INNOVATION

Reflect Fabrics proudly manufacturers the world's highest grade of retroreflective omni-prismatic fabric in Australia. The superior reflective fabric is a versatile flexible application with an ability to be transformed into products such as high visibility safety tapes, uniform identification, cone collars, roll up signs, lifeboat markings, mining, road & traffic and safety equipment. The fabric was developed to provide greater visibility standards for workers, their equipment and public awareness in all industries such as mining, emergency, civil and utility services, councils, construction and government agencies.

The Reflect Fabrics high performance range of materials and tapes have been designed to withstand all harsh weather conditions typically found throughout Australia, and the world. The reflectivity is equally effective in day, night, rain or when used underground. Reflect Fabrics technology requires no access to maintenance or power. The sustainable product has a long lifespan.

GLOBAL COMPLIANCY

Our extensive range is compliant to the following global and local standards:

AUSTRALIA
AS/NZS 1906.1

Introducing the World's Highest Grade Retroreflective Fabric

Z Series FABRIC RANGE

This heavy duty, high visibility, flexible reflective fabric has been designed to maintain its retroreflectivity at all observation angles during day/night/wet and underground conditions. Tests prove it is the highest grade of reflective fabric in the world.

All reflective fabric can be directly printed on allowing personalisation and long lasting messages as well as corporate branding.

Reflect Fabrics Z Series is available in a range of retroreflective omni brite colours:

PEDESTRIAN & FOOTPATH ROLL UP SIGNS

PEDESTRIAN SAFETY FOOTPATH WORKS

Pedestrian Safety and Footpath works has just become a whole lot easier. Our Roll up styles are suitable for Councils, Traffic Control, Main Roads, Contractors, Communications, Emergency Engineers, Surveyors, Utilities and more

Smarter

Main Roads have updated their approved traffic control signs used within footpath works and pedestrian access areas. These changes will see the use of interchangeable directional signs thus reducing the need for as many signs and stands on public walk way areas.

Safer

Reduce your footpath works risks with our comprehensive range of quick changing roll up reflective signs. Offering Quick change Pedestrian Directional sign.

- Better inform the Public and Pedestrians of safe travel ways
- Reduce the need for many signs and bulky stands

- Compact and quick to set up. Easy to use
- Reduce your valuable storage needs

Signage & Safety

Innovative pedestrian and footpath/sidewalk signs and safety products using flexible reflective for enhanced visibility. Compact easy to use, quick to set up and reduce the need for many cumbersome signs and bulky stands which take up much valuable space in your vans, vehicle and trucks.

Our range of roll up reflective signs provide you with a multi application use to suit your many varied site conditions without compromising MUTCD and AS1906.1-3 laws ensuring you full compliant to current.

GENERAL CONDITIONS OF SALE

All goods supplied by Reflect Fabrics Pty Limited (here in after called "the company") are supplied in accordance with these terms and conditions of sale of sale.

1. These terms and conditions including the terms and conditions overleaf constitute a complete and exclusive statement of the agreements and understandings between the company and purchaser with respect to the subject matter hereof, notwithstanding any conditions to a contrary effect which may be expressed in any of the company's documents and supersedes all prior arrangements written in oral. All additions and modifications to these terms and conditions of sale shall be in writing and shall be signed by both parties and attached hereto as the "schedule". In these conditions "purchaser" is the person, firm or company who or which who is purchasing the goods as subject of the quotations or contract.
2. By acceptance of deliveries made in pursuance of any purchase order placed upon the company, purchaser accepts the terms and conditions contained herein. The company's failure to object to any term or condition contained in any communication from the purchaser shall not be deemed to be a waiver of these terms and conditions.
3. The company warrants that the goods supplied by it as "A" or "First Grade" shall be free from defects in workmanship and materials. The company's sole responsibility under this warranty will be to repair or replace, at the company's option, any goods which fail; because of a defect in workmanship or material or to credit the purchaser's account with the value of any goods which are defective.
4. Subject to any legislation to the contrary, no warranty is given in respect of goods described as "B" or "Seconds" and purchaser shall accept such goods including all defects that may be contained in them.
5. Subject to any legislation-
 - a. Representations and agreements not expressly contained herein shall not be binding upon the company as conditions, warranties or representations.
 - b. All other conditions, warranties and representations in the part of the company whether expressed or implied, hereby expressly navigated and excluded.
 - c. Any advice or information provided by the company in relation to goods sold or manufactured by it or their use under any specific conditions, the life and wear of the goods or their immunity from the possibility of attack by corrosion, pitting, erosion, chemical, electrolytic action or otherwise is given in good faith and is believed by the company to be appropriate and reliable but is given without liability as to the suitability of the goods for any purpose.
 - d. The company shall not be liable for any loss or damage arising from the failure of the goods or from the design or operation therefore for any advice provided in connection there with in.
 - e. The company shall be under no liability to purchaser for any loss (including but not limited to loss of profits and consequential loss) or for damage to persons or property or for death or injury caused by any act or omission (including negligent acts or omissions) of the company, its servants or agents
6. All promises of delivery are made in good faith in light of conditions and circumstances prevailing at the time. The company shall not be liable to the purchaser for any damage, injury or loss (including but not limited to loss of profits or consequential loss) arising out of any delay in or failure to make delivery of the goods
7. Supply of goods is subject to the company's availability schedule. As it may from time to time be impossible to supply any or the exact quantity of goods ordered, the company reserves the right to reject any order, supply a lesser quantity or up to 10% in excess of the goods ordered, to purchaser's account.
8. No orders or any part of any order shall be cancelled or rescheduled except with the prior written consent of the company and upon terms that will indemnify the company against all loss and damage suffered by the company as a result of such cancellation or rescheduling.
9. Purchaser shall accept or reject goods supplied hereunder within 10 days from receipt. If purchaser fails to notify the company in writing of its rejections and the reasons therefore within such time period, purchaser shall be deemed to have accepted the goods.
10. Proof of delivery will not be provided later than one month after statement date. Thereafter all goods will be considered to have been delivered in good order.
11. Returns for any reasons cannot be made-
 - i. Without the prior written authorisation of the company; and
 - ii. Unless accompanied by a delivery docket showing the company's authorisation reference number. The cost of freight for returned goods shall be at purchaser's expense, unless the Company has previously agreed to arrange for the return of the goods by the Company's nominated carriers.
12. All prices are based on process of material and labour rates at the date of quotation. Any variation may be at the Company's option to Purchaser's account.
13. Prices are exclusive of, and Purchaser is responsible for and shall pay, all sales tax, stamp duties and like levies or taxes .
14. The goods are at Purchaser's risk from the occurrence of the first time of any of the following events: -
 - i. the passing of property to purchaser;
 - ii. the physical delivery of the goods to Purchaser or such other person or premises as Purchaser directs; and
 - iii. the physical delivery by the Company to any carrier or any bailee for delivery to Purchaser.
15. Unless otherwise agreed to in writing by the Company, goods are not insured in transit. If Purchaser required cover to be effected on his behalf, full details must be supplied with the order and all resulting charges will be to Purchaser's account.
16. Unless otherwise agreed to in writing by the Company, customised orders will require a 50% deposit and then paid immediately on delivery by Cash, Credit Card, Cheque or Direct Banking. All other orders will be paid immediately upon delivery of goods either via COD, Direct Banking, Credit Card or Cheque. Upon application a 30 day Nett trading account may be provided.
17. Purchaser acknowledges that he is in possession of the goods supplied by the Company solely as bailee for the company until such time as the purchase price thereof has been paid in full to the Company, when title to the goods will pass to the purchaser.
18. If Purchaser fails to pay the purchase price within the period specified in condition 16 or such further period as is agreed between the parties or otherwise breaches any of these conditions or becomes insolvent or takes the benefit of the bankruptcy laws or being a company enters into liquidation (except for the purpose of solvent amalgamation or reconstruction) the Company shall be entitled, without prejudice to any other right hereunder or at law, to enter Purchaser's premises in which the goods are located and repossess the goods, and, for this purpose, Purchaser hereby permits the Company to enter those premises without hindrance or obstruction. If the goods are located other than at the purchaser permits the company to repossess the goods.
19. The contract between the Company and the Purchaser shall be governed by and construed in accordance with the laws of Queensland and by the applicable laws of the Commonwealth of Australia, and the Courts of Queensland shall have non-exclusive jurisdiction to determine any dispute arising under the Contract.
20. The Company will be allowed to inform Credit Reporting Agency any information allowed by the Privacy Act 1988 (Commonwealth).
