Re: Request for of Approval of a Job Order Construction Services Addendum to the Continuing Signage Construction Services Agreement with AC Signs, LLC., for G-0042 Roadway and Garage Sign Updates, Orlando International Airport.

We have reviewed the qualifications of the subject contract's MWBE/LDB/VBE specifications and determined that, due to the limited scope of the services to be provided, AC Signs, LLC does not propose small business participation on this Job Order Construction Services Addendum.

Our analysis indicates that AC Signs, LLC is eligible for award of the subject Job Order Construction Services Addendum.
