ELEVATOR CERT.pdf

Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.

The certificate below is designed to be cut out and displayed in a 5" x 7" frame.

Executive Director

Posting Requirements

For elevators, the certificate must be posted inside the car, or outside the car in the elevator lobby within 10 feet of the call button. Alternately, the certificate can be displayed in another area that is open to the public, but a plaque or notice indicating the location of the certificate must be posted in the elevator car or lobby. The letters on the notice must be at least 18-point font size. The notice must also state that the elevator is regulated by the Texas Department of Licensing and Regulation and list the Department's phone number, 800-803-9202, along with the building management's phone number. For escalators, the Certificate of Compliance must be posted in the escalator box. For other related equipment such as chairlifts or platform lifts, the certificate must be posted on the box containing the control circuitry.
