

One card per team – print on one side only.

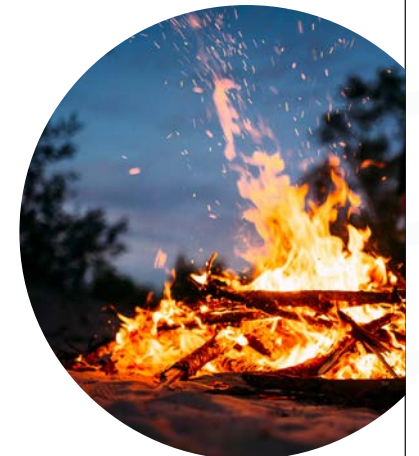

### Team 1

- Pupil #1** – Explain that your team went to visit an urban green space and found some rubbish that other people left after a picnic.
- Pupil #2** – Describe how this made you feel (heart).
- Pupil #3** – Use your understanding of the Countryside Code to explain why this rubbish could cause a problem (head).
- Pupil #4** – Consider what action your team should take (hands).

### Team 2

- Pupil #1** – Explain that your team went on a trip to a nature reserve and found a campfire that another group had left burning.
- Pupil #2** – Describe how this made you feel (heart).
- Pupil #3** – Use your understanding of the Countryside Code to explain why this fire could cause a problem (head).
- Pupil #4** – Consider what action your team should take (hands).

One card per team – print on one side only.

### Team 3

**Pupil #1** – Explain that your team went on a trip to the woods and saw some people breaking branches off trees to make a den.

**Pupil #2** – Describe how this made you feel (heart).

**Pupil #3** – Use your understanding of the Countryside Code to explain why this could cause a problem (head).

**Pupil #4** – Consider what action your team should take (hands).

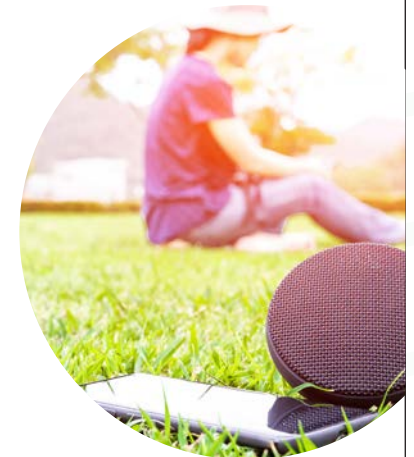

### Team 4

**Pupil #1** – Explain that your team went on a trip to a country park and heard a group of teenagers playing thrash metal music on high volume.

**Pupil #2** – Describe how this made you feel (heart).

**Pupil #3** – Use your understanding of the Countryside Code to explain why playing loud music could cause a problem (head).

**Pupil #4** – Consider what action your team should take (hands).

One card per team – print on one side only.

### Team 5

- Pupil #1** – Explain that your team went on a trip to a nature reserve and had to step over someone sitting on a narrow path.
- Pupil #2** – Describe how this made you feel (heart).
- Pupil #3** – Use your understanding of the Countryside Code to explain why sitting on the path could cause a problem (head).
- Pupil #4** – Consider what action your team should take (hands).

### Team 6

- Pupil #1** – Explain that your team went on a trip to the countryside and saw another visitor picking wildflowers in the meadow.
- Pupil #2** – Describe how this made you feel (heart).
- Pupil #3** – Use your understanding of the Countryside Code to explain why picking the flowers could cause a problem (head).
- Pupil #4** – Consider what action your team should take (hands).

One card per team – print on one side only.

### Team 7

**Pupil #1** – Explain that your team went to visit a farm and saw another visitor letting their dog off the lead near livestock.

**Pupil #2** – Describe how this made you feel (heart).

**Pupil #3** – Use your understanding of the Countryside Code to explain why letting a dog off the lead could cause a problem (head).

**Pupil #4** – Consider what action your team should take (hands).

### Team 8

**Pupil #1** – Explain that your team went on a trip to a national park and saw another visitor being carried away by mountain rescue. Apparently they had been scrambling up a cliff and were off the path.

**Pupil #2** – Describe how this made you feel (heart).

**Pupil #3** – Use your understanding of the Countryside Code to explain why this action could cause a problem (head).

**Pupil #4** – Consider what action your team should take (hands).
