Vending Issues? Who Do You Call...

If you have a lottery vending machine, please remember:

Customers with cashless transaction problems must call the Cashless Helpline (866) 752-9986 (power outage, etc.) to get the issue resolved. The number will print at the bottom on a refund receipt and is on the Lottery vending machine near the card reader, and on the provided "How To" brochures. Neither the retailer helpline nor the Lottery can help the player, it must be reported, researched and credited back by the merchant processor.

Cash transactions are handled by you. Call the Retailer Helpline (888-987-5297) if the VeriFone unit or vending machine is not working (blank screen, persistent communication error, etc.). This number is inside the machine on the door and on the Lottery printer.
