SYNAPTYX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

We didn’t plan to do this...

We’re not a product company

We don’t sell platforms

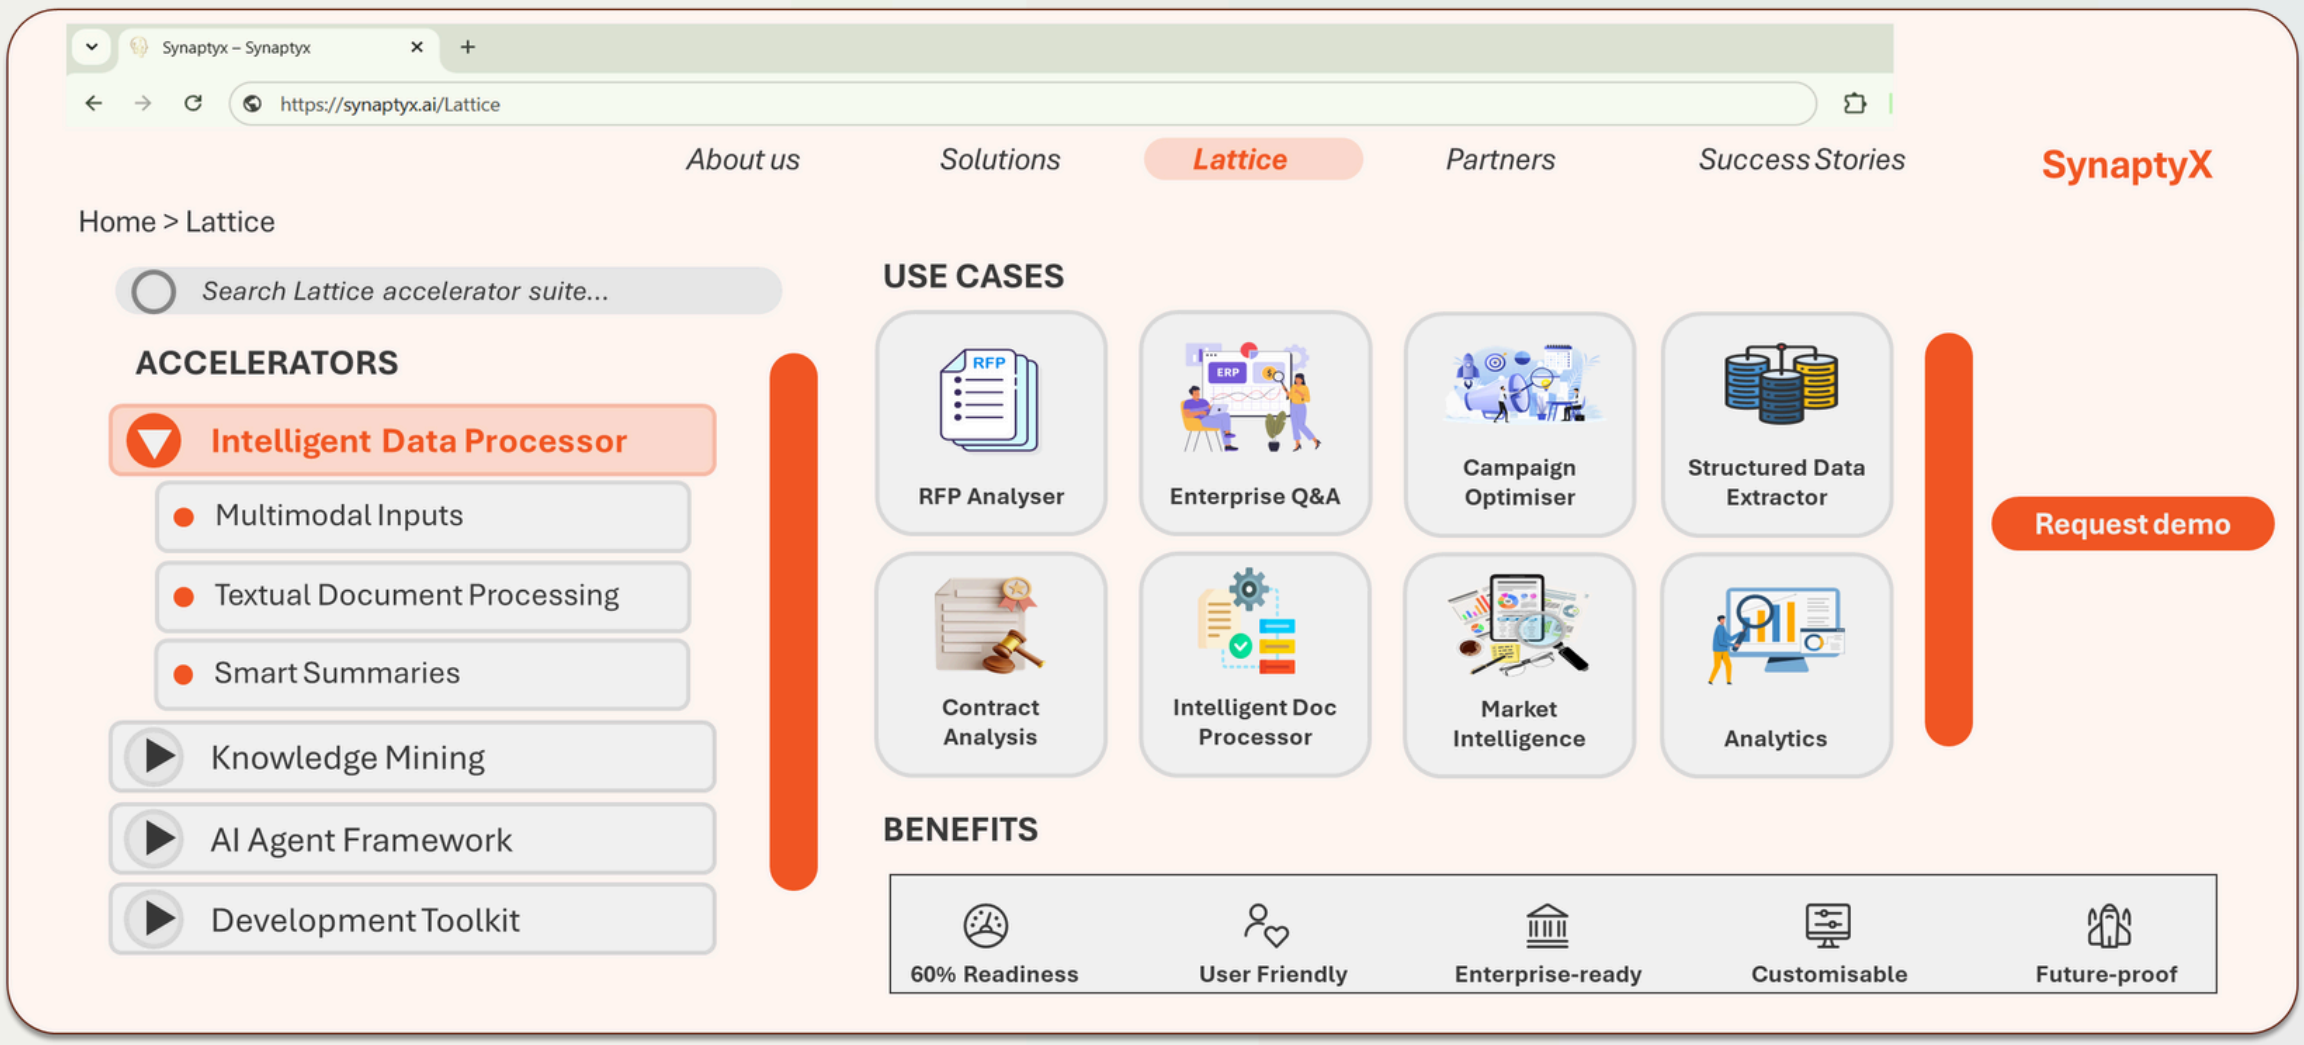
*We deliver **enterprise AI solutions** that actually work*

*On our journey, we've **built** a fair few **useful utilities**...*

SYNAPTYX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

They exist happily in our home -
The SynaptyX Lattice



Months of client work

Late nights. Too many ideas

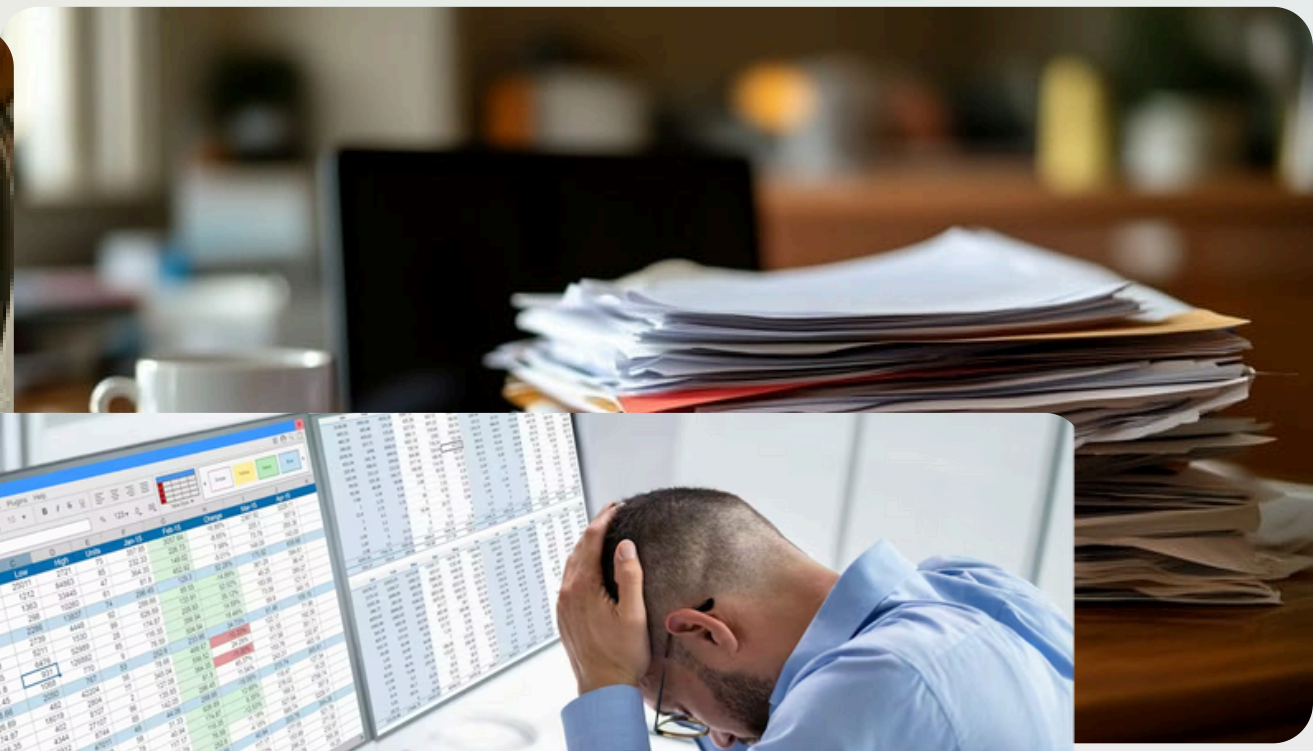
Lots of problems needing many solutions...

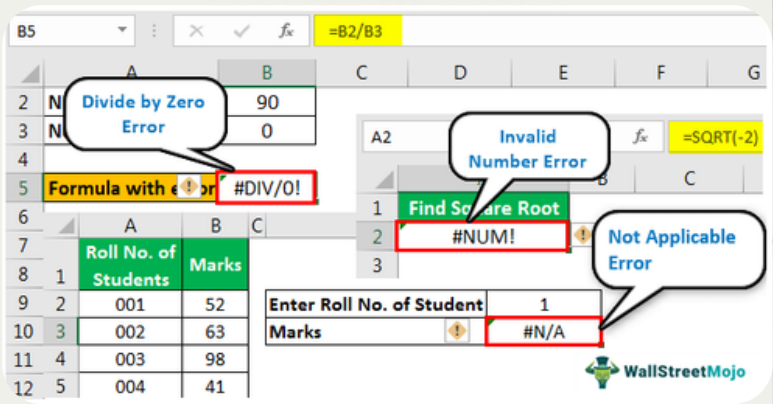
And out of it came Lattice- a suite of Agentic AI accelerators

SYNAPTYX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

For the everyday chaos





Sorting through endless AI-written CVs?

We've been there....and we've fixed it

Extracting data from PDFs that belong in a museum?

Copy-pasting your life away?

We've fixed that too!

SYNAPTYX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

Because someone had to

We just got tired of seeing smart people doing boring work

*So, whilst we were implementing **enterprise solutions**-*

*we **built a few AI-elves**..your friendly 24x7 sidekicks*

We're confident you'll like them 😊
