Alyne Library Topic Overview

All Control Statements are aligned with a topic in the Alyne Library.

The following overview provides a **description of the scope** of each Library topic.

Alyne Library Topic Overview

38 CONTROL STATEMENTS

Application Governance

Control Statements defining mature practices for governing applications from go live to decommissioning.

5 CONTROL STATEMENTS

Architecture

Control Statements for defining and managing IT architecture and integrating with the organisation's strategic development.

12 CONTROL STATEMENTS

Archiving and Data Retention

Control Statements for retaining physical and digital data in line with functional and legal requirements.

ACCESS MANAGEMENT
