

**BE FUTURE
READY**

**WOMEN ARE ESSENTIAL
to the growth of our workforce**

**Women will make up
an estimated 51% of the total
workforce growth
between 2008 & 2018**

**Currently, only 24% of STEM
workers are women**

@NAFCareerAcads

**Between 2012 & 2022
there will be 9 million
new science, technology,
engineering & math jobs**
