Texas Born. Canadian Raised.

It all started in 1986, when two football players from Texas found themselves in Ottawa. They loved the nation's capital, but one thing was missing: the Texan food they loved from back home. So, they took matters into their own hands, and opened up the very first Lone Star.

Now, over 30 years later, we still stay true to our Texas roots, and take pride in bringing the authentic flavours of Texas to Canada.

We use fresh ingredients, authentic recipes, and traditional cooking methods. We even import wood from the Southern U.S for our Wood-Fire Grill, and bake our tortillas fresh to order in an oven that was custom-crafted in San Antonio.

And yes, our guacamole, queso, salsa, pico de gallo, rice, beans and over 25 signature sauces & spices are all made fresh, in house. So sit back, take a load off and enjoy the big, bold tastes of Texas, right here at home.
