A MESSAGE FROM OUR CEO

We hope you have been enjoying what has already been a compelling season. The competitive nature of both the Gallagher Premiership and Premiership Women's Rugby has seen interest in the domestic game reach new heights, demonstrated by the outstanding support on matchdays for both our Men's and Women's teams.

With our Women's squad reaching a semi-final in Ross Chisholm's first season as Head Coach, and the Men still fighting for domestic and European trophies, we're hungry to keep challenging near the top and play entertaining rugby along the way.

Demand to watch the Famous Quarters continues to grow year-on-year, with nearly every Men's match sold out over the past four seasons and a growing Membership Waiting List for the fourth year running. As a Club, we strive to continually enhance the matchday experience for our supporters at both The Stoop and Allianz Stadium, which has led to record supporter feedback.

Supporters are the lifeblood of our Club, for which we are globally renowned. We are incredibly proud of the energy and dedication you bring to every matchday, with our atmosphere at The Stoop consistently rated as one of the best in the Premiership.

In this brochure, you'll find all the details about the 2025/26 Harlequins Season Ticket Membership, including exclusive benefits, pricing, important dates, and information about our standalone Harlequins Women's Season Ticket Membership. A matchday at The Stoop is an experience you don't want to miss, and next season promises to deliver more iconic moments and create lasting memories. Be sure to secure your seat!

Just a reminder that renewing Members have until 13 May 2025 to secure their current seat. All Membership sales will close on 30 June 2025.

We cannot wait to have you behind us for what is poised to be another exciting season, packed with moments of drama and jeopardy on our journey to creating lasting memories with our Men's and Women's teams.

LAURIE DALRYMPLE
CEO – Harlequin FC
