

FAST PHONICS

Decodable Books Catalog

Decodable Books: The Key to Reading Success! Access more than 450 decodable books!

The science of reading research shows that decodable books are essential to early reading success. Decodable readers build early confidence in the learn-to-read journey. These books will work for your individual classroom, **no matter the phonics program your school uses**. All the books are phonically decodable!

This catalog shows you the **hundreds of quality decodable books** available in the Phonics section of the **Reading Eggspress Library**. The catalog details the specific letter-sound correspondence focus so you can quickly find books at the right level.

Fast Phonics is an online synthetic phonics program that helps children become strong readers.

Based on solid scientific research, **Fast Phonics** uses the proven power of systematic phonics instruction to boost reading skills fast!

The program includes 20 fun filled levels where children learn key phonics skills including **letter sound recognition, blending, and spelling**.

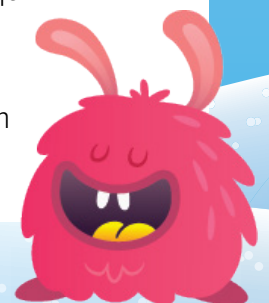

What teachers get

- ❄ Full online systematic phonics program
- ❄ Weekly teaching guides — teaching notes, flashcards, tricky word guidance
- ❄ Slides to support in-class teaching
- ❄ Over 450 assignable decodable phonics readers
- ❄ Actionable reporting data
- ❄ Printable certificates

What students get

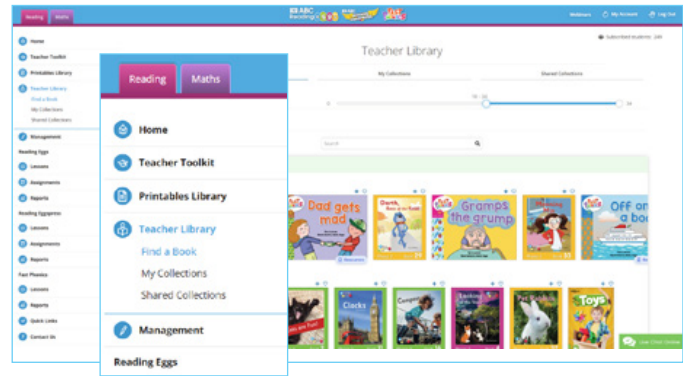

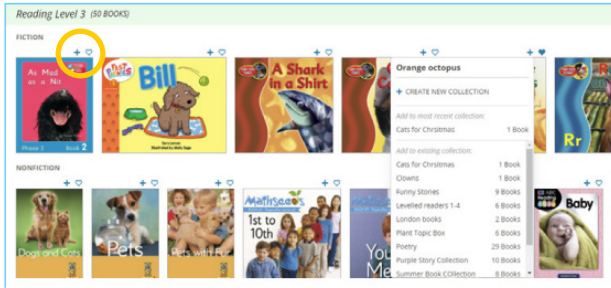

- 20 peaks (levels) that include:
- ❄ Animated learning videos that teach and reinforce phonics instruction
 - ❄ Hundreds of interactive activities
 - ❄ Decodable books with a quiz
 - ❄ Built-in assessment tools
 - ❄ Progress tracker and motivating rewards system

Using Your Teacher Library

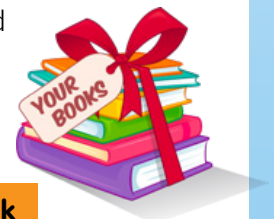

Create **decodable book box sets** for independent reading tailored to individual student's needs.

Create a collection that suits an individual student's letters and sounds knowledge. Choose the addition sign to add books to one of your collections.

View books in your Teacher Library.

When a student enters the library, they will see a new pile of books on the desk, labelled *Your Books*. Children can read and re-read books in-class or at home to consolidate decoding skills.
