HEAD OF WOMEN'S FOOTBALL

LOLA OGUNBOTE

Welcome to this afternoon's Cup game!

Good afternoon and welcome to Clitheroe FC as we face Alnwick Town Ladies in the second round of the Women's FA Cup.

Our side returns to the pitch after an impressive 2-1 win against Huddersfield Town at the Anchor Ground in Darwen.

Last time out we had two different goal scorers, with Laura Elford opening the scoring just two minutes into the game and Amaya Coleman-Evans secured the winner as we entered the last ten minutes of the 90. It is fantastic to see different names on the scoresheet as it shows the talent across the whole squad and the desire the team has to win.

Once again, there was great fan support at Darwen. It makes such a difference to the players' performances, and it was great to see the

younger generation watching the squad, inspiring the youth to pursue their footballing dreams.

The squad has been working incredibly hard in training to ensure that the performance today is their best performance, and the team is ready to show you the work they have been doing behind-the-scenes.

As we return to the FA Cup competition, the players, Rebecca, and all the coaching staff have been working on developing the skills the players already have, whilst creating new pieces to showcase their high ability.

Today's opponents, Alnwick Town Ladies, come off a 2-1 victory against Gateshead and this is the first time in their history that they have progressed to this stage of the competition. Therefore, I am sure the team will be in top form; it will be a tough test for us. However, with

the winning momentum and the progression the squad is currently showcasing, I am confident today will be another positive result.

It's great to officially introduce our new Clarets Lachante Paul and Naomi Hartley! The players have settled into the squad well and I'm sure they will make a huge impact on the team's performance.

Our league action will return next month, as we face Derby County Women away at the Don Amott Arena. Further details about the game will be available on the Burnley FC website nearer the date.

Good luck to the squad this afternoon, with the continued momentum of the team, and your support, I am sure we will see some excellent football and hopefully secure another victory and progress further in the competition.

Up the Clarets!

Lola

REBECCA SAWIUK

Welcome back everyone to the second round of the Women's FA Cup, here at Clitheroe FC.

Today we face Alnwick Town Ladies after our win against Huddersfield in the first round. It has been great to see your support as we progress further into this knockout competition, and hopefully, we can continue our momentum!

Since our last game at Darwen, we have had the opportunity to take time and reflect on our performance. In the training sessions leading up to this fixture, we have been working extremely hard to develop our skills and improve aspects of our game. It's great to see different players on the scoresheet, highlighting our talented squad, and importantly shows the

ambition each individual player holds. They always put the best version of themselves out on the pitch to ensure the win.

It's not only the players who are putting in maximum effort, all the coaching staff at Burnley Women have also shown their dedication to the squad as they have been preparing for today's game, and I'm sure you will see the efforts in this afternoon's performance.

As we progress in the Women's FA Cup, I have been incredibly impressed with the squad. The mentality of the players as they come to training and give their all, and how they deal with the pressures of the prestigious knockout competition. The FA Cup enables the players to make valuable memories as well as develop them as individual players as they gain

further experience. Each time the team goes out, I know they are playing to their greatest ability and want to win together, which shows the close dynamic within the squad.

I am proud to be a part of Burnley Women, especially with all the progression and achievements we have already made throughout this season, and I am sure there is more to come. Each week as I watch the squad play in matches, I feel confident that each member of this team has prepared to the full extent and it's great to see the positive outcome. Thank you for all your support throughout the upcoming weeks towards the lead-up to this fixture, and I am sure we will do you proud.

Rebecca

ALETHEA PAUL CAPTAIN

Good afternoon, welcome to the second round of the Women's FA Cup.

The squad and I are so excited to be back in cup action, as last time we secured a 2-1 victory at Darwen against Huddersfield Town. Although it was a tough test, we showed our resilience and strength as a team which enabled us to come out on top.

After that fixture and during the build-up of this game, it's great to see the players putting in so much time and effort into improving their skills and developing our play as a team, to ensure we continue the momentum and progress in this competition. Not only are we developing into more experienced players as we progress in the FA Cup, but it is incredible to see our dynamic grow as we each want to win for each other. To say I am the captain of such an incredible group of women, I am so proud of each individual player and of the performances that we show each week.

A huge thank you to all the coaching staff that have been working extremely hard behind-the-scenes to ensure we put out the best versions of ourselves today. The dedication and effort you constantly provide, allows us to develop our abilities, which is shown through the results we've secured since the start of the season.

I am so excited to go into the second round of the Women's FA Cup as not only are we able to showcase our talent, but to make memories together as a squad, which makes us want to secure the victory even more!

The huge amount of support from the fans, whether that's present at matchdays or online on social media, makes all the difference! I speak on behalf of the

squad, it doesn't go unnoticed, and it pushes us to put in the best performance on the pitch.

The squad and I are ready to go out onto that pitch this afternoon and give everything we have. Hopefully, with your continued support, we can progress further in the competition.

Thea

LAST TIME OUT

CLARETS CUP VICTORY OVER TERRIERS

Burnley FC Women hosted Huddersfield Town Women in the first round of the Women's FA Cup at Darwen's Anchor Ground on Sunday afternoon, progressing to the next round with a 2-1 win.

Laura Elford opened the scoring for the Clarets in the first two minutes of the game, and it was Kate Mallin who found the equaliser for the Terriers as she looped the ball over Lucy Farrell.

Amaya Coleman-Evans bagged herself the winner which takes the squad into the next round of the Women's FA Cup.

FIRST HALF

Elford opened the scoring two minutes into the game, as Millie Ravening travelled down the pitch and fizzed the ball into the box where Elford was able to take one touch over the keeper into the back of the net.

Lizzy Hamer tried her luck not long after as Rhema Lord-Mears utilised the wing, as she crossed the ball into the box where Hamer was able to take a shot on target, but the ball landed in the hands of Lauren Bracewell.

Mallin found the equaliser for the Terriers soon after as she moved into the box and hammered the ball past Farrell.

Brenna McPartlan nearly had an instant reaction as she found an open space near the far post and took a shot, but Bracewell was able to get a reach.

Hamer had another chance at goal as she curled the ball towards the back of the net, but Bracewell did well to reach as she tipped the ball over the crossbar.

Ravening showed her strength as she left Ibbotson behind and attempted to fire the ball into the bottom right corner.

SECOND HALF

McPartlan had the first chance after the break when she fired a volley 30-yards out, however the ball slammed against the crossbar.

Ravening had another chance at goal when Embley crossed the ball towards the far post, and she hit the rebound, but Bracewell did well to fall onto the ball.

Aimee Kelly pressed the Huddersfield Town defence as she found Coleman-Evans in open space, where she was able to put the ball into the back of the net.

Burnley FC Women will progress into the second round of the competition and updates regarding the game will follow nearer the date.

INTRODUCING **ALNWICK TOWN**

Alnwick Town AFC, formed in 1879, is one of the oldest football clubs in the country and has played at its current home, St James' Park since 1900.

The first women's team was formed in 2017 and made quick progress through the women's football pyramid playing in the FA Women's

National League in the 2021/22 season.

Following relegation, the club finished a creditable second place in the Northeastern Regional Women's League Premier Division the following season.

The team is currently playing in tier 5, and standing in 7th position, as they have played

only a handful of league games this season due to successes in cup competitions.

Currently, the team is progressing in another cup competition alongside the FA Cup and league action. Alnwick Ladies bagged themselves a stoppage-time last minute winner, which saw the side through to the semi-

LADIES

final of the Northumberland FA County Cup on Sunday with a 2-1 victory against Wallsend.

Alnwick Town Ladies' previous FA Cup fixture was against Gateshead, with the result 2-1 with Alnwick Ladies winning away from home.

This is the first time Alnwick Town Ladies have reached the second round of the Women's

FA Cup having reached the first round on three other occasions.

Alnwick Town Junior Ladies Development currently competes in the Women's Premiership in the Northumberland Football League.

Alnwick Town Juniors Development provides junior football and social activities for

girls and boys in the heart of rural North Northumberland. The vision is to create a safe and enjoyable environment for all, regardless of age, gender, or ability, and develop a club that supports teams of all ages for both male and female players, as well as creating opportunities for players with disabilities.

LUCY FARRELL

PLAYER INSIGHT

What are your first memories of football?

My mum taking me to Kickers for the first time when I was three years old. We used to run around and kick the ball around; it was so much fun!

What are your memories of joining Burnley?

All my memories of Burnley are of the good times. Although we have done very well each season, my favourite aspect is seeing the progression of the team, as we have continued to develop as a squad each season. It would be great to win the league as we deserve it.

Growing up, did you only play football, or did you play other sports?

I only played football and I have always been a goalkeeper!

Did you have any idols that you looked up to?

Joe Hart was my biggest idol! When I was younger, I named my pet goldfish after him - that's how much I inspired to be like him!

Have you always been an attacker, or did you play in different positions?

I have always played my position as a keeper and

would not have it any other way!

What are your memories of watching football live?

When I used to play for Manchester City, we would get the opportunity to become a ball girl for the live games. I remember watching the players, it made me look up to them and I knew when I was older, I was going to follow in their footsteps.

What is one stand-out moment of your career so far?

I represented Wales at Youth Level. This is the proudest moment of my career also, as progressing into the youth squad and meeting new players was an incredible experience. I also got the opportunity to travel with the team, which not many players have the chance to do.

I'm also loving the start to the FA Cup, as it's exciting and the knockout competition pushes you to your limits which I love - as I know when I'm playing on the pitch, I will give my everything.
