Participation Options

With three forms of participation, and two rides to choose from, we have a way for everyone to get involved. For more information on participating in Pelotonia 2024, go to pelotonia.org/get-involved.

WHAT'S A PELOTON?

Organizing a team—which we call a Peloton—is a way for a group of friends, family and colleagues to create their own identity within the Pelotonia community. By harnessing the collective power of their unique skills and networks, members of a Peloton are empowered to raise more for cancer research, together.

A Peloton must consist of at least 5 participants. These 5 participants can be any combination of Riders, Challengers and Volunteers.

There are no fundraising requirements placed on the company when hosting a Peloton, nor is the Peloton and/or company responsible for their members' fundraising commitments.

Each Peloton must select a Captain to activate the Peloton, approve member requests, manage communication efforts and act as the liaison from Pelotonia to their members.

Each Peloton receives their own profile page on our website to brand with logos, photos and messaging to highlight the company's support. *See example below:*

Updates & Communications Channels

Throughout the year there will be countless important updates we hope you'll share with your Peloton members to enhance their experience with Pelotonia. A few ways you can expect to hear these updates:

- **Pelotonia email blasts** — Emails sent periodically to all registered participants detailing important community updates and Ride Weekend details. Please encourage your members to **not** unsubscribe from these communications, as they would miss all important Ride Weekend instructions.
- **Peloton Leadership emails** — Twice a month you'll receive a note from the Community Engagement team listing out key dates on the horizon, special opportunities and everyone's favorite — Peloton Leadership events!
- **Pelotonia social media** — Follow us on [Facebook](#), [Instagram](#) and [Twitter](#) for updates in real-time. You also have access to the [Peloton Captain Facebook Group](#), more details on page 9.

Recruitment

→ Kick-Off Sessions

The best way to recruit participants for your Peloton is to host a recruitment kick-off to share important information and generate excitement with past and new team members. We recommend scheduling this anytime between March–May to allow for ample time to register and raise funds. This is the time to get new members on board, cover Pelotonia history, impact stories, and address commonly asked questions.

We've put together a bundle of resources to make hosting your own kick-off session easier than ever! Download a sample PowerPoint and recruitment materials at [here](#).

A typical kick-off lasts around 45 minutes, but we can easily condense our remarks if you determine a better opportunity to feature Pelotonia within a company-wide meeting.

Advertise the session at least 3 weeks in advance, and note that we'll cover:

- Why Pelotonia is so much more than a bike ride
- 3 forms of participation—there's something for anyone interested in joining the community
- The impact and breakthroughs funded by our \$283 Million raised
- Fundraising & training tips, tricks and resources available
- Ride Weekend and Gravel Day details, logistics, and perks

To schedule a Pelotonia staff member to lead your session, please reach out to Carolyn Appelhans at cappelhans@pelotonia.org.

PELOTON LEADERSHIP SPECIFICS

Peloton Administrator

We know you're working tirelessly to support your Peloton members, so please consider adding an Administrator, or more, onto your Peloton to help support you! All Captains can assign as many Admins to the Peloton as they'd like, but we encourage you to add no more than three. Captains can add Admins to the Peloton by logging into their account and selecting "Manage". Admins can approve member requests, run Peloton reports, receive donation emails — virtually anything Captains can. Help them help YOU!

Peloton Leadership Committee

A leadership committee can play a crucial role in enhancing the impact created by a Peloton! By leveraging its members' diverse skills and networks, a leadership committee can help a Peloton optimize resources, engage more community members, create leadership development opportunities for Peloton members, and most importantly, increase the impact that your team is creating.

We've suggested some roles, including responsibilities, to help you create your own Leadership Committee, but the possibilities are endless! We encourage you to build a leadership committee that fits your Peloton's specific needs. For more information on building your leadership committee, [click here](#).

Captain & Administrator Profile Functions

The following list of options and functions appear when logging into your profile under "Manage My Peloton:"

- **Peloton Profile Information** — create a Peloton story, view/export list of all past Peloton donors.
- **Select Peloton Administrator** — select a member or members of the Peloton to support your administrative capabilities. More information above!
- **Peloton Photos** — add a profile and cover photo to show off your team's personality.

- **Prior Peloton Member Information** — see all past Peloton members' contact information, ride distance and fundraising progress.
- **Peloton History** — view/export a list of the Peloton's fundraising and participation history.
- **Add/Remove Peloton Member** — add members manually by Public ID.

Peloton Jersey

Many Pelotons design custom jerseys to highlight their organization's support to the 15,000+ participants and supporters who attend Pelotonia weekend, as well as those who will see your Riders training throughout their community year-round. Here you'll find a guide to our preferred jersey vendors, detailing their contact information, pricing, and timelines. You are encouraged to utilize any Pelotonia logos and design assets in your jersey design, as detailed in the Pelotonia Graphic Usage section on page 16.

Please note that we do not provide jerseys to all Riders, aside from those who as a Survivor or a High Roller. Jerseys will be distributed to these groups at Opening Ceremony. Jerseys and other Pelotonia ride gear will also be available for purchase at shoppelotonia.org throughout the year.

SETTING PELOTON POLICIES

Every Peloton is working toward the same goal, but each one gets there in their own, unique way. Before you begin promoting your Peloton, we encourage you to outline what it means to be a member of this special effort. Please keep in mind that it's not required that your Peloton provides any formal support to your participants, but the options listed below have proven to be great rallying points for our most successful Pelotons.

→ SET MEMBER GUIDELINES

Determine if you'll allow non-employees to join your Peloton. Generally, all Pelotons allow friends and family to join, but some may limit or remove the non-associates' ability to receive fundraising perks.

→ CONSIDER PAYING THE RIDER REGISTRATION FEE

All Riders pay a registration fee to help cover the expenses of Ride Weekend and/or Gravel Day. Fees are set by the following dates and participation:

Fees are set by the following dates:

RIDE WEEKEND: 2/29–5/24: \$129 → **5/25–7/9:** \$179 → **7/10–8/3:** \$229

GRAVEL DAY: 2/29–9/21: \$50

Your company can elect to cover any amount or percentage of this fee to incentivize recruitment. It's up to you to determine how long this discount is active.

Pelotonia provides your company/Peloton a unique code for your Riders to access the discount, then invoices the company/Peloton in the fall for discounts used. Please contact Carolyn Appelhans at cappelhans@pelotonia.org to set up your discount code.

→ CONSIDER OFFERING FUNDRAISING SUPPORT

Electing to donate toward your members' fundraising is one of most generous ways to incentivize participation. However you decide to support, we encourage you to set a policy that incentivizes your Peloton members to personally seek out grassroots donations from their networks. A few models we have seen work successfully:

- Donate a set amount to all members; we recommend no more than \$300.
- Donate a set amount once Riders reach different milestones in their fundraising.
Ex. Once they raise 50% donate \$50, raise 100% donate \$100, raise \$500 over commitment donate \$250.
- Donate to Peloton members who recruit a new Rider to the Peloton.

Pro tip: Wait until two weeks prior to the end of the fundraising period to process the company's contributions to individual Riders. This will encourage Riders to continue working toward their full fundraising commitment on their own, rather than stopping their fundraising efforts once they see their minimum commitment has been fulfilled.

PELTONIA

SETTING PELOTON POLICIES

→ SET A FUND SHARING POLICY

Our fundraising commitments are meant to challenge participants, but at the same time, we know that they are 100% achievable. Fund sharing was created to help Pelotons fundraise together, then share earned funds appropriately. We encourage you to use it for this purpose and set a policy for the amount of shared funds a Rider can receive, so that no one can take advantage of the funds your members are working so hard to raise.

Core functionality of fund sharing:

- The fund sharing period will occur over a ten-day period, starting October 8 and ending on October 18. During this time, there are two ways to share funds. First, a Peloton's general funds may be shared among individual Peloton Riders. Second, an individual Peloton member's funds in excess of their fundraising commitment may be distributed another Rider. Please note that a High Roller cannot share funds below \$5,000, nor can they receive funds to get to their \$5,000 commitment. Similarly, Challengers cannot share funds below \$100, nor can they receive funds to get to his/her \$100 commitment.
- Additionally, participants who ride in both Ride Weekend and the Gravel Ride cannot share funds below their set commitment, nor can they receive funds to get to their fundraising commitment.

Policy best practices:

- Set a maximum percentage of a total fundraising commitment a Rider can receive. We recommend no more than 1/3 to ensure you're spending your time recruiting, stewarding and training Riders who are truly all-in on furthering Pelotonia's mission.
- Set a participation requirement to earn Peloton funds. Some Pelotons who host numerous fundraisers throughout the year make a list of actionable items their Riders can do to support these events. Riders must complete a set number of these items per event if they want to receive funds earned.
- Require any Riders who need shared funds to personally ask the Captain—do not automatically share funds to all Riders who are short of their commitment! We hear from dozens of Riders every year who intended to personally contribute the remainder of their commitment, but they were never charged because funds were shared to their account without their request.

Fundraising 101

We'll have a fantastic time together during Ride Weekend, but we must not lose sight of the purpose of Pelotonia: to raise funds for innovative cancer research. Pelotonia participants use so many creative ways to meet their fundraising commitments, but the most effective way of raising funds is simply by sending an email or handwritten note asking for a donation. We have done some of the heavy lifting for participants by pre-scripting a sample fundraising letter. To find this letter, go to our fundraising tips page at [pelotonia.org/community-hub/resources/fundraising](https://www.pelotonia.org/community-hub/resources/fundraising).

From payroll deductions, matching gifts, stock donations, and recurring gifts, there are many ways for your members to receive donations and make donations of their own!
