At Dalarö Skans, we offer two wedding packages: Bespoke and Michelin. Both serve as the foundation for a unique, tailor made experience created to reflect your personal vision.

As ceremonies can be held at Dalarö Skans at an additional cost, we cannot guarantee suitable weather conditions. Therefore, we primarily recommend holding the ceremony at a nearby location such as Dalarö Church, situated just five minutes away by boat.

We also recommend hiring a professional wedding coordinator to assist with planning and ensure a smooth process throughout.

The wedding reception takes place in The Glass House, a stunning venue with panoramic views of the archipelago. The space can be customised to accommodate between 60 and 120 guests, and can be extended to host up to 160 guests at an additional cost.

After dinner, the festivities continue in The Club, beautifully located beneath the historic keep.
