GORDON'S DIVING HELMET

Try on Gordon's diving helmet, just remember to leave the underwater rescues to him!

EQUIPMENT:

1. White card or paper
2. Scissors
3. Glue
4. Hole punch
5. String

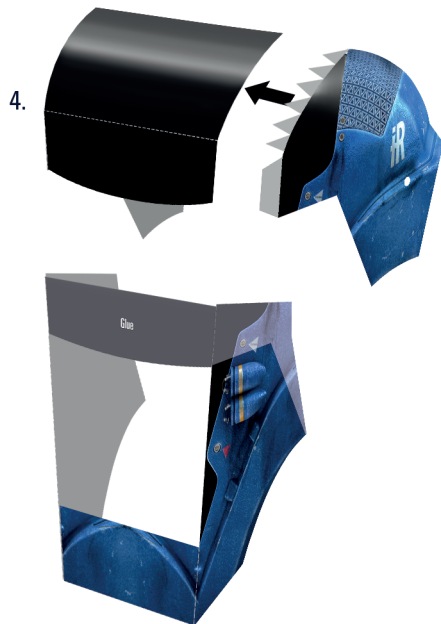

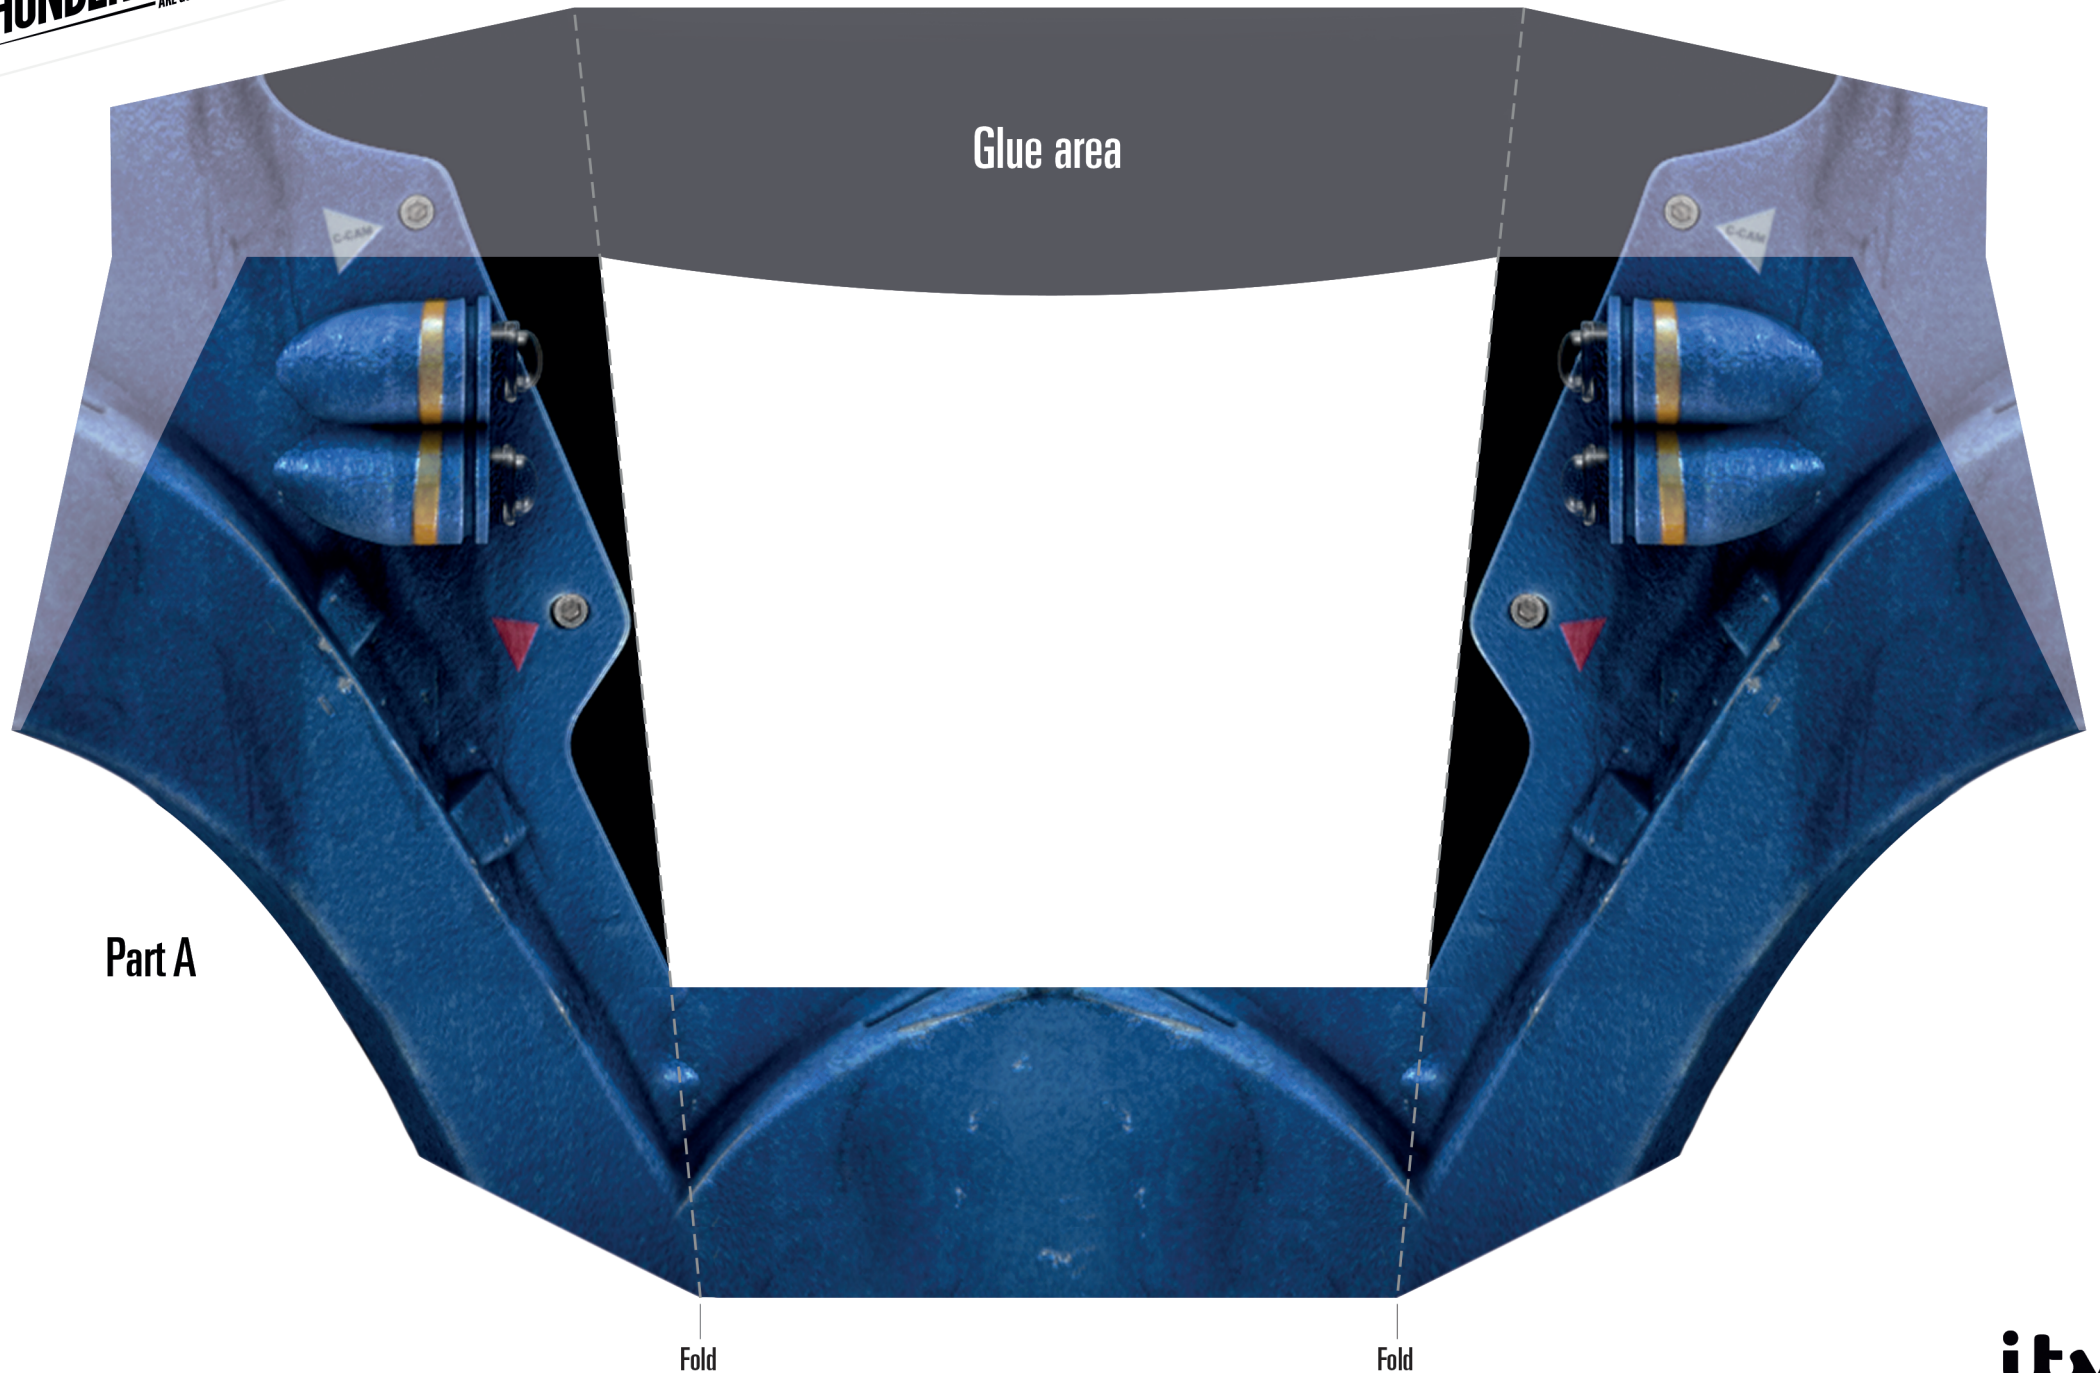

BE CAREFUL: ASK A GROWN-UP FOR HELP

1. Print the template and cut out all the individual parts.
2. Fold Part A along the dotted lines. Punch holes on the sides of the mask where indicated.
3. Fold Part B along the dotted lines. Glue the tabs and stick in place.
4. Fold the tabs on the left side of the helmet (Part C) along the dotted line and glue to the right side of the helmet.
5. Align the top of the helmet (Parts B & C) with the darker area on Part A, and glue.
6. Stick the mouthpiece (Part D) to the front of the mask.
7. Thread the string through the holes in the mask, and tie at the back of your head to secure the International Rescue diving helmet.

CAUTION: DO NOT USE UNDERWATER, LEAVE THE REAL DIVING TO GORDON
