

## The Running Magnet Kit 3

Recessed Version Spot Modules JA8 Black

### Description

Fun with magnets and light. Simultaneously graphic and subtle, the Running Magnet is flexible, precise, and as creative as you. It is track lighting redesigned and elegantly refined. Light elements snap in place and connect automatically through the magic of magnets. Extruded aluminum housings create a clean 1-3/8-inch slot and preconfigured corners complete the system that can run up, around and across walls and ceilings. Finishes align perfectly, always, because Running Magnet can be easily cut on site (except Suspension Up&Down). Linear LED and accent fixtures, available in a variety of sizes, can be exchanged and repositioned quickly, without tools, with artistic results. The Running Magnet is perfect for retail displays where frequent changes are typical and absolute performance is mandatory.

### Dimensions

KIT\_RM3

### Lamp

System Lamp Type	LED
Color Temperature	2700K, *3000K, *3500K, *4000K (See Notes)
Color Rendering	CRI90
Application	Accent lighting

### Physical

Material	Aluminum
Ingress Protection Rating	IP20
Finishes	14 Black
Installation type	Ceiling Recessed - IC Rated. For Airtight, consult factory
Environment	Indoor

### Certifications

JA8-2019 CA  
TITLE 24  
LISTED

### Photometrics
