## HEAD OF WOMEN'S FOOTBALL

**G**OOD AFTERNOON  
AND WELCOME TO  
THE COUNTY GROUND  
FOR TODAY'S ADOBE  
WOMEN'S FA CUP MATCH  
AGAINST SPENNYMOOR TOWN.

While our primary focus is on achieving promotion to the Championship, we are also committed to making strides in all cup competitions this season.

Bex and the team have made an impressive start in the FA Women's National League Cup, securing victories against AFC Fylde, Sutton Coldfield Town, and Hull City.

We're eagerly anticipating a quarter-final clash against Stoke City in December, which promises to be an exciting encounter.

As we shift our focus to the FA Cup today, I want to reflect on our strong performance in this tournament last season.

We finished as the tournament's top scorers with 23 goals, thanks to commanding wins over Alnwick Town and Coundon Court.

Our fourth-round match against Championship side Birmingham City showcased our determination, as we delivered a great performance and were unfortunate to exit after extra time.

Last week we celebrated having two players called up for senior international duty. This is a testament to the progress of our women's team here at Burnley.

Congratulations to Brenna and Reanna on this fantastic achievement!

I would also like to extend a warm welcome to the directors, staff, players, and supporters of Spennymoor Town. Moors Ladies have fought hard to reach this

stage, and I know they will bring a strong away following with them.

I expect today's match to be a thrilling cup tie filled with action, and hopefully at full time we will be able to advance to the next round.

Finally, I want to express my gratitude to you, our loyal fans, for your unwavering support.

Your presence was felt during the challenging conditions at Hull City two weeks ago, and I know you'll rally behind us this afternoon.

Your support means the world to the players, who will strive to reward you with a great performance.

Enjoy the game, and up the Clarets!

## HEAD COACH

### HEY EVERYONE AND WELCOME BACK!

It's been the best part of a month since our last home game, so it's really nice to be playing here at Leyland this afternoon.

October was a sparse month fixture wise because of two postponements, but we've used the lack of matches to our benefit at the training ground.

My staff and I have been working closely with the players on the pitch to ensure that they are ready to come flying out of the traps again, with November set to be a busy month.

It's also been a useful few weeks in terms of some off-field learning that I'm confident will benefit the group as the season progresses.

I'd like to take this opportunity to

congratulate Brenna McPartlan and Reanna Blades, who have both been away with their countries recently.

Brenna did herself and her family proud with two solid performances for Northern Ireland against Croatia, and I look forward to following the next part of their Euro 2025 qualifying journey.

Re was called up to the Jamaica squad for the first time for their friendly against France and, although she didn't make it onto the pitch, I know the experience was invaluable for her.

Today's match sees us enter the Adobe Women's FA Cup, a competition that holds a lot of heritage and weight within the game.

I always look forward to these games and I know the players do

too.

Spennymoor Town operate two divisions below us but that doesn't mean anything on the pitch this afternoon.

We have prepared exactly the same way that we do for any match and I'm confident that the team will put in a 'Burnley performance' worthy of progression to the next round.

I'll finish by welcoming Spennymoor Town manager Brent Smithson, Damian and his staff to Lancashire.

Their journey to this point is commendable, and I look forward to sharing the touchline with them today.

Enjoy the game, and thanks again for your continued support.

Forever forward,

**Rebecca**

## CAPTAIN

**H**ELLO CLARETS!  
A big welcome to Leyland where we begin our FA Cup campaign against Spennymoor Town.

The FA Cup is a special competition and we are all excited to get it underway.

Looking back at my career to date, I remember being particularly proud of our run to the fourth round with Blackburn Rovers in 2018/19.

Last season, Burnley Women were the highest scoring team in the competition and made it to the fourth round, where they took Championship side Birmingham City to extra time.

As a team our aspiration is to get as far as possible this time around and that starts today, but we certainly won't be looking past Spennymoor.

As a lower league side they'll be hoping to cause an upset and are bringing a good level of support with them.

We've spoken amongst ourselves this week about being on it right from the kick-off and asserting our dominance on the game.

If we can do that, we're hopeful our quality will shine through and translate into a performance that you can be proud of.

Ultimately our aim come the final whistle is to have our name in the hat for the next round, with

the draw taking place on Monday night.

We've had relative success in the FA Women's National League Cup this season too, so we're happy with our knock-out football form thus far.

It's been a couple of weeks since our last game away at Hull City, so I'm really looking forward to being in and around a match day again this afternoon.

I know you'll be right behind us from the first minute until the last, and myself and the girls are very grateful for that.

Enjoy the game,

**Jade**

# WALKER

## RELISHING 'EXCITING' FA CUP TIE

**C**LAUDIA WALKER SAYS SHE AND HER BURNLEY TEAM-MATES ARE 'RARING TO GO' AHEAD OF THIS AFTERNOON'S ADOBE WOMEN'S FA CUP TIE AGAINST SPENNYMOOR TOWN.

Fixture postponements meant the Clarets had two free weekends in October and, as we enter the penultimate month of the year, Rebecca Sawiuk's team enter the competition at the first-round stage.

"It's a long time coming," said Walker.

"We've ended up having a few weeks without a game now and it was good for everybody to be able to go home, have some time off with family and friends and switch off from football for a bit.

"We're raring to go after the break now though!"

The FA Cup is of course a competition steeped in history, and its one that Walker has had success in previously too.

The 28-year-old netted a hat-trick against Brighouse Town for Everton in February 2017, a performance that earned her the 'Player of the Round' award.

More recently, Walker's brace helped West Ham United to a 4-1 victory over Sheffield United in the fourth round of the competition in January 2022.

Funnily enough, her current team mates Charley Docherty and Rhema Lord-Mears both came off the bench for the Blades that day.

"FA Cup games have a different kind of feel to them, as you know you have to get the result on the day.

"We want to get as far as we can in this competition and we've got a good enough squad to make sure we can really show what Burnley are about."

This afternoon's opponents operate in the Northeast Regional Premier Division, which is the fifth tier of the English football pyramid.

That won't affect the way the Clarets approach the game, though, as Walker explained.

"We've learnt more about them this week and we prepare for any side exactly the same way.

"Our aim is to be the best version of ourselves,

impose ourselves on the game and get the job done; we've done the work on the grass this week to get ourselves in good shape."

This will be the second time the Clarets have played at the County Ground in Leyland this season, following last month's 2-0 victory over Derby County.

"I enjoyed playing at Leyland!" Walker finished.

"The atmosphere was good with the fans being a bit closer to us and they really helped us on the pitch.

"Hopefully we can continue our winning form there."

# LAST TIME OUT

## CLARETS BOOK FAWNL QUARTER FINAL SPOT

**B**URNLEY WOMEN BEAT HULL CITY 1-0 TWO WEEKS AGO TODAY TO PROGRESS TO THE LAST EIGHT OF THE FA WOMEN'S NATIONAL LEAGUE CUP.

Naomi Hartley's second-half header was the difference between the two teams in Yorkshire as the Clarets recorded a fifth straight victory and third consecutive clean sheet.

There were four changes to the team that started the Clarets' previous outing against Derby County two weeks prior, with Hartley stepping into the heart of the defence.

Two midfield switches saw Bella Reidford and Grace Palmer take the places of Brenna McPartlan and Rhema Lord-Mears, and Claudia Walker lead the line.

Burnley started on the front foot and almost took the lead within three minutes, but Amelia Hazard's close-range effort from a corner was just wide.

The efforts on goal kept coming as Emma Siddall shot straight at Hull 'keeper Abi Wallace and Charley Docherty headed over after good work from Palmer.

Heavy wind and rain tested the players during the first half but the Clarets were determined to play their attacking brand of football and continued to probe for the right opportunities.

The hosts had their best chance of the half 11 minutes before its conclusion but Hope Knight's effort from range didn't have the power needed to beat Kirstie Levell.

Just as they did in the first half Burnley started quickly after

the break, with Walker having an effort blocked off the line and the Hull 'keeper smothering Palmer at her feet before the 53rd minute.

With the sun now firmly out at the Easy Buy Arena Head Coach Rebecca Sawiuk looked to her bench for the first time, bringing on Northern Ireland international McPartlan for Hazard.

The Clarets' hard work eventually paid off just before the hour when Hartley rose highest to head a Palmer free-kick in off a post and break the deadlock.

That was Palmer's last involvement as she was replaced by Lord-Mears straight away, and Sawiuk introduced Reanna Blades for Docherty at the same time.

With the game now stagnating slightly Burnley made two more changes in search of a spark, with top scorer Elford replacing Walker before Heidi Logan came on for her first minutes in six weeks.

Elford might have thought she'd found a second goal 10 minutes from the end, but Wallace produced a flying save to her left to keep the Tigresses in it.

Hull came close to finding an equaliser as the match entered stoppage time, but Ellie Tanser's header flashed the wrong side of the post from their point of view.

Having already beaten AFC Fylde and Sutton Coldfield Town in this competition, Burnley will face Stoke City in the quarter finals in December.

## FAWNL CUP QUARTER FINAL OPPONENTS CONFIRMED

**B**URNLEY WOMEN  
WILL HOST  
STOKE CITY IN  
THE QUARTER  
FINALS OF THE FA WOMEN'S  
NATIONAL LEAGUE CUP,  
WITH THE TIE TO TAKE PLACE  
ON SUNDAY 1ST DECEMBER.

The Clarets booked their spot in the last eight with a 1-0 victory at fellow third-tier outfit Hull City on Sunday 20th October.

Centre-back Naomi Hartley

headed in the only goal with the help of a post from Grace Palmer's pinpoint delivery.

Rebecca Sawiuk's side beat the Potters 5-1 in the league back in September, with a Laura Elford brace being accompanied by goals from Charley Docherty, Anna Grey and Aimee Kelly.

Full match details, including the venue and ticketing information, will be confirmed in due course.

## MCPARTLAN AND BLADES EARN VALUABLE INTERNATIONAL EXPERIENCE

**B**RENNA MCPARTLAN AND REANNA  
BLADES HAVE BOTH RETURNED TO THE  
CLUB THIS WEEK FOLLOWING TIME AWAY  
WITH NORTHERN IRELAND AND JAMAICA  
RESPECTIVELY!

Brenna took part in her country's two-legged UEFA Women's Euro 2025 round one qualification play-off against Croatia, playing the entirety of both legs.

The first leg took place in Varazdin last week and the Green and White Army earned a 1-1 draw courtesy of a stoppage-time own goal.

Windsor Park was the venue for the second leg, and a superb Lauren Wade goal in extra time ensured Tanya Oxtoby's side's progression to the second round of qualifying play-offs.

McPartlan now has eight senior international caps and will be hoping to be called up for another two-legged affair against Norway, which takes place at the end of November.

Having represented England until U19s level, Reanna earned her very first Jamaica call up and was part of the Reggae Girlz's squad for their friendly with France.

The French were 3-0 winners in Montbéliard and despite being an unused substitute, the experience will have been invaluable for Blades and her development.

# INTRODUCING SPENNYMOOR TOWN LADIES

**F**OUNDED IN 2019, SPENNYMOOR TOWN FC LADIES HAVE ENJOYED A RAPID RISE TO THE FIFTH TIER OF THE WOMEN'S GAME.

With back-to-back promotions in the county leagues in 2020 and 2021, they have since wasted little time with a further promotion in 2023 to the Northeast Regional Premier Division.

Last season was a productive one for the Durham-based team, who fell agonisingly short of

promotion to Division One North and finished second behind Barnsley FC.

Additionally, the Moors made it to the second round proper of the Adobe Women's FA Cup for the first time in their history last term.

That was courtesy of a 1-0 win over Blackpool FC Ladies at Bloomfield Road in November 2023, when Courtney Mole's effort found the net via a post in second-half stoppage-time to spark jubilant celebrations.

Spennymoor's FA Cup journey

came to an end at the hands of near neighbours Chester-Le-Street Town, who won another exciting game 3-2.

Under the management of Brent Smithson the Moors ladies have started the 2024/25 season well, winning five of their six matches to date

Their only defeat came on the opening day of the season and the Moors' last outing was a convincing 4-0 victory over SJR Worksop in the last qualifying round of the FA Cup.

This season has seen Spennymoor's women's set up take some major step forwards off the pitch too.

The team are now playing all their home games at Spennymoor Town FC's main ground, the Brewery Field

Furthermore, they have now set up reserve and development teams with the aim of harnessing the best local talent for the future.

Key players to look out for include captain Alex Saunders, vice-captain Coral Colledge and striker Holly Doogan, who scored in the FA Cup victory over Rutherford two rounds ago.

## PLAYER INSIGHT

### What are your first memories of football?

I remember being taken to a boys training session when I was six or seven.

I was told "you can come but you might not enjoy it" and got a ball to the face in the first five minutes. I got straight back up, ran after them, got the ball back and scored!

It was a mini tournament and I got player of the tournament too, so that was nice.

### Did you have any idols that you looked up to when you were growing up?

Outside of football I looked up to my mum and dad a lot, because they did everything for me to get to where I am today.

### Have you always played in your current position, or have you played elsewhere across the pitch?

Until the age of 16 I played as a 10 or a 9. I then went into a first-team set up and

changed to centre-back and right-back, but I now play as a right winger!

### What's the best game or moment you have seen live?

It wasn't in person, but I'll always remember watching with my dad when Liverpool played Barcelona in the Champions League and came back to win 4-3. That was pretty incredible!

Watching Sheffield United Women win promotion to the Championship was cool, as was being there for England's 4-0 win over Sweden in the semi-finals of the 2022 Women's Euros.

### If you had to name a stand-out moment from your career so far, what would it be?

Making my senior debut at 16 for Sheffield United. It was a Championship game against Leicester City, and I was really proud of that.
