Enabling flexible workspaces with Webex Room Kits

webex
by CISCO

The workplace as we knew it before the pandemic is changing for good.

With 98% of meetings expected to include remote participants and offices turning into pervasive spaces for collaboration, the time is now to rethink your workplace strategy.

webex by CISCO

Solving the workplace conundrum

96%

want to improve their work environments with intelligent workplace technology.[1]

1. Survey Insight: Meeting Room Video Conferencing Trends, Drivers and COVID-19, Wainhouse Research, Q2 2020.

88%

of knowledge workers are frustrated with in-office experiences.[1]

71%

of IT decision-makers with active video deployments indicated video-enabling more meeting rooms would be a top priority post-pandemic.[2]

2. The Rise of the Hybrid Workplace: A Global Survey of Executives, Employee Experience Experts, and Knowledge Workers, October 2020.
