Available configurations:

- Single / 3 Drawer
- Combo / 2 Drawer
- Double / 1 Drawer

Custom Tall Cabinet

Available configurations:

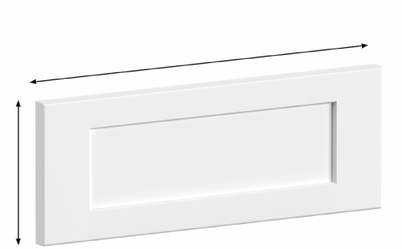

- Single Door
- Double Door
- No Door
- Single Door Lower Only
- Single Door Upper Only
- Double Door Lower Only
- Double Door Upper Only

Custom Door

Create a custom-sized Door.

- Specify the following dimensions: Width & Height
  - Max: 24" x 84" / 48" x 24" *
- Specify Center Panel configurations:
  - With Standard Center-Panel / Prepped for Glass
- Specify Hinging options:
  - With Hinge Holes / Without Hinge Holes / With Hinge Holes On Top As Lift Up

Custom Drawer Front

Create a custom-sized Drawer Front.

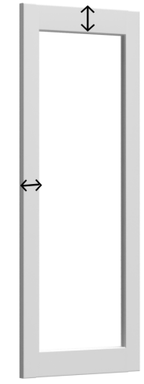

- Specify the following dimensions: Width & Height
  - Max: 48" x 24" / 48" x 24" *
  - Drawer fronts under a minimum height receive Reduced Top & Bottom Rails (depending on Door Style).

Custom Deco Door

Create a custom sized Decorative Door for Panel-Ready Appliance or Wainscot Panel.

- Specify the following dimensions: Width & Height
  - Max: 42" x 84" / 48" x 42

Custom Deco Appliance Frame

Create a custom-sized Decorative Door Panel for Panel-Ready Appliance with Glass Door.

- Specify the following dimensions: Width & Height
  - Max: 42" x 84" / 48" x 42

*Please Note: Custom Doors, Drawer Fronts, Deco Panels & Deco Appliance Frames greater than 24" x 48" / 48" x 24" are considered oversized and recommended to have center stiles or rails. Doors without a center stile/rail larger than the recommended size will not be covered under Fabuwoods Warranty.

New Profiles & Palettes

Luxe / Canyon Oak

Natural Oak

Natural Oak is crafted on premium rift-cut white oak and finished with a soft, sun-washed stain. Warm sandy undertones, creamy beige hues, and subtle whitewashed detailing are enhanced by a clear glaze that accentuates the wood's authentic grain, natural flecking, and linear character, creating depth, texture, and movement.

Galaxy Natural Oak
NEW

Luna Natural Oak
NEW

Luna / Natural Oak

Siena

Siena is a frameless slab door that showcases natural woodgrain in both vertical and horizontal grain directions. Clean and trim-free, it uses texture and grain direction to add movement and warmth. Inspired by the architecture of Siena, Italy.

Truffle

Truffle is a Signature finish rooted in a warm, earthy brown, positioned between Timber's airiness and Mocha's deep intensity. Built on a soft umber base with subtle cocoa and toasted walnut undertones, its muted, velvety warmth brings depth without heaviness. Truffle feels right at home in modern kitchens and transitional spaces craving dimension.

Q12™

Quality Redefined

Design is so much more than appearance alone. How are quality cabinets truly defined? After performing a thorough analysis alongside industry professionals, the definition of quality cabinets has been narrowed down to twelve unique attributes. Collectively, these twelve simple but significant pillars have been given an even simpler name – Quality 12. A Q12 cabinet encompasses 12 facets that together make up a superior product.

Q1 Element Sourcing

CAREFULLY SELECTED ELEMENTS

To ensure the absolute integrity of our product, each element is carefully selected. We start by choosing only “Grade-A” materials and make no compromises along the way.

Q2 Finishing Process

PRO TOUCH TECHNIQUES

Our Framed and Frameless cabinets offer high-end finishes that are as beautiful as they are durable and practical. Fabuwood’s distinctive pro-touch techniques allow for a sustainable and resilient cabinet finish that is not only easy to clean but will retain its beautiful luster for years.

Q3 Build Techniques

ADVANCED CONSTRUCTION

Our framed Dovetail and Frameless Threespine® construction methods are superior, innovative, and built for a lifetime of use. Our attention to detail, coupled with advanced construction techniques, means a long lasting, superior quality cabinet every time.

Q4 Structural Integrity

ANTI-WARP STRUCTURES

All our cabinets are engineered in a way that eliminates warping, ensuring the cabinets hold up against elemental pressures. Crafted to perfection, every detailed component is created with unfailing durability. Each cabinet we produce is held to a high standard, ensuring long-lasting reliability.

Q5 Load Capacity

METAL SHELF CLIPS

To maintain a maximum level of stability that preserves a shelf's longevity, these metal shelf clips assure sturdiness and durability. With this feature, your shelves are sure to stand the test of time.

Q6 Back Stability

TOUGH BACK BUILDS

For superior structural longevity, the back builds on the Framed and Frameless series are built tough and easy to install. Our rigorous pressure testing guarantees that our products won't give in.

Q7 Surface Usability

FLUSH FIT

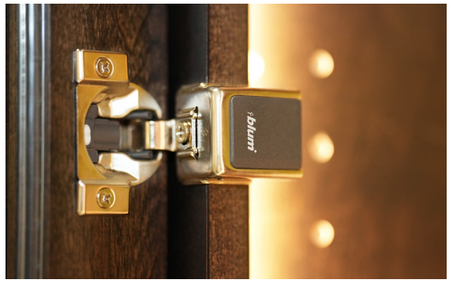

To achieve an attractive appearance that is convenient and practical, our Q12 cabinets are built with a flush fit to ensure smooth surfaces and easy in-and-out access.

Q8 Interior Refinement

UNIQUE INTERIORS

The interior finish of our cabinets is as important as the exterior. Fabuwood offers high end, unique interior finishes for a clean and sophisticated look.

Q9 One-click Install

ONE-CLICK INSTALLATION

In addition to our soft-close action feature, the cutting-edge Blum Compact Clip Hinge allows for lightning-fast one-click installation and release.

Q10 Glide Velocity

FLUID FULL-EXTENSION

Our cabinets are built with smooth full-extension glides to guarantee an enhanced running action that maximizes its storage to full capacity. Fabuwood manufactures its cabinets with Blum's tandem plus runners and soft-closing technology, utilizing space while also preventing damage and deterioration.

Q11 Drawer Leveling

EZ LEVEL DRAWER FRONTS

On both framed and frameless products, to achieve an aesthetically graceful balance and ensure proper drawer alignment and function, our cabinets use an effortless system, utilizing a degree of mechanical precision for installing perfectly positioned drawer faces.

Q12 Lifetime Warranty

LIMITED LIFETIME WARRANTY

Our integrity-defining limited lifetime warranty is our commitment to quality and excellence. The warranty reflects our pledge to always back our cabinets while delivering an immaculate product. With precise crafting techniques, Q12 cabinets are poised for a lifetime of use.

*Our acclaimed Q12® cabinets are backed by a **Limited Lifetime Warranty***

Our new Limited Lifetime Warranty reflects our commitment to excellence and uncompromising quality. Like our Q12® certification, the warranty confirms our pledge to our customers and our products, bringing you the best in the industry.

The Limited Lifetime Warranty is available for Framed, Frameless, Value Premium, Quest & Valencia.

No Bull
Can Break It

In AWI testing, our cabinet body construction achieved Duty Level 4, the highest possible rating for structural strength.

AWI ARCHITECTURAL WOODWORK INSTITUTE | fabuwood®

Limited Lifetime Warranty is applicable to the Framed, Frameless, Value Premium, Quest & Valencia.

Disclaimer: Images shown may include digital renderings and are intended for illustrative purposes only. Actual product appearance, including color, texture, and finish, may vary. We strongly recommend reviewing a physical sample prior to placing an order. For complete product specifications and availability, please consult the Spec Book.
