

## 2021 REPORT TO THE COMMUNITY

**CS**  
*Calgary Stampede*

**Throughout a 109-year history, the Calgary Stampede has always been a trailblazer. In 2021, we were proud to lead the way as our community celebration took the very first step in the safe return to live events for our city – and our country.**

**2021** was a year of ever-changing circumstances. Many of the achievements of the past year looked different than we might have expected; however, they remained very much aligned with the objectives of our **2020-2025 Strategic Plan**. Stampede volunteers and employees continued to find ways to adapt and maintain momentum in a complicated landscape. With a reduced workforce, and financial challenges, our attention was focused on the priorities that would sustain the Calgary Stampede through another challenging year.

Our primary focus was to put on the best and safest annual celebration possible in 2021. As a result, our community saw many much-needed benefits with thousands of seasonal jobs created and significant positive impacts for our tourism industry partners and local restaurants and businesses. We are so proud of how our team rose to the challenge, and how our community embraced our safety measures, ensuring Stampede Spirit shone brightly in our community through 2021.

When it came to safety, our team went above and beyond what was required. We coordinated with health authorities, government officials, our sponsors and our many valued partners. Together, we built an annual Stampede celebration unlike any other, with the layout of Stampede Park giving people room to roam while still enjoying their favourite experiences like the adrenalin and excitement of the Stampede Rodeo and Evening Show, the cultural experience of Elbow River Camp, the rides and tasty treats of the Midway, and so much more.

If the past couple of years have taught us anything, it's that we can make connections and celebrate with our community in many different ways: from the Calgary Stampede Foundation's youth programs, to the Pop-Up Stampede experiences with our newest Calgarians, to participating in community initiatives such as the United Way's Basic Needs Drive and Field of Crosses. Through those initiatives, we continued to create powerful connections with authentic and entertaining experiences, while preserving and promoting our western heritage, cultures and community spirit.

Beyond the ten days of Stampede 2021, we also saw the safe return of other live events to Stampede Park and the BMO Centre due in large part to the work put together by the Stampede team to achieve the Global Biorisk Advisory Council® (GBAC) STAR™, joining an exclusive group of leaders in the industry. This accreditation program verifies that we have implemented the best practices to prepare for, respond to and recover from outbreaks and pandemics like COVID-19. From marathons, to consumer shows, to country music concerts and major sporting events, we continued to be a safe gathering place for our community in 2021, while participating in the Alberta Government's Restrictions Exemption Program.

We also made significant progress towards the achievement of the Stampede's Strategic Plan outcomes and the creation of a world-class, year-round gathering place for the community. We broke ground on the \$500 million BMO Centre expansion, which will be a hallmark of our changing city, will have a true impact on our skyline and economy, and will act as an anchor in Calgary's new Culture + Entertainment district. We are also progressing toward the opening of the 17th Avenue extension and Victoria Park/Stampede Station rebuild, which will see Stampede Park opened up for direct access from 17th Avenue for the first time in 40 years. Work is also underway on the SAM Centre. When it opens in 2023, SAM will bring to life Calgary's and Southern Alberta's Stampede Story through immersive, interactive and engaging experiences. Stampede Park is changing quickly, and in very exciting ways!

We have many achievements to celebrate as we move forward in 2022; however, we also recognize there will continue to be great challenges ahead. As a not-for-profit organization, and along with our partners in the tourism and hospitality industry, the Stampede continues to face significant financial impacts as a result of the pandemic. We are grateful for the support we have received from our government partners through financial assistance programs as recognized on page 23 of this report.

We rose to the challenge of 2021 and, together with our Stampede family and our community, we will look to 2022 with renewed hope and optimism, and a vision towards the exciting experiences that lie ahead!

Steve McDonough  
President & Chairman of the Board

Joel Cowley  
Chief Executive Officer

## OUR FUTURE TAKING SHAPE

The excitement on Stampede Park builds and construction continues as we work towards creating a world-class, year-round gathering place for our community. 2021 saw many project milestones, including the official ground breaking for our BMO Centre Expansion.

## \$500M BMO Centre Expansion Breaks Ground

The Calgary Stampede, together with our funding partners and Calgary Municipal Land Corporation (CMLC), marked a significant milestone for the BMO Centre expansion on April 29, 2021. Right on schedule, crews broke ground on the new facility on Stampede Park. The \$500M project in Calgary's developing Culture + Entertainment District is supported through equal contributions from the Government of Canada, Government of Alberta and The City of Calgary.

Breaking ground on the BMO Centre Expansion.

The first two phases of construction rolled out smoothly over 24 months prior to the groundbreaking, allowing the project to officially commence. The design team was chosen in Spring 2019 and the facility's transformative design was revealed in June 2020, followed by the construction of Hall F through summer 2020. Crews worked to prepare the site with extensive enabling works and demolition work, readying the convention centre for its 560,000 square foot expansion.

Designed by leading firms Stantec/Populous/S2 Architecture, the building's innovative design will dramatically transform the Calgary skyline. Beyond being significantly larger than the existing BMO Centre, offering double the rentable space, the new facility will reflect, inside and out, today's best practices in convention facility design.

A look at the future of the 17th Avenue entrance to Stampede Park.

## Re-opening a Key Gateway to Stampede Park

It has been 40 years since our community has been able to access Stampede Park directly from 17th Avenue. Once the main entry point to the annual Stampede, it will again open to both pedestrian and vehicle traffic as part of the exciting 17th Avenue extension and Victoria Park/Stampede Station rebuild.

This two-part project is opening up Calgary's Culture + Entertainment District to bring energy and excitement to its very heart, while also delivering a modernized Light Rail Transit (LRT) station with vastly improved accessibility. The first phase of access opened in the fall of 2021, with the pedestrian crossing across MacLeod Trail and into Stampede Park. LRT users can now access the station through an at-grade station crossing. Vehicles will be able to cross into Stampede Park once the extension of 17th Avenue is complete in 2023.

## BMO Centre at Stampede Park – the Build Begins!

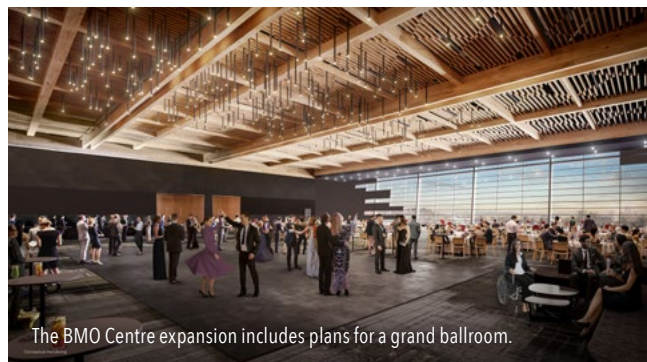

On December 6, 2021, the first structural steel was raised, marking the next phase of the BMO Centre expansion. More than 9,000 metric tonnes of steel will be set into place, reshaping the skyline on Stampede Park, as we work with our partners towards building Calgary's new Culture + Entertainment District, and creating a world-class, year-round gathering place for our community. The expansion continues to remain on-time and on-budget, with the projected completion date of June 2024.

A glimpse at plans for the inside of BMO Centre.

**VIDEO: THE BUILD BEGINS!  
THE BMO CENTRE  
EXPANSION REACHES A  
SIGNIFICANT MILESTONE.**

The BMO Centre expansion includes plans for a grand ballroom.

## Familiar Structures, New Spaces

Two popular structures on Stampede Park made the move to a new home in 2021, as part of the ongoing construction. The Stampede's public art Tipi was installed near the main entrance to Stampede Park in 2012, where 17th Avenue will now enter Stampede Park. It was taken down in the fall of 2021 and reconstructed in ENMAX Park, home to the iconic Elbow River Camp during the annual Stampede.

The historic Quirk Cabin was also moved to ENMAX Park as part of the 17th Avenue Extension project. It now sits just south of Sweetgrass Lodge. Quirk Cabin was built around 1885 by John and Kate Quirk on their ranch near Kew, Alberta. It was restored and donated to the Stampede by Morris A. Shortt in 1986. For many years, the cabin was a meet-and-greet spot for Stampede Royalty. Recently, it has been used by the Historical Committee to tell stories about the Quirk family, as well as highlights in Stampede history.

Quirk Cabin, relocated to ENMAX Park.

The vision of SAM Centre.

## SAM Centre – Building the Future, Celebrating the Past

It is history in the making. Years of planning, preparation and the careful curation of Calgary Stampede stories and artifacts will soon be coming to fruition as the construction of SAM Centre begins. Enabling works on the project began in the late fall of 2021 in preparation for construction to begin in the spring of 2022.

"At SAM Centre, you will be immersed and involved in the ongoing story of Stampede. With interactive exhibits, artifacts, and energizing experiences, the stories of Stampede will come to life for each of us. At SAM, you won't just sit back and listen, you will play an active part in history's greatest living western story—sharing, learning, and having fun," says Angie Gélinas, Director, Stampede Campus.

Named after the father of Calgary entrepreneur and philanthropist Don Taylor, who made a transformational gift of \$15 million towards the project, and supported by the generosity of many philanthropic community members, as well as the Government of Canada (Heritage Canada) and volunteers. SAM will be a gathering place for Calgarians and visitors from around the world.

The public art Tipi in its new location in ENMAX Park.

## **STAMPEDE SPIRIT SHINES BRIGHT**

# 2

In good times, and times of need, our community has always come together. From warm, filling meals cooked up in the Stampede Kitchens, to the ear-to-ear smiles on the faces of children and their families as they enjoyed a unique experience put on by Stampede volunteers, Stampede Spirit shone brightly throughout 2021.

## Stampede Kitchens Cook 100,000 Meals for the Calgary Food Bank

It went from an empty, quiet kitchen, to the hustle and bustle the Calgary Stampede Culinary team knows best. In late April, the team fired up the ovens and grills to participate in a unique community initiative called Solidarity Kitchens, as part of a nation-wide campaign. Organized by Quebec-based La Tablee des Chefs, the Stampede joined forces with other organizations across the country to collectively produce over 500,000 meals for food banks across Canada.

"As a community organization, we are so proud to be able to support those in need through this incredible initiative, while also being provided the opportunity to mobilize our own team back to work," said Derek Dale, Executive Chef, Calgary Stampede.

The meals were made with food donated by producers, processors, and partners of the Canadian food industry. The team in the Stampede kitchens cooked and packaged thousands of meals each day over five weeks to reach their ultimate goal of donating 100,000 meals to the Calgary Food Bank.

The Stampede Culinary team hard at work preparing meals as part of the Solidarity Kitchens initiative.

## Supporting our Community's Most Vulnerable with the United Way Basic Needs Round-Up

The second annual Basic Needs Roundup saw the Calgary Stampede once again partner with the United Way and Women in Need Society (WINS) in support of those most vulnerable in our community.

President & Chairman of the Calgary Stampede Board of Directors, Steve McDonough, joined in a media event to kick off the important initiative at the beginning of June, encouraging Calgarians to donate personal care items and household cleaners. For 2021, a special request also went out for electronics, in an effort to provide greater access to technology to those in need.

At the end of June, members of the Calgary Stampede family, including volunteers and Royalty, helped round-up of all of these much-needed items and get them delivered to our partner agencies for distribution.

Stampede Royalty has a friendly conversation during the United Way Basic Needs Round-Up.

## Pop Up Stampede Returns for Another Year of Special Community Visits

There's nothing quite like having a team of draft horses in your front yard to get you into the Stampede Spirit! Horses big and small were part of the 2021 Pop Up Stampede initiative, the second year for the special program led by the Stampede's Community Projects and Development Committee and in partnership with Immigrant Services Calgary.

Two dozen families new to our community were visited at home and white-hatted in the two weeks leading up to Stampede, giving them a taste of what the Stampede has to offer.

Pop Up Stampede bringing community spirit to new Canadians.

"I think once you bring a bunch of cowboy hats, some music and some horses, you're almost there. You talk about the inclusivity of it, you talk about the fun that people can have and you talk about the community piece," Calgary Stampede Board Member, Maggie Schofield, shared with media at one pop-up visit. "It's really about connecting with the community and people that are coming here from other countries."

A member of the Calgary Stampede Foundation Education team greets guests interested in taking a walking tour.

## Walking Tours Featuring Stampede Trailblazers – and Poop!

Stampede 2021 was all about doing things a little differently, and that included the walking tours hosted by the Calgary Stampede Historical Committee and the Calgary Stampede Foundation Education team. Led by committee volunteers, the tours in 2021 needed to be held only on Park and with much smaller groups.

"Like everybody else, we've had to pivot and design some programs with new safety protocols in mind," explained Dr. Christine Leppard, the Stampede's Historical Specialist.

The tours offered a unique opportunity to see the Stampede through a different lens. The Trailblazers Tour featured tales of the West and the legendary people behind the creation of the Stampede. While less about history and more about fun facts on environmental sustainability, the Poop Tours were a huge hit with both the general public and local media.

## Taking Great Strides with a Unique Stampede Program

When it comes to providing unique and memorable experiences for children with special needs, the Queens' Alumni Committee didn't let a global pandemic slow them down. For this intrepid, dedicated group of women, it was just a matter of changing gears.

With safety front of mind, and in partnership with Lasting Strides Equine Assisted Learning, the committee created a brand new Giddy Up activation, providing personalized outdoor experiences. Traditionally, Queens' Alumni creates and hosts Giddy Up experiences at Stampede Park for hundreds of kids and their families each year. They start with Giddy Up Aggie Days, followed up by a Giddy Up Stampede event, Giddy Up Rodeo, and finally, Giddy Up Christmas. Each of these experiences provides fun interactions with animals and other popular Stampede experiences. With the need for greater safety measures, a new one-on-one experience was created with some familiar aspects, and some brand-new components.

The Giddy Up Strides activation in the summer of 2021 was all about helping children experience horse-assisted activities, regardless of their abilities. From riding through obstacle courses to pony painting, these uniquely tailored activities helped many kids find a new sense of freedom and self. And families who have, at times, felt isolated and forgotten during the pandemic were able to enjoy a wonderful new program in the fresh air and summer sunshine.

# 3

## **BUILDING COMMUNITY CONNECTIONS**

If the past few years have taught us anything, it's that we can make connections and celebrate with our community in many different ways. Whether virtually or in-person, year-round Stampede activities and celebrations in 2021 stayed true to our roots, creating powerful connections through authentic and entertaining experiences, while preserving and promoting our western heritage, cultures and community spirit.

## The 2021 Calgary Stampede Poster – Celebrating Hope, Optimism and Resiliency

With grey skies and snow gently falling, it hardly seemed like a day to inspire hope and optimism for brighter days to come. But thanks to the incredible talents of two young women, the striking image of the 2021 Calgary Stampede Poster was able to do just that when revealed to the public in November, 2020.

"Not only is this a striking image, it tells an extremely important story about the Stampede and our community at this time," said then-First Vice-Chairman of the Calgary Stampede Board of Directors, Steve McDonough. "Together we are weathering a significant storm, and it's important to find the silver linings and optimism in what we are experiencing and I believe Lexi has captured that in her painting."

The powerful work of art was created by 22-year-old Calgarian Lexi Hilderman, winner of the Calgary Stampede Youth Poster Competition. It features a young Fancy Dancer with rainbow ribbons flowing from her regalia, inspired by the image of a young woman named Katari Right Hand from the Siksika First Nation.

"I was drawn to her story and it became important for me to learn about her culture and to understand how she feels when she's dancing," says Hilderman. In developing a relationship with Right Hand and her family, Hilderman learned that she was given the name Nààpiwa otó piim Akikowan (Rainbow Girl) in 2013, following the southern Alberta floods, representing the hope that comes after a storm. Hilderman incorporated this into her design. "I wanted to show her standing strong, looking forward with determination. To me this image is about optimism, and also a representation of youth carrying on their legacy and the legacy of the Calgary Stampede's celebration of the arts, culture and community."

The Calgary Stampede Youth Poster Competition is a unique youth achievement program that provides talented young Albertans with the opportunity to showcase their talent on a world stage. Winning artists of the Calgary Stampede Foundation Youth Poster Competition receive funding from the Dustin Peers Scholarships, generously funded by the Brandon Flock Foundation. As the winning artist for 2021, Lexi Hilderman was awarded a \$10,000 scholarship.

President & Chairman of the Board, Steve McDonough, and 2021 Calgary Stampede Poster artist, Lexi Hilderman unveiling the 2021 poster.

## The Show Must Go On! Youth Programs Continue Through Challenging Times

It's hard to dance when the beat keeps changing, but the Calgary Stampede Foundation's many youth programs didn't miss a step though 2021's constantly evolving circumstances. As gathering restrictions changed, so did programming, with shifts from virtual to in-person, indoors to outdoors, and live performances to digital. Through it all, the enthusiasm and energy of the students, talented young performers and the strong team of teachers and leaders did not waver.

## Stampede School Returns to OH Ranch

There's nothing quite like a field trip to the great outdoors, especially if it means spending the day at the historic OH Ranch in the foothills of the Rocky Mountains. In 2021 educational programming returned to the Ranch, with 10 classes of students in grades 4-6 visiting through the early fall. Students learned about sustainability, ecosystem management, environmental stewardship, Alberta history and culture, and much more during their visit. A unique and engaging learning opportunity, students walk away from the experience developing strong connections to community and understanding their impact on the world around them.

Students explore the OH Ranch.

The Young Canadians safely return to practice.

## 4-H Rodeo Rides Again!

The next generation of rodeo competitors were able to gather once again to grow their skills in the sport as the annual Calgary Stampede 4-H Rodeo returned in September of 2021. The event, led by the Calgary Stampede Rodeo Committee and supported by many rodeo industry professionals, offered a day of hands-on learning, followed by some fun competition and great prizes for the winners. From Breakaway Roping to Barrel Racing, Cow Riding to Goat Tying, the weekend was full of excitement for participants who were happy to be back in the saddle at Stampede Park.

A 4-H Rodeo competitor gets some tips from a volunteer.

Practice makes perfect at the 4-H Rodeo clinics.

## A Safe Return to Live Events

In 2021, our community celebration was the first step in the safe return to live events for our city and our country. We were proud to have set the standard with our own measures, which were above and beyond those required. Most notably, the Stampede was the first in Canada to require proof of vaccination, or a rapid test on site, for entrance to live music venue, Nashville North.

In addition to the industry leading Global Biorisk Advisory Council® (GBAC) STAR™ accreditation for the implementation of the most stringent protocols for cleaning, disinfection and infectious disease prevention in our facilities, the Calgary Stampede participated in the Alberta Government's Restrictions Exemption Program for activities on Stampede Park in 2021.

From the Calgary Comics and Entertainment Expo to the Calgary Marathon, consumer shows to country music concerts and major sporting events, Stampede Park continued to be a safe gathering place for dozens of community events and experiences through the summer and fall of 2021.

## Honouring the National Day for Truth and Reconciliation

The Calgary Stampede is proud of its longstanding relationships with Indigenous peoples and recognized the importance of taking the National Day for Truth and Reconciliation on September 30, 2021, as an opportunity for the Stampede family to reflect, learn and commit to ongoing actions dedicated to reconciliation and inclusion. Stampede volunteers and employees were encouraged to access the many resources available to listen and learn from Indigenous voices.

An opportunity to share First Nations culture and tradition with the community arose late in the year when the local Lions Club needed tipi poles for their annual Festival of Lights display. Volunteers from the First Nations Events Committee lent the event 40 of the tipi poles from the Stampede's Elbow River Camp, while also sharing First Nations culture and tradition.

"Opportunities like this give my family the chance to share our culture and help non-Indigenous peoples understand what it means to set up a tipi, how it's done and why it's done that way, following the ways of our Elders, and the teachings of our grandfathers, and fathers," said Tipi Holder Noran Calf Robe of the Siksika First Nation.

## Xplosive Performances from Calgary Stampede Stock

2021 was a banner year for the Calgary Stampede's bucking horses. Outstanding performances at rodeos across North America throughout the season brought major accolades as the year wrapped up.

The Professional Rodeo Cowboys Association (PRCA) announced the Calgary Stampede as the winner of its 2021 Remuda Awards, recognizing the Stampede's bucking horses as the most consistent and top-performing at their 2021 events, creating the best scoring opportunities for contestants.

"It's a huge honour to receive this award, because it's voted on by the Cowboys competing at all of the PRCA events, and it's been humbling to be recognized directly by the competitors," said Tyler Kraft, Calgary Stampede Ranch Manager and Stock Contractor. "It's been a standout year for us – the horses have performed well, and we've leaned on some younger horses that have really stepped-up and put on a good show."

Stampede's Xplosive Skies was named the Bareback Horse of the Year in the 2021 PRCA Stock of the Year Awards.

"Xplosive Skies is an amazing 11-year-old mare," said Kraft, adding, "She's been a special horse since the day she started competing five years ago. Straight out of the gate, she just bucks."

Closer to home, the Canadian Professional Rodeo Association (CPRA) also honoured a Stampede horse, naming Wild Cherry the Saddle Bronc Horse of the Year for 2021. Tyler Kraft was also selected by the competitors to act as Pick-up Man during the Canadian Finals Rodeo.

With outstanding performances throughout the year, it's no wonder a record number of horses were invited to participate at both the Canadian Finals Rodeo (CFR) in November and National Finals Rodeo (NFR) in December of 2021, with the standout performances continuing at both events.

2021 PRCA Bareback Horse of the Year, Xplosive Skies.

# 4

## **STAMPEDE 2021 – TOGETHER WE RODE AGAIN**

After many months of planning and preparation, we asked our community to ride again – and they did just that with the first, safe return to live events in Canada at the 2021 Calgary Stampede!

## The Greatest Outdoor Show on Earth

The Stampede is known around the world as the Greatest Outdoor Show on Earth. But in 2021, it was put on by Calgarians for Calgarians. Throughout our 109-year history we have been a trailblazer, but never more than in 2021. Our community celebration was the first step in the safe return to live events for our city and our country. We were proud to lead the way, and when it came to safety, we went above and beyond what was required.

Guests enjoying the Midway at the 2021 Calgary Stampede.

The Stampede's success in 2021 was the result of many long months of detailed planning by our incredible team. Our decision to host Stampede was never taken lightly and was made in coordination with health authorities, government officials, our sponsors and our many valued partners. The layout of Stampede Park gave people room to roam while still enjoying all of their favourite experiences, and seating in the Grandstand gave people comfort that they could make their own choices on where to sit to enjoy our iconic experiences.

The superstars of the sport once again lit up the rodeo arena during Stampede 2021, thanks to a modified quarantine program allowing them to safely enter Canada and compete. After an extended absence of competition in Canada, many of the biggest names in the sport made the trip, including a number of World, Canadian and Stampede Champions.

World, Canadian and Stampede Champions rode for the win at the Stampede Rodeo.

2021 Parade Marshal, Katari Right Hand, with 2020 Parade Marshal, Filipe Masetti Leite.

## Coming Out of the Storm Together – the 2021 Stampede Parade

In 2021, the iconic Calgary Stampede Parade looked a bit different, keeping safety top-of-mind during the global pandemic. The Parade route moved to Stampede Park, where floats, marching bands and many mounted riders made their way down the midway. Although there was no in-person attendance, the community was invited to enjoy the 2021 Stampede Parade from the comfort of their living rooms through a special TV and online broadcast.

Leading the Parade as Marshal was Katari Right Hand, a talented young woman from the Siksika First Nation. The 17-year-old Fancy Dancer, whose Blackfoot name is Nààpiwa otó piim Akikowan – Rainbow Girl – was featured on the 2021 Stampede poster. She was joined by Lexi Hilderman, the 22-year old artist who created the 2021 Stampede poster, as well as 2020 Parade Marshal, Filipe Masetti Leite.

The 2021 Stampede Parade also welcomed a special group of honorary Parade Marshals – a group of frontline workers, celebrating those who have given so much to our community throughout the pandemic.

A new layout offered more room to roam on the Midway.

Live music safely returns to Nashville North.

## Bringing Back Live Music – Two Ways to Two-Step at Nashville North

In 2021 music once again filled Nashville North and so did our community, thanks to a groundbreaking safety program we called Two Ways to Two-Step. The Stampede became the first major event in Canada to require guests to show proof of vaccination or complete an onsite rapid test for COVID-19 in order to enter the venue. More than 60,000 guests did just that over the 10 days of Stampede, then safely danced the night away to live country music.

A new look for the venue, with open sides to allow greater airflow, added to the safety measures in place. In addition, digital queueing was introduced in an effort to prevent long lineups. All of these measures contributed to a great experience inside. With nearly 40 artists performing, 2021 had the biggest lineup in the venue's history, featuring a unique all-Canadian lineup.

## An Invitation to Celebrate with Our Community

The Calgary Stampede was proud to recognize those who have been on our front lines since the beginning of the pandemic. We tipped our hats and said thank you, offering free admission to frontline workers and three guests for the first five days of our 2021 festival. The offer was warmly received, with thousands taking the opportunity to relax and have some fun at Stampede Park.

In honour of the high school and post-secondary graduating classes of 2020 and 2021 who likely didn't have the grad celebrations they were hoping for, we invited grads to commemorate their accomplishments with their friends and family at the Calgary Stampede. Grads and their guests were offered free admission for the final five days of the 2021 Stampede, to celebrate this important and exciting time in their lives at The Greatest Outdoor Show on Earth.

As a final thank you to our community for riding by our side, free admission to Stampede Park was offered on Sunday, July 18. It was an incredible opportunity to celebrate the return to live events together, and we were humbled and grateful for the support we received from our community.

## Fireworks Spectacular

The Calgary Stampede was proud to celebrate the resilience and determination of our great province through a province-wide firework display on Friday, July 9, 2021. The Fireworks Spectacular presented by Bell, took place in Lethbridge, Red Deer, Edmonton and Calgary, where we invited all Albertans to join together in celebration as we lit up the night sky in recognition of our shared goals, and how we came together as a community through the challenges of 2020 and 2021.

This incredible display was a must-see, as the largest and most sophisticated firework event produced in Canada in 2021. Each city experienced the display in coordination with the fireworks at the Calgary Stampede Evening Show performance, to a synchronized musical soundtrack.

The Fireworks Spectacular, presented by Bell, lights up the night sky.

Broncs after Dark featured new and exciting elements never seen before in the Stampede Grandstand.

## A New Look to Our Iconic Evening Show

2021 was all about doing things a little bit differently, and that included the iconic Evening Show performance. With the pandemic impacting the spring Chuckwagon racing season, and with safety front of mind, the Rangeland Derby was paused for 2021. In its place, a brand-new element was introduced to the Evening Show. Kicking off the evening, Broncs after Dark showcased the grit and glamour of the western world with high-adrenalin competitions and performances never before experienced in the Stampede Grandstand. Joining the popular Relay Races, Broncs after Dark featured the high-powered horses of Pickup Racing, Ranch Bronc Riding and much more.

Evening Show audiences experience the speed and grit of Pickup Racing.

The excitement and energy of the Evening Show didn't end there. Headliner musical performances from Terri Clark and High Valley led into the excitement of the Bell Grandstand Show, where the Calgary Stampede's Young Canadians took the audience through an evening of musical performances, sensational stunts, and jaw-dropping pyrotechnics, complete with a finale of fireworks.

## Recognition for a Safe Return to Live Events

The first major in-person event in Canada, the first rodeo, the first live music. The 2021 Calgary Stampede celebrated many firsts and led the way to the safe return to live events.

Inspired by the work of Calgary Stampede volunteers and employees, Ontario's 158-year-old Carp fair proudly held its 2021 community celebration in the fall of 2021, inviting President & Chairman of the Board, Steve McDonough to join in. Known as the Best Little Fair In Canada, the Carp Fair celebrated Stampede by asking McDonough to cut the ribbon to open the fair.

President & Chairman of the Board, Steve McDonough participating in the annual Carp Fair.

## A Heartfelt Thank You to Our Community

We tip our hats to everyone who took steps to walk forward with us in 2021. To the sponsors who stood by our side. To the volunteers and employees who stood tall. To the athletes, entertainers, and participants who showed up and showed us the way. And to our community, our city. We couldn't have taken these steps without you walking with us, side by side.

Our measure of success in 2021 was in smiles and laughter – and in great memories made with family and friends. Success was also local businesses getting a much-needed boost, and our economy a kickstart. No matter how you measure it – Stampede 2021 was a success.

# 5

## AWARDS & ACCOMPLISHMENTS

The Calgary Stampede is an organization that is committed to delivering world-class, year-round experiences through strong engagement, inclusivity, trust and professionalism. We foster partnerships, support community initiatives and create exceptional experiences for our guests. In 2021, the Calgary Stampede was celebrated for its achievements by our industry peers through the following awards:

## Profession Rodeo Cowboys Association (PRCA)

The Calgary Stampede was the highest paying rodeo in the 2021 PRCA rodeo season, with over \$1.5M going to the best rodeo contestants in the world. Our Stampede bucking stock was spectacular in Calgary and at rodeos across North America in 2021, earning high honours at the annual PRCA Awards at the end of the year.

### Polaris Remuda Award

This award recognized Stampede bucking horses as the most consistent and top-performing at 2021 PRCA rodeo events, creating the best scoring opportunities for contestants.

Accepting the PRCA Remuda Award in Las Vegas.

### Pendleton Whisky Let 'Er Buck Bareback Horse of the Year Award

Eleven-year-old Stampede mare Xplosive Skies was selected by the top competitors in the sport as the PRCA Bareback Horse of the Year in 2021, an incredible recognition of her skill and athletic abilities.

### National Finals Rodeo

Saddle Bronc Round Win:

- Round 3 – Yesterday's Delivery, with a record breaking 91 points.

## Canadian Professional Rodeo Association (CPRA)

It was a quiet year on the Canadian Professional Rodeo circuit, but when they were able to participate, Calgary Stampede horses showed the crowds and the competitors that they were Born to Buck!

### Canadian Saddle Bronc Horse of the Year Award

Twelve-year-old Stampede gelding Wild Cherry showcased his strength and skill with some massive rides in 2021, earning the honour of top Canadian Saddle Bronc Horse of the year.

### Canadian Finals Rodeo (CFR)

Top Saddle Bronc Horse of the CFR – Wild Cherry

Top Bareback of the CFR – Agent Lynx

Top Stock/High Score winners were:

### Bareback Riding

- Round 4 – Xavier Joan
- Round 5 – Xplosive Skies

### Saddle Bronc

- Round 2 – Zoria Hills
- Round 3 – Wild Cherry
- Round 4 – Redon Acres
- Round 6 – Stampede Warrior

## International Live Events Association (ILEA) Esprit Award – Best ILEA Team Effort

The Calgary Stampede was recognized in 2021 as part of the team that produced the successful Drive Thru Grad 2020 YYC. The collaborative joint venture involved a group of event industry professionals, businesses and venues rallying together to celebrate the Class of 2020 through a safe, physically distanced outdoor experience for students, their families, and teachers.

Celebrating Drive Thru Graduation at Stampede Park.

# 6

## CALGARY STAMPEDE PARTNERS

In 2021, the Calgary Stampede's safe return to live events was not something we could have achieved alone. With the support of our many valued partners, our community celebration once again came to life with all of the excitement and vibrancy the Stampede is known for. Thank you to those who rode with us.

## A Special Thank You to our Government Partners

### The City of Calgary

The City of Calgary is a long-time partner of the Calgary Stampede. Along with providing our 100-year lease and support for our credit facilities, collaboration enables outreach into the community to enhance and support civic activities through the year. Various initiatives at Stampede Park and beyond engage citizens and guests, contributing to the cultural, social and economic well-being of the greater community.

The City is providing one third of the funding for the expansion of the BMO Centre, which moved forward to complete phase two and began the final phase to become the largest convention facility in Western Canada.

### The Government of Alberta

The Government of Alberta, through Alberta Culture and Status of Women, supported several Stampede programs and facilities through an operating grant of \$6.055 million. These funds provided opportunities for youth to learn about Indigenous culture and sustainability through programs like Stampede School and Journey 2050 and to develop performing arts skills to showcase on stage for 10 evenings. The investment enabled 2,500 volunteers to contribute their time and talent toward community spirit and executing a safe Stampede, while \$250,000 was specifically directed to enhance guest experience by replacing the primary power line to the Grandstand along with repairing and replacing the roof on Level 5 of this key public asset. In addition, the Stabilize Program supported the planning for a rodeo with international competitors and the Small and Medium Enterprise Relaunch Grant aided in reopening within restrictions of the pandemic.

The Province is a one-third funding partner of the BMO Centre Expansion Project. Construction continued with phase three starting in April, on schedule, to double the capacity to host international conventions in 2024.

### The Government of Canada

The Government of Canada provided support through the COVID-19 pandemic with income and wage subsidy relief. The Calgary Stampede appreciates this support, which helped sustain employment opportunities to deliver Stampede 2021, and the Canada Alberta Job Grant (CAJG) contribution of \$33,105 to enable additional employment opportunities during the year. The 2021 Canada Alberta Livestock Feed Assistance Initiative supported the OH and Stampede ranches with \$26,090 of relief due to drought.

The contribution by Infrastructure Canada of matching one third of the funds to the \$500 million expansion of the BMO Centre enabled construction of the primary build to commence, and the main steel frame began rising upward in Q4 of 2021.

## 2021 Partners

Thank you to our partners and sponsors who are passionate about community and share our vision of delivering year-round, world-class experiences.

## Calgary Stampede Foundation Donors

The Calgary Stampede Foundation is honoured to be working together with our donors, supporters and friends to contribute to a generation of strong youth who possess the skills, confidence and vision needed to make a stronger community.

Our 1912 Society donors are devoted philanthropists who annually support the Foundation's education and performing arts programs. Together they are building a strong and long-standing future for the Calgary Stampede.

## **CALGARY STAMPEDE FAMILY**

The Calgary Stampede family is made up of more than 2,500 passionate volunteers and more than 1,000 year-round employees, all of whom go above and beyond to promote western values and create exceptional experiences for everyone.

The Calgary Stampede is governed by a volunteer Board of Directors that determines the strategic direction of the organization towards the vision of creating a world-class, year-round gathering place.

## Calgary Stampede Royalty

As ambassadors of the Calgary Stampede, Stampede Royalty embodies Western and Indigenous cultures, hospitality, integrity, and unwavering commitment to community at the many events they attend each year.

In 2021, the Stampede was honoured to have three members of our 2020 Royalty return for this incredibly unique time in Stampede history. Calgary Stampede First Nations Princess Falon Manywounds, Calgary Stampede Queen Kelcey Moore and Calgary Stampede Princess Janelle MacKenzie were remarkable ambassadors for the Stampede and the city of Calgary throughout Stampede 2021.
