# TASTERS

## Adobe Software Workshops

### 1 DAY TASTER

Learn to master the most popular design software in the world, whether it is graphics, layout, video, or animation.

**Premier Pro | InDesign | Affect Effects | Photoshop | Illustrator | Animate**

\$75 pp includes GST

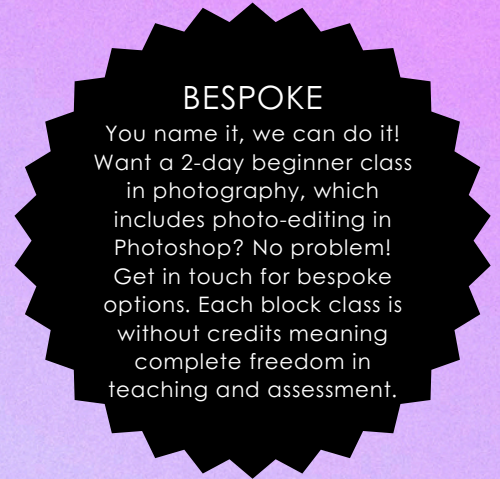

## HTML & CSS

### 1 DAY TASTER

Our popular web development STAR classes are back for 2024.

**Combine tech & design and create beautiful websites.**

\$75 pp includes GST

# HOLIDAY PROGRAMMES

## Game Design

### 5 Days

Design and create assets for your very own video game using industry level software, Maya & Unity. Design, model, build, test, play. The course looks at a range of techniques and skills including 3D modelling.  
 No prior experience required.

**9am - 3pm each day**

4 Days \$300.00 pp includes GST

## Filmmaking

### 5 Days

Make your very own mini-film in a 5-day workshop by learning practical skills in filmmaking and learn to prepare your content for online platforms. Working in teams, you will learn some brand new skills in filming and then work through the production process. On the last day, there will be an in-class screening of your masterpiece!

**9am - 3pm each day**

5 Days \$300.00 pp includes GST

## Graphic Design

### 4 Days

Fuel your creativity – learn the tools of the trade to build your Graphic Design skills. Grow your understanding of the three key design programmes used in Graphic Design. Guided by one of our knowledgeable and experienced tutors, you'll spend four days developing core skills in industry standard software that will feed your creativity and fuel your passion for design.

**US29792**

Use a desktop publishing application to produce documents

**Level 3 Credit 4**

**9am - 3pm each day**

4 Days \$250.00 pp includes GST

## Animation

### 5 Days

An in-depth five day workshop diving into the basics of 3D animation in Maya. You will be learning how the entire process of building simple animations, understanding how the internal structure works and how to make your animation have basic interactions and functionalities such as flying, landing and moving. You'll also learn how to create simple characters and backgrounds in two-dimensional environments which are often used in films, TV, computer games and websites.

**US29791**

Capture and prepare digital media for integration into other applications

**Level 3 Credit 2**

**9am - 3pm each day**

5 Days \$300.00 pp includes GST

## NCEA CREDIT COURSES ON CAMPUS

### 2D Animation

**9 Weeks | 9 Credits | Level 3**

Bring your animation to life by combining audio and visual to create motion graphics using Adobe After Effects, Illustrator and Photoshop. Learn how to plan, prepare and develop 2D animation like a boss. You'll learn idea development techniques, create moodboards and a storyboard. You'll create animation assets using the paint tools in Photoshop and scalable vector graphics using Adobe Illustrator. In After Effects, you'll learn how to create keyframe animation and use motion paths, easing and parenting tools to open a range of animation styles. You'll finish up by rendering your animation to a video file that can be used in film and games.

**Mondays - 9am - 3pm**

9 Weeks \$750.00pp incl. GST

UNIT	LEVEL	CREDIT	DESCRIPTION
29791	3	2	Capture and prepare digital media for integration into other applications
29796	3	7	Collaborate and communicate with others effectively and safely in a digital environment

### Character Design

**10 Weeks | 10 Credits | Level 3**

Combine your visual design skills with storytelling to create your own character design. You'll learn how to use Adobe Photoshop like a pro 2D artist using Wacom tablets provided for in-class use. This programme covers the fundamentals of character design, including dynamic sketching techniques and effective use of colour and light. You'll develop a character profile and story, plan your illustration project, and apply techniques for finishing a digital illustration to a high standard.

**Wednesdays - 9am - 3pm**

10 Weeks \$750.00pp incl. GST

UNIT	LEVEL	CREDIT	DESCRIPTION
29791	3	2	Capture and prepare digital media for integration into other applications
29790	3	3	Apply digital tools to create and monitor a project plan
29793	3	5	Investigate, plan, design and create digital outcome solutions to meet the requirements of a specified brief

### Game Development

**10 Weeks | 11 Credits | Level 3**

Learn about game structure and interface design to build an educational game using the Unity realtime development platform. This course includes an introduction to professional game design and development. You'll learn coding fundamentals using the C# language, developing a programme to control gameplay and interaction. You'll generate draft design concepts then develop your code in the Unity game engine. By the end of this course you'll complete a simple, playable level and package it for distribution.

**Wednesdays - 9am - 3pm**

10 Weeks \$750.00pp incl. GST

UNIT	LEVEL	CREDIT	DESCRIPTION
18741	3	6	Create a computer program to provide a solution
18750	3	5	Produce a learner focused electronic training package for organisation use

## NCEA CREDIT COURSES REMOTE

### Code a Website

**5 Days | 5 Credits | Level 3**

Explore how websites are developed and learn the coding required to make a site of your own. Plan layouts using UX tools and explore how HTML and CSS can be used to create cool website graphics including interaction and parallax effects with code.

**US 29788 – Develop and evaluate an interactive website for organisational use.**

**9am - 3pm**

5 Days \$300.00pp incl. GST

### Cyber Security & Ethical Hacking

**5 Days | 5 Credits | Level 3**

Learn about cyber security threats, how to test and respond to attacks. Learn ethical hacking techniques to test and secure your own network and devices. Level up your digital, design and tech skills these holidays, whilst earning NCEA Level 3 Credits. These courses are applicable from those currently studying NCEA Level 1 - 3 and are comfortable and competent with Level 3 study.

**US 29794 – Implement security solutions when using digital tools.**

**9am - 3pm**

5 Days \$300.00pp incl. GST

### Game Development

**6 Days | 6 Credits | Level 3**

Be introduced to professional game design and development. Learn coding fundamentals using C# language, create design concepts and develop a playable level using Unity. Students will learn online Monday - Friday for the first 5 days of the course, and then for their final day they will attend online the following Monday to complete the programme.

**US 18741 – Create a computer program to provide a solution to a problem**

**9am - 3pm**

6 Days \$300.00pp incl. GST

For a full list of our programmes check out our website!!!

# SHORT COURSES

## 1 DAY SHORT COURSES

### Travel & Tourism

#### 1 Day Short Course

Have you ever thought of the many opportunities that lie ahead in New Zealand's vibrant tourism sector? Join us for our Travel and Tourism short course to explore the options that are available to you!

Times: 09.00am - 03.00pm

**\$75 pp includes GST**

The world of barbering is brought to life in this fascinating programme. The students will be introduced to the proper way to choose which barbering tools or equipment to utilize will be taught to the students. Students will get knowledge about the purposes and upkeep of the professional barbering tools. In addition to teaching them various services, treatments, and cuts, this course will expose them to some of the creative approaches used in the industry while simulated real-world barbershop learning. Additionally, instructors' demos will be presented to the students.

9am - 4pm: Fridays Only

\$550 pp includes GST

## TASTERS & COURSES

### Beauty Therapy

#### 1 Day Taster

A day filled with lots of hands on practical fun while students experience being a beauty therapist for a day! Students will learn about nail care and have the opportunity to receive and perform both a manicure and pedicure. Teenage years can be challenging for those who don't understand skincare and everyone wants healthy glowing skin. Students will get to practice facial routines and make a scrub that they can take home to begin their own personalised skincare regime.

#### Topics Covered

Manicure; Nail shape, mask & moisturise | Pedicure; Nail shape, mask & moisturise | Nail polish application  
Customised facials | Facial scrubs | Masks

**\$85 pp includes GST**

*Which includes a nail file and take home products*

*NZQA credits do not pertain to 1 Day STAR courses*

### Makeup Artistry

#### 4 Day Course

Students will be busy from start to finish learning all there is to know about applying flawless foundation, contouring and highlighting, correct blush placement, defined brows and creating the perfect pout. There are lots of tips and tricks for students who want to enhance their natural beauty and build confidence in how they present themselves. All of this takes place in a supportive & fun teaching environment where we recognise that true beauty comes from within.

**\$250 pp plus GST**

UNIT	LEVEL	CREDIT	DESCRIPTION
27644	3	4	Demonstrate knowledge of makeup and design theory

### Beauty Therapy

#### 2 Day Course

Come and join us for 2 amazing days, filled with exciting activities where students will learn about what goes on behind the scenes. You will gain knowledge of how to effectively use the tools and equipment which are used in make-up and skin care services. Make new friends and experience a taste of beauty therapy.

**\$180 pp includes GST**

UNIT	LEVEL	CREDIT	DESCRIPTION
27176	3	2	Describe the micro-organisms in a beauty salon or clinic

## BLOCK COURSE

### Cosmetology: Take your first step

10 week block course with 12 credits

**Unit Standard 27644 | Level 3 | Credits 4**  
**Unit Standard 28946 | Level 3 | Credits 4**  
**Unit Standard 27164 | Level 3 | Credit 4**

For those who wish to learn more about the fascinating field of beauty therapy, this program is perfect. In addition to learning about current fashion trends and the significance of personal presentation at a beauty salon or clinic, students will also dig into the history of beauty therapy in this course. Additionally, students will learn how to apply makeup and skin care tools and equipment efficiently. In addition, they will learn about the many forms, colors, and types of makeup, as well as facial features, facial shapes, and underlying skin tones.

**Unit Standard 27640 | Level 2 | Credits 3**  
**Unit Standard 27639 | Level 2 | Credits 3**  
**Unit Standard 27641 | Level 2 | Credit 3**

In this Level 2 NCEA course, students explore the fascinating world of beauty therapy through the lens of fashion trends and historical influences. They'll gain essential knowledge in anatomy and physiology, enabling them to understand the body's structure and function as it relates to beauty practices. Additionally, students will gain skills in personal presentation, preparing them for a professional environment in beauty salons and clinics.

**9am - 4pm: Fridays Only**

\$500 pp includes GST

## HOLIDAY PROGRAMME

Our STAR school holiday programme gives students five days of campus-life experience at Elite and a chance to explore the world of beauty, while gaining extra credits!

Students gain knowledge and skills in beauty therapy and makeup artistry, along with other elements that contribute towards their future study-pathway and career options.

Our objective is to provide a holiday programme that exposes students to alternate pathways, leading towards higher-education and a smoother transition into the workplace. Some students are more aligned to the beauty industry, others may need additional confidence and soft-skills before going out into the world. This programme can help develop various qualities for both.

Star Holiday Programme students get to have fun with our team at Elite and gain extra Level 2 credits.

\$300 pp includes GST

*Which includes a nail file and take home products*

UNIT	LEVEL	CREDIT	DESCRIPTION
27640	2	3	Demonstrate knowledge of current fashion trends and history related to beauty therapy

**SAVE \$\$\$**
