ICG meeting 28 APRIL

- ③ MP's detail → home address, regular travel, * security claims - ~~same~~ similar to disability.

- pub scheme : to justify publishing precise salaries.
- pub of claims. ②. could be tricky - need to justify public interest - but with fairness + not identity disclosure. need to minimize info.

model pub scheme:

see attached - FEI good practice learn
monitoring process - based on website.

* turnaround time for correct info. - what is it?

publication of claims:

- they were security concerns, campaign to release everything but stated locations

review & do we publish even claim when MP has made an admin error?

- make sure that we publish details on suppliers
- use guidance for publication
- make sure even suppliers are aware their details will be published - + security concerns
