LOLA OGUNBOTE

**GOOD AFTERNOON
AND WELCOME
TO GRANT STORE
VICTORY PARK IN
CHORLEY FOR THE
VISIT OF RUGBY
BOROUGH.**

I'd like to thank the team at Chorley for their help in facilitating today's fixture, which comes at an important time of the season.

It was a fantastic occasion both on and off the pitch against West Bromwich Albion last time out.

Matches at Turf Moor are always a real team effort from departments across the Club, and it was great to see more than 1,000 of you in attendance.

We made improvements to the matchday experience, including moving the pre-match activities to the Rapidz Fan Zone, which

was busy before kick-off.

It was great to be part of some innovative testing for a new half-time game on the big screen too.

The team played their part on the pitch, and I'd echo Ross' post-match comments in that it felt like we had real control throughout.

Our match against Wolverhampton Wanderers next weekend will now be played at Turf Moor too, and the players will need all of your support as they aim for a vital three points.

Early ticket sales have been really promising and if you haven't done so, I would strongly encourage you to get down to the stadium and make your voices heard.

Men's team season ticket holders can claim their complimentary ticket online [HERE](#), in person at

the ticket office or over the phone on 01282 704718.

Other adults are priced at £5, while under 14s are £1.

Back to today's game, and I'd like to take this opportunity to welcome the directors, staff, players and supporters of Rugby Borough to Lancashire.

I'm looking forward to what should be a hearty battle against a really strong opponent, similar to what we have had over recent years.

We will be right up for the fight, though, and with your backing I'm confident we can achieve the desired outcome.

**UP THE CLARETS!

INTERIM MANAGER

“WITH JUST SIX GAMES TO GO IT IS IMPORTANT TO BUILD AS MUCH MOMENTUM AS POSSIBLE”

HI CLARETS,
I HOPE YOU'RE
ALL WELL
HEADING INTO
AN IMPORTANT
MATCH THIS
AFTERNOON.

We arrive on the back of a really healthy run, and the win over West Bromwich Albion last time out was our 10th straight league victory.

We did a lot of work on shape and the build-up stuff in the week before, and I was so happy to see that come out in the game.

It took until about the 40th minute to break the deadlock and the longer games go on level, the more likely it is for people to start getting nervous.

We made sure to stay calm on the bench, though, and all our hard work eventually

paid off. After that we came to life a little bit and we started to do things a little bit quicker.

One thing I speak to the group about a lot is controlling the game, and we certainly did that too. Overall, it was a really pleasing day back at Turf Moor.

I still think this group have more within them, though, and I've reiterated that to them in training and in meetings this week.

There was no competitive game last weekend, but we were able to slot in a friendly to keep the group ticking over nicely.

With just six games to go it is important to build as much momentum as possible, and winning games of football does that.

We're under no illusion as to the quality that Rugby Borough possess and

having watched back our game earlier this season, it will certainly be a test.

The players have been excellent in training this week, though, and are looking forward to challenging themselves once more.

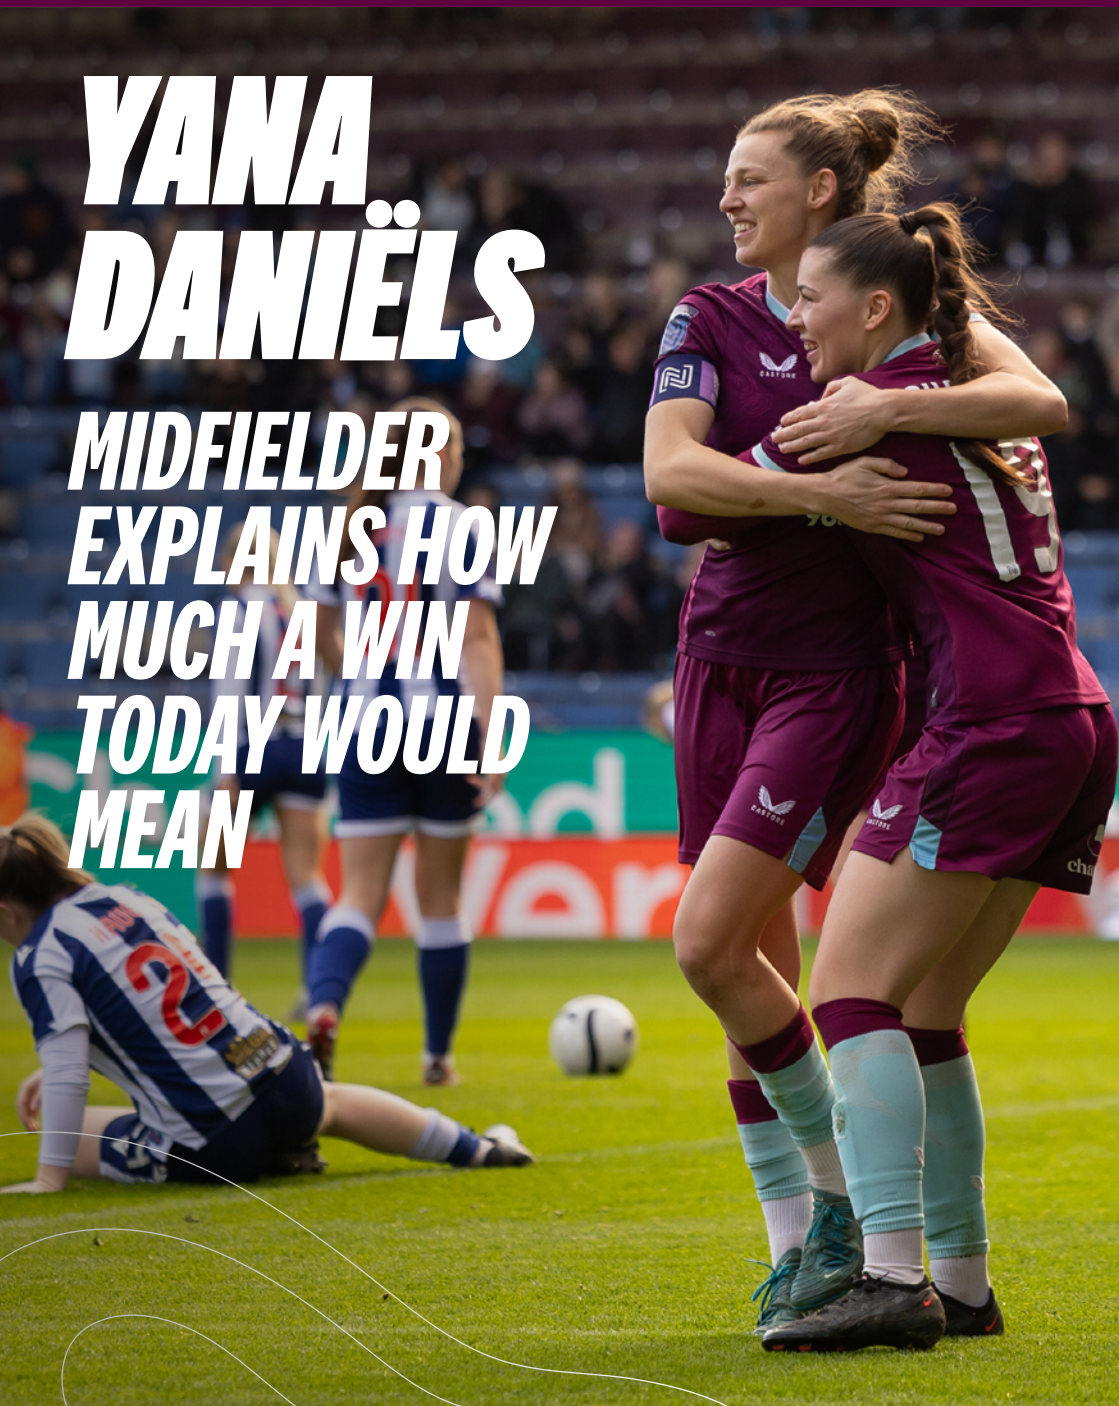

I always say that it's about how we perform, and if we can meet the high standards that we set ourselves day in day out, the result should follow.

I'll finish by welcoming Rugby Borough manager Lee Burch and his staff to Lancashire – I look forward to sharing the touchline later on.

**ENJOY THE GAME!
ROSS**

YANA DANIËLS

**MIDFIELDER
EXPLAINS HOW
MUCH A WIN
TODAY WOULD
MEAN**

OUR VICTORY OVER WEST BROMWICH ALBION AT TURF MOOR WAS A SPECIAL OCCASION FOR YANA DANIËLS.

After leading out her team as captain in front of a four-figure crowd, the Belgian's fifth goal of the season opened the scoring on the way to a 3-0 victory.

Reflecting on the day, she said: "It's nice to play at Turf Moor, and to win 3-0 was good as well.

"In the past we've struggled to score more than one or two goals a bit, so with the seven goals at Loughborough and now this three, everyone is in good momentum to score goals.

"I could see her (Charlie Chadwick) going down the left wing and we had a little glimpse of eye contact.

"She pulled it back really good, bless her, and it was nice to score at Turf Moor.

"The first goal can sometimes be the ice breaker and normally we can then be a little bit more relaxed, so we've been working on scoring as early as possible.

"It's always nice to score goals but my main mindset is to help the team wherever, whether that be in or out of possession."

With no competitive game last weekend, Ross Wallace's side trained as normal during the week before a friendly on the Sunday.

They now turn their attention to what will be a tough test this afternoon, with Rugby Borough currently sitting 3rd in the 12-team standings.

Burnley won 1-0 at their place back in November, and it was Chadwick who scored the only goal with nine minutes on the clock.

"A little break sometimes is nice, but it was ideal to have a friendly and keep the momentum going," Daniëls continued.

"We are on a good run, so confidence and spirits are high and we're looking forward to being back in competition.

"It (the reverse fixture) was a very bouncy game.

"The pitch there is not ideal and it was very transitional and the ball was in the air a lot, so it wasn't pretty football.

"It wasn't our best performance that day but it was a really good show of character.

"Hopefully, we can play more football today, because that's what we're good at.

"We've been tested on that other side of the game before, though, and have dealt with it pretty well.

"A win would mean a lot. We take it game by game, but every game we take really seriously and we want to win.

"Off the back of Ash (Vickers) and Ross (Wallace) being in it's been brilliant and you can see that the spirits have been high.

"It's nice to be so together as a team, so for everyone it would mean a lot."

LAST TIME OUT

THREE DIFFERENT SCORERS AS CLARETS WIN AGAIN

BURNLEY WOMEN MARKED THEIR RETURN TO TURF MOOR IN STYLE TWO WEEKS AGO TODAY, BEATING WEST BROMWICH ALBION BY THREE GOALS TO NIL.

Yana Daniëls' first-half strike was followed up by Claudia Mummery-Walker and Heidi after the break, with the Clarets earning a 14th victory and 12th clean sheet of this impressive league campaign.

There were two changes to the team that started the victory at Liverpool Feds 10 days prior, with Millie Chandarana stepping into the midfield three.

Charlie Chadwick joined Mummery-Walker in the attacking line, with Burnley-born Naomi Hartley making a welcome return to the bench.

The first half was one-way traffic, with the Clarets dominating the ball and creating much more in attack.

West Brom 'keeper Charlotte Clarke was forced to tip Charley Docherty's dropping cross over the bar early on, while Chandarana and Brenna McPartian both shot narrowly wide before the 20th minute.

Shortly after Jade Richards powered a header wide of a post from a corner, the deadlock was eventually broken with 40 on the clock.

Excellent work from Chadwick on the left allowed her to fizz a ball across the face for Daniëls, and the Belgian's first-time effort nestled into the bottom right corner.

There was less in the way of goalmouth action at the start of the second half, although Jasmine Matthews did have a firm header saved well by the legs of Clarke.

Kirstie Levell's first real action of the day then came just before the hour when former Claret Ellie May found herself one-on-one but couldn't generate the power required.

Ross Wallace's first change saw Chandarana make way for Emma Siddall, and it was 2-0 after 70 minutes.

Ravening controlled McPartian's powerful pass well and slipped through Mummery-Walker, who finished confidently from just inside the area.

Heidi then replaced Chadwick and a later triple change saw Hartley, Tilly Wilkes and Brooke Cairns take the places of Docherty, Thea Paul and Daniëls respectively.

Cairns was denied a goal on her first ever Turf Moor appearance by Clarke, but Burnley's 100th goal of the campaign came in the last of five added minutes.

Heidi reacted to a loose ball to power in from close range and celebrated jubilantly in front of the home faithful in the Bob Lord Stand.

FISHER SIGNS FROM WATFORD

NEW ATTACKING OPTION AHEAD OF RUN-IN

Earlier this week, we were pleased to confirm the arrival of Isabella Fisher.

Fisher, an 18-year-old striker who has represented England up to U17s level, has moved north from fellow third-tier outfit Watford.

Having signed her contract, she said: "I'm extremely excited to be here.

"The move has been quite sudden, but I thought it was best for my career and my future as Burnley seems like the right place for me.

"Being an Essex girl it's quite different and it's been lovely to hear all the different accents within the group.

"Tier three is a very competitive league, and it's a great league to be in if you want to develop.

"The facilities are unreal and the girls that I'm living with are fantastic as well, so I'm excited to get started."

Fisher's footballing education came in the Academy set-up at Arsenal, which she formally joined in school year 7.

The forward has been involved with the Lionesses since U15 level and was part of the squad that took part in 2024's UEFA U17 European Championships in Sweden.

During the tournament, Fisher netted a nine-minute hat-trick against the host nation in a 5-1 group stage win.

August 2024 saw her join tier three side Ipswich Town on a dual registration agreement, and seven months later she joined Watford on the same terms.

Fisher then joined the Hornets permanently in August 2025 and has scored 11 goals in all competitions this season.

The striker will wear number 14 during her time in Lancashire.

Welcome to Burnley, Izzy!

TRIO AWAY WITH NORTHERN IRELAND

Congratulations to three of our players, who have been away with Northern Ireland for the last two weeks.

Brenna McPartlan, Danielle Maxwell and Louise McDaniel were all called up by the team's new manager Kris Linsday for their latest camp.

The Green and White Army have contested FIFA Women's World Cup 2027 qualifiers against Switzerland and Turkey.

Tuesday night saw the former take place at Stade de la Tuilière in Lausanne, and it was Switzerland who came out on top in front of a 4,165 strong crowd.

Goals either side of the break from Riola Xhemaili and Svenja Folmli secured a 2-0 victory.

McPartlan started to win her 17th cap, playing 63 minutes before being replaced by Nadene Caldwell.

Maxwell replaced Caragh Hamilton with 84 on the clock, while McDaniel was an unused substitute.

The Turkey match came before the time of writing for today's programme, but the trio will be hoping to add to their collective caps tallies at Mourneville Park in County Armagh.

INTRODUCING
RUGBY BOROUGH
WOMEN

RUGBY BOROUGH WOMEN'S FC WAS ORIGINALLY FOUNDED IN 2013 AS COVENTRY CITY LADIES

The club then merged with Coventry United Men to form Coventry United Ladies Football Club in 2015.

April 2019 saw the side win the FA Women's National League South, gaining promotion to what is now known as the Barclays Women's Championship.

Following relegation from the Championship in June 2023 the club re-branded to Rugby Borough Women FC and changed its home ground to Kilsby Lane, Rugby.

The club now runs a hybrid training model with the aim of being promoted back into the Championship and returning to being full-time.

In the 2023/24 season, Rugby Borough competed in the South section of the third tier and finished 3rd in the table.

They also claimed their first cup under their new name, beating Wolverhampton Wanderers in the final of the Birmingham FA Challenge Cup.

Due to their geographic location, Rugby Borough have now been placed in the North section for the past two campaigns.

Before joining Rugby in the summer of 2022, manager Lee Burch

managed in the top two tiers of the women's game with Millwall, Yeovil and London Bees.

While at the Bees, he finished 5th in the 2019/20 Championship season.

Heading into today's match, the Oranges sit 3rd in the 12-team table with 33 points from 16 matches, with those points coming from 10 wins and three draws.

After beating Halifax in the league, Burch's team played Aston Villa U21s in the semi-finals of the Birmingham FA Challenge Cup last weekend.

Sofia Mallon gave them the perfect start after just 40 seconds and an own goal, alongside strikes from Yasmin Mosby and Lily Greenslade, gave them a 4-0 lead at half-time.

Greenslade netted another after the interval, before Malika Apindia completed the 6-0 rout.

Players to look out for include top scorer Greenslade, who has netted eight in all competitions, and captain Ebony Wiseman, who operates as a central midfielder.

There are some familiar faces in the squad too, with Amelia Hazard and Alanta Brown both having represented Burnley at one point in their careers.

THE REVERSE FIXTURE

CHADWICK STRIKE EARNS BURNLEY WOMEN THREE POINTS AT RUGBY BOROUGH

CHARLIE CHADWICK'S FIRST-HALF GOAL WAS THE DIFFERENCE BETWEEN THE TWO TEAMS AS BURNLEY WOMEN EARNED AN IMPORTANT VICTORY AT RUGBY BOROUGH BACK IN NOVEMBER.

The striker netted her 12th goal of the season but first in the league with an instinctive close-range finish to keep the Clarets top of the table at the halfway point of the campaign.

There was one change to the side that started the 4-0 victory over Norwich City in the Adobe Women's FA Cup a week prior, with Jade Richards replacing Naomi Hartley at centre-back.

Mel Lawley made a welcome return to the substitutes bench as one of the attacking options alongside Aimee Kelly and Danielle Maxwell.

Rugby had the first chances of note, with Kirstie Levell producing a smart stop low to her right to deny Jess Camwell before Lily Greenslade hooked the resulting corner over the bar.

They were punished for that miss when Chadwick opened the scoring in the ninth minute, reacting quickest to the loose ball after Nyla Peterkin spilled a Yana Daniëls effort.

Lou Roberts' side enjoyed the better of the attacking running but were

unable to turn a healthy portion of set pieces into a second goal before the break.

Emma Siddall also had an effort blocked behind after great interchange with Claudia Mummery-Walker, and Millie Ravening tested Peterkin from range.

A Daniëls shot from the left edge of the area was fairly comfortable for Peterkin shortly after the restart before Richards produced a strong block to thwart Greenslade at the other end.

Rugby started to grow in confidence on the hour as Jasmine Matthews scrambled a loose ball away and Greenslade later shot over on the turn six yards out.

Roberts made her first change with 75 on the clock as Chadwick made way for Kelly, and the hosts had arguably their best chance of the afternoon with eight minutes of regular time remaining.

A deep corner made its way to substitute Yasmin Mosby at the back post, but the number 27 flicked her header the wrong side of the post.

The Clarets freshened things up with the introductions of Hartley and Lawley for Millie Chandarana and Mummery-Walker respectively in the 87th minute.

Borough huffed and puffed but were unable to muster a shot in the closing stages, with Burnley seeing through an impressive fourth straight clean sheet in all competitions.
