

HYPERMOTARD

Model Year 2013

HYPERMOTARD

Chassis prefix:

Cylinder capacity: 821

018000013

SPARE PARTS CATALOGUE

en-US

The present spare parts order exactly the right spare parts.

When ordering specify:

1. the part's code number followed by its description and quantity needed;
2. the motorcycle's serial number, stamped on the steering head.

Reference to right and left apply to the vehicle in terms of its direction of movement.

Spare parts drawings are general and do not represent the part.

The contents of this catalogue are general and can undergo changes without prior notice.

This technical diagram illustrates the exploded view of a 4-cylinder engine assembly. The main components shown include the cylinder block, four pistons with connecting rods, two timing gears, a timing belt, and various ancillary parts like the timing cover and belt tensioner. The parts are numbered 1 through 18. Dashed lines indicate the assembly sequence and alignment of the components. The diagram is presented in a clean, black-and-white line-art style.
