Valentine's

Celebrate it on Snapchat

Celebrations bring joy, spontaneity and positive emotions to our lives and the perfect chance to reconnect with family and friends. Snapchat is the platform where real friends and family connect, share special memories and have fun. That's why special celebrations such as Valentine's Day are the best opportunity for brands to connect with Snapchatters.

Celebrations are always in the works for Snapchatters who value real connections and these moments encourage them to connect and be creative.

81% of Snapchatters say Snapchat is where they share their most meaningful moments when celebrating¹. Therefore, brands need to join the celebration by offering consumers support during the preparation, search for inspiration and purchasing process.

Media Tips

First Lens and First Commercial

— the power couple

Take over Valentine's day with the most powerful couple. First Lens lets you own the first impression of the Snap Lens Carousel for maximum reach and maximum engagement. With First Commercial your ad is guaranteed to be the first non-skippable ad a Snapchatter sees. When combined together, you can achieve up to 96% unduplicated reach⁶.

Lenses for lasting memories

With 210% increase in the number of Snapchatters who shared Lenses on Valentine's Day compared to the prior 14 day average⁷, create your own branded Lens for Snapchatters to have fun with it and share it.

Spread love and wishlists with Dynamic Ads

40% of Snapchatters start planning one month⁸ before the celebration. Promote your entire catalog with Dynamic Ads and use this format to create ads for multiple products with Dynamic Collection Ads. It's the perfect tool to drive online sales ahead of Valentine's Day.

Creative Inspirations

The "Trait" Lens

Inspire Snapchatters to unlock their favorite traits and interests with this Lens. With every smile, a new badge for a new interest appears (ie. music, cooking, plants etc.)

The "Who do you love" Lens

Give Snapchatters the chance to get up close and personal with the people they love with this Lens. Once they swipe, their name will automatically appear and they can insert the name of the person they love right next to it.

Bubbles" Lens

Love will go round and round with this Lens. Snapchatters will be surrounded by animated hearts in 3D and your brand name floating around them. The best part is they get to share it with friends too.
