President

“When the downhill feels like uphill”  
Emerging from the pandemic and reestablishing our  
services

# ACIPC

I'll begin the meeting by acknowledging the Traditional Custodians of the lands on which we meet today, and pay our respects to Elders past and present. I extend that respect to any Aboriginal, Torres Strait Islander and Māori peoples here today. Today I am coming to you from the traditional lands of the Whadjuk people of Noongar Boodjar.

# What's your why?

# Remember your why
