This DIY Fundraising Toolkit provides you with a step-by-step guide on how to organize a great event that will make a valuable contribution to the vital work we're doing across 13 municipalities.

Thanks to people like you, we are able to rescue over 2,500 animals, reach more than 7,700 individuals through community outreach programs, and so much more.

THANK YOU for hosting an event on behalf of The HSKWSP, and know we are here to help!

ABOUT THE HSKWSP

As one of the largest humane societies in Ontario, we currently operate two animal shelters to support people and pets in our communities.

As a self-funded and self-governed organization, we rely on the generosity of our donors to help animals within our communities, as well as to provide animal welfare focused education and outreach.

While we formed to help homeless and abandoned pets, today we are far more than just animal shelters. We still adopt pets and find loving homes, but we are also contracted for animal services for 13 municipalities, provide education and learning opportunities both in schools and in centres for youth and adults, we offer a wide variety of low-cost veterinary services to support people and pets, and we have growing outreach services to help pet owners in crisis with emergency boarding and pet food resources.

Your fundraising efforts will directly impact animals within our communities, support our education programs and initiatives, and help keep people and pets together.
