EDUCATIONAL SITE VISIT

Recon

Beijing Montagne Medical Device Co., Ltd.
Beijing, China
November 19th, 2025

Educational Site Visit

Zimmer Biomet Institute® provides a wide range of educational experiences to healthcare professionals so you can learn, interact, understand and share knowledge about Zimmer Biomet products, services, techniques and technologies through different modalities.

How do we ensure our products are designed to the highest quality? What Zimmer Biomet solutions are available to assist you in providing the best care for your patients? We look forward to meeting you at a location where we work to alleviate pain and improve the quality of life. Gain insights into the fascinating world of a renowned medical device company.

The specific course objectives include:

- Understand Montagne solutions product manufacturing processes and quality measures for patient safety.
- Assess solutions providing insights to the surgeon (s) to support clinical activity and help patient care management.

The Zimmer Biomet Institute® wishes you a valuable and enjoyable training with us.
