

Truth, Lies, Fire, and Water | Worksheet

Story sequencing: Number the scenes in order from first to last.

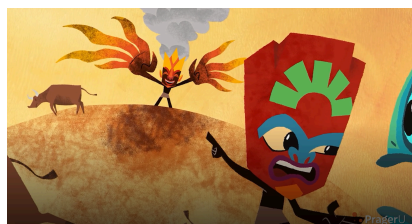

Lies convinces Truth that Water is planning to take all the cows, leading Truth to run away with Lies and take Water's cows.

The Wind explains to Truth that the battle between truth and lies will never end, and that Truth must always be ready to stand up and fight against Lies.

Lies tells Water that Fire plans to burn the grass and take all of Water's cows, leading Water to put out Fire.

After they reach the top of the mountain, Lies tells Truth that he tricked him, so Truth fights Lies for his dishonesty.

Truth, Lies, Fire, and Water | Answer Key

Lies convinces Truth that Water is planning to take all the cows, leading Truth to run away with Lies and take Water's cows.
