- addresses

To win confidence, more info than less.

[REDACTED] do liaison also with the investigation teams.
He agreed this will have to be a priority.

PM - the info prob not necessarily a starting point -
but a reference point

& check the ICO's Guide to information.

[REDACTED] expects a cut off.

Examples of public sector doing well? Check with Syden.

If we get scheme off the ground well, then ICO won't
have much contact other than compliance

Data Protection - info on website
can act as first point of contact.
