ISSUED-CONFIRMED-SETTLED WHATS IT MEAN?

When a pack of tickets comes to your store it comes in an ISSUED status and shows that the packs were shipped to you. You should immediately review the manifest and packs of tickets to identify your order is correct when you receive them. Once the packs are verified, you need to CONFIRM the shipment and all the ticket pack(s) will confirm as well. This moves that ticket pack in our accounting to a CONFIRMED status.

If you receive an order and it does not match the manifest, you should contact your Tel-Sel or Lottery sales representative immediately before confirming that order to assure you are not held liable for any missing pack from that order. Packs must be then ACTIVATED just before selling, as that begins the accounting side and will move to a SETTLED status 21 days later. It is very important that you review and CONFIRM all new ticket deliveries as soon as possible.

FIND YOUR STORE and Win!

Each month as you review the Lottery Game Menu, be on the lookout for your store's ID number! We will list three (3) different location ID numbers randomly in the game menu each month for you to find. It is a hidden object game built right in.

If you find your store's ID number in the current month's game menu, email jmclure@wvlottery.com with the subject line HIDDEN FIGURES to receive a pack of promotional scratch-off tickets for your location.

Please note some locations are exempt from participation because of your company's policies. Prize may only be claimed through the end of the Game Menu month in which the Retailer ID is found. The Retailer numbers listed in the Top Instant, Top Online and Top Overall reporting are not included in the hidden object game, as they are for reporting purposes only.

RED BAGS = IMPORTANT!!!

WHY ARE RED BAGS IMPORTANT? New game shipments coming to your location are indicated in either a red bag or with red tape to get your attention. This is so you will identify them quickly, get them activated and loaded into your dispensers or machine. The faster your new games are CONFIRMED, activated, and out to sell, the faster you benefit from the games and make customers happy! So look for the red bag or red taped box each month at your location.
