

# Rocking Aphasia - 2023

June is Aphasia Awareness month

Help raise awareness of Aphasia this year by joining in with the #Rocking Aphasia campaign.

It's really easy to get involved

## #Rocking Aphasia

Paint a pebble for aphasia

Write #RockingAphasia on it

Hide it somewhere

Take a photo

Post on social media  
Use #RockingAphasia

To be found by the curious

# Here are some ideas on how to join in:

In the garden

On holiday

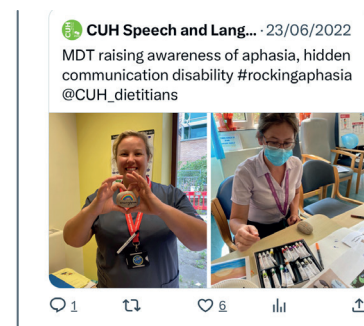

At a conference

At the tennis!

As a group activity

With your MDT

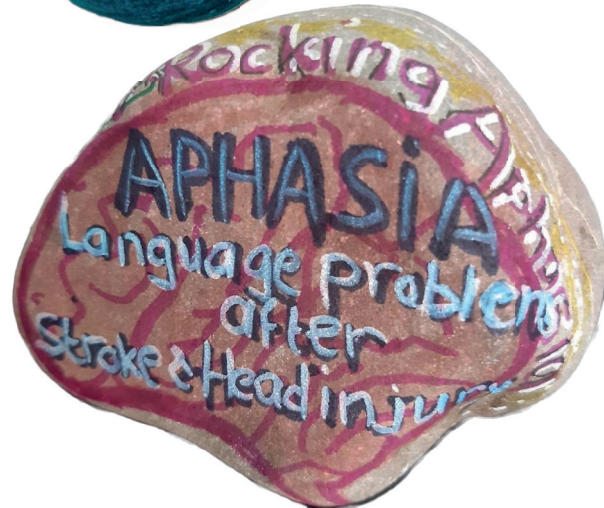

Fun during lunch break

With family and friends

Set up a table where with pebbles and pens and invite others to join in - great for activity for stroke units, S/LT teams, students or just to do on your own!

Imagine if you suddenly couldn't communicate... That's aphasia.

A yellow rock with handwritten text in black marker. The text reads: #ROCKINGAPHASIA! Take me and hide me elsewhere! Spread awareness! Thank you. The rock is decorated with blue and green paint at the bottom, resembling a landscape.

Post your rocks on social media (using #rockingaphasia) and the team at #Rocking Aphasia will keep track of your rocks and add them to our **interactive map**.

This is the location of all the rocks that helped create a little awareness for aphasia last year:
