Connect to Life's

Realest Moments

on Snapchat

Cutting through the clutter during the busiest time of year can be a challenge for brands. On Snapchat, you can be part of friends and family conversations as they start gearing up for the Q4/Q5 Shopping Season. People in Sweden use

Snapchat every month.¹

How to Harness the

Magic of Celebratory

Moments

70%

of consumers in Sweden are interested in using AR to interact with a product before buying.¹

Grab Their Attention with Video Ads

Full-format video not only gets consumers' attention, but keeps it.

Encourage Shopping with AR Try-On

AR allows you to try a product on your body or in your space without going to a store.

Combine Ad Formats for the Best Results

Snap Ads & Sponsored AR Lenses combined deliver increased lowerfunnel metrics.² Capture Maximum Attention at the First Moment

First Story, First Lens, and First Commercial maximize influence when Snapchatters are paying attention.

Snapchatters are

more likely to purchased products advertised.³
