While holidays are fun, accidents are not. Accidents and mishaps may occur anywhere, anytime and without prior notice. Unexpected injuries or illnesses could be financially and emotionally draining, especially when you are in a foreign country. This is why we provide coverage for overseas medical expenses in case you need to seek professional treatment, so you can enjoy your holiday experience to the fullest with peace of mind.

In times of emergency, you and your loved ones can get the best treatment possible, without worrying about hefty medical bills overseas. This includes medical expenses coverage of up to \$1,000,000 for treatment relating to COVID-19 while overseas (based on Income's Travel Insurance Enhanced PreX Prestige plan for an adult under 70 years old).

Travel companions with pre-existing medical conditions

Travelling with family and friends are always worth looking forward to but what if you have to cancel your trip due to a relapse of their pre-existing medical condition? You can either continue with the planned holiday without them or stay in town so you can look after and nurse them back to pink of health. If you choose to be with them by cancelling your trip, Enhanced PreX Superior and Prestige plans provide you with the benefit for such unforeseen events.

Case Study:

Mr Tan and his parents, Grandpa Tan and Grandma Tan have planned for a trip to Japan and paid \$5,000 each for their flight and accommodation. They have also purchased Income's travel insurance for this trip. One week before the trip, Grandpa Tan suffered a heart attack due to hypertension and was hospitalised in the ICU. For Grandpa Tan's safety, the trip was cancelled.

Choice of different plan types

There are 3 Enhanced PreX plans to choose from, allowing you to find one that best suits your individual needs. Enhanced PreX Basic plan offers basic coverage for your medical expenses resulting from your pre-existing medical conditions while you are overseas. Even though Enhanced PreX Basic plan does not provide coverage for travel inconvenience claims arising from pre-existing medical conditions, the plan still covers such claims that are not related from pre-existing medical conditions. For instance, if you cancel your trip due to natural disasters in your holiday destination and not situations resulting from pre-existing medical conditions.

For added coverage other than medical benefits, opt for Enhanced PreX Superior plan or Enhanced PreX Prestige plan which covers you in the event where you have to make changes or cancel your holiday plans due to your pre-existing medical conditions.

IMPORTANT NOTES

- 1 Based on comparison of benefit limits for an insured person under Income's Travel Insurance Preferred Plan and Enhanced PreX Prestige Plan for trip cancellation and trip shortening against similar plans in Singapore.
We pay for overseas transport and accommodation expenses if your trip has been cancelled or shortened due to COVID-19. For trip cancellation, the event has to occur after you have purchased your policy and it happened within 30 days before you leave Singapore. The policy must be bought three days (or earlier) from the day of leaving Singapore unless the event is only accidental in nature.
- 2 For Enhanced PreX Superior and Prestige plans, you will have to co-pay 50% of your expenses claim due to pre-existing medical conditions under benefits in Section 1 – Cancelling your trip, Section 2 – Postponing your trip, Section 3 – Shortening your trip and Section 4 – Trip disruption.
- 3 For Enhanced PreX Basic, Superior and Prestige plans, we will not pay the first \$100 for each visit of your outpatient medical treatment received overseas as well as overseas outpatient medical treatment by a Chinese medicine practitioner or a chiropractor arising from your pre-existing medical condition or any sickness you knew about. Please refer to the policy conditions for the sub-limit per visit to a Chinese medicine practitioner or a chiropractor.
- 4 We will pay you for travel delay if the public transport you are scheduled to travel in during your trip is delayed for more than six hours in a row and is not caused by you.
- 5 This policy does not cover claims for loss or liability directly or indirectly caused by or arising from extreme sports which involve speed, height, danger, a high level of physical exertion, highly specialized gear or spectacular stunts, whether they are played competitively or noncompetitively, in a team or individually.
Adventurous activity means any recreational activity commonly available to the public that is done overseas during your trip for leisure or as part of the tour and which:
 - is undertaken while complying with all safety procedures, such as wearing safety equipment and following rules and regulations; whether specifically advised or generally expected of a reasonable person,
 - where guidance and supervision of licensed guides or instructors are available, the recreational activity must be carried out under the guidance and supervision of licensed guides or instructors of the tour operator or activity provider, and
 - is not excluded under the general exclusions listed in part 4 of the general conditions of the policy.
- 6 You can enjoy coverage under Enhanced PreX Basic, Superior and Prestige plans (single trip and yearly) for up to a maximum of 30 calendar days in a row per trip.
- 7 We do not cover claims arising from a pre-existing medical condition where you have been given a terminal prognosis with a life expectancy of under 12 months. Please refer to policy conditions for the precise definition of pre-existing medical conditions.
- 8 We will only pay for Trip Cancellation due to serious injury that you, your family members or travelling companion suffer if the event occurs after you have purchased your policy and it happened within 30 days before you leave Singapore.
- 9 This policy provides cover for scuba diving if it is done for leisure purposes and you hold a PADI certification (or similar recognised qualification) and are diving with a buddy who holds a PADI certification (or similar recognised qualification); or
 - you are diving with a qualified instructor.
 - the maximum depth we will cover is as shown under your PADI certification (or similar recognised qualification) but no deeper than 30 metres.
- 10 This policy provides cover for trekking if it is done for leisure purposes and you are trekking below 4,000 metres, and as long as the trekking you are taking part in is:
 - in a place which is open to the general public without restriction;
 - organised by a recognised commercial local tour operator or activity provider; or
 - under the guidance and supervision of licensed guides or instructors of the tour operator or activity provider and you wear the recommended safety equipment and follow the safety procedures, rules and regulations of the licensed guides or instructors.
