create an oversized REP 3/4" thick up to 48" x 120", edge banding the two long sides.

Available for Framed Series Cabinets.

Connect Door Set with Dowels

MOD# CONNECT DOORS

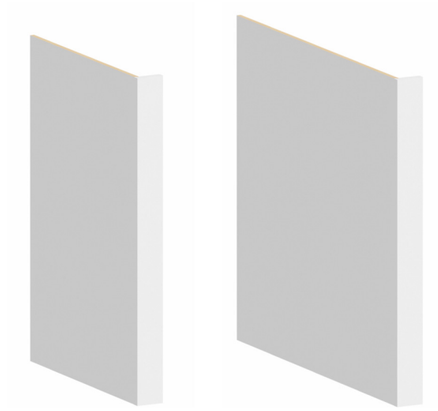

Connect tall pantry door sets with metal dowels only; no additional hardware needed. Available with a spacer for a subtle gap or without a spacer for a flush finish.

Please note: For a door with drawer front, or additional configurations, a Custom Quote is required.

Available for Framed & Frameless Series cabinets.

Dishwasher Return Increase Depth Modification

MOD# INCREASE-PANEL

Increase depth of Dishwasher Return Panel (DWR) in 1/4" increments, up to a maximum of 48".

Available for Framed & Frameless Series cabinets.

Frameless Toe Kick Drawer

MOD# TK DRAWER

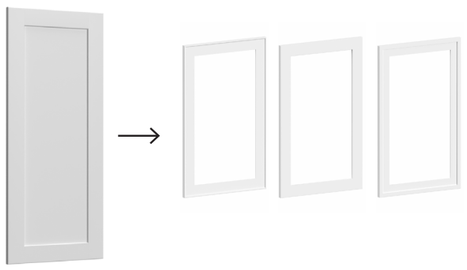

Transform unused toe-kick space into functional and additional storage through extended side panels.

Please note: For safety reasons push-to-open functionality is not available for the Toe Kick Drawer. A handle is required for proper operation.

Available for Frameless.

Cut Out Center Panel of Door for Glass Insert

MOD# CUT-DOOR

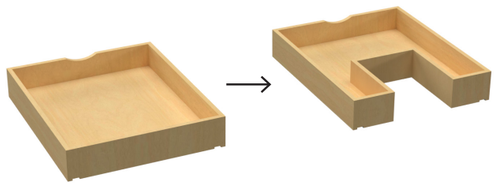

Center panels of doors can be cut out to prepare for glass inserts. Customization includes refinishing the cut edges and a rubber gasket for installation of a 1/8" thick glass is included.

Please note: Glass is not supplied.

Available for Framed Series cabinets. Luna/Echo/Luxe Door Styles: available via Custom Doors only.

Door(s) will be shipped loose; hinges will come installed on the cabinet.

Create Chase in a Roll-Out Drawer

Fabuwood will modify the drawer box to have a Pipe chase for plumbing.

Please note: Customer must provide drawing. Custom quote required.
