# Vinyl Sheet Buzz

Consumers are rediscovering,  
and loving, vinyl sheet!

*"With vinyl this pretty, why  
would you ever pay for  
and upkeep tile? The  
moment I saw this flooring  
I knew it was perfect."  
@bravenewfarmhouse*

*"There are a few reasons we will  
use this Luxury Vinyl Sheet flooring  
again and again – looks great, it's  
waterproof, durable, affordable,  
easy to clean, it's softer and  
warmer to walk on versus tile,  
won't crack or damage like tile, and  
you don't have to worry about  
grout and all the maintenance that  
comes with it...Plus it comes in so  
many cool options, I mean the list  
goes on and on."  
@uglyducklinghomes*

The image features a background of Carrara marble tiles in a hexagonal pattern. The tiles are light cream-colored with prominent, flowing brown and gold veins. In the top right corner, there is a photograph of a dark grey fur coat with a white fur collar, a pair of brown leather shoes, and a silver metal hanger.
