# DRACULA

By **Bram Stoker**

Adapted for the Stage by **Nick Lane**

The time is 1897. Mankind is on the cusp of vast technological change, scientific mastery and media innovation. But poised between traditional beliefs, the threat of the unknown and the shock of the new world, an altogether darker fear is emerging. As a new shadow looms large over England, a small group of young men and women, led by Professor Van Helsing, are plunged into an epic struggle for survival.

Stretching from London, through provincial England, to the mountainous wastes of Transylvania, Bram Stoker's timeless gothic thriller embodies the struggle to break taboos, resist temptation and stop the unknown outside becoming the enemy within.

Adapted by Nick Lane, this brilliant, theatrical treatment of Bram Stoker's adventure blends Victorian Gothic with the contemporary, showcasing Blackeyed Theatre's trademark ensemble performance style and featuring a haunting soundscape, powerful performances and innovative design for an exhilarating theatrical experience.
