WELCOME

On behalf of IMG Academy, I would like to thank you for your participation in the IMG Academy International Tennis Championship and welcome you all to Bradenton, FL.

Each year, thousands of junior players compete around the globe, earning rankings points toward their UTR trying to earn a place in the main draw and qualification rounds of this event. You should be proud of your achievement and know that you are joined by some of the finest tennis players from around the world in this year's event.

IMG Academy is proud to host the IMG Academy International Tennis Championship each year, welcoming the largest and most diverse group of players in the world for a single tennis event. After more than 40 years of tennis, no other program in the world has won as many titles, developed as many World No. 1 ranked players, generated as many college scholarships, or developed as many pro players as IMG Academy.

The success of our program is built on a foundation of instilling positive habits, developing responsibility, and empowering ownership, inevitably leading to continuous growth and improvement as a student-athlete and beyond. Hosting the IMG Academy International Tennis Championship, in addition to the relationships with our event sponsors, Dunlop, Gatorade, and Therabody, is yet another opportunity to support a championship that promotes many of the virtues that we believe in at IMG Academy.

We are excited for this year's tournament and are looking forward to watching and meeting you and your family this week. We would like to wish you the very best of luck, and, more importantly, we hope that you enjoy and learn from this experience.

We sincerely thank you and your family for your support.

Jimmy Arias
Director of Player Development, IMG Academy

DUNLOP®

THE OFFICIAL BALL OF THE IMG ACADEMY INTERNATIONAL TENNIS CHAMPIONSHIP

Stringers will be available on-site throughout the tournament in the Dunlop Innovation Center.

DUNLOP

OFFICIAL RACQUET, BALL & TENNIS ACCESSORY PARTNER OF IMG ACADEMY

IMG Academy and Dunlop have partnered together to provide student-athletes with the most optimal training and development experience available in today's game. Our student-athletes utilize the same quality of hard and clay court balls as the professional tours. Dunlop's on-campus Innovation Center also provides players with access to the newest equipment and accessories and offers stringing services as well. IMG Academy is a primary location for the testing of all current and future Dunlop products, so athletes have the opportunity to utilize cutting-edge technology and equipment right from campus.
